Ways We Can Work Together

From integrating the workplace to retrofitting group homes for maximum accessibility, Ability Beyond is a proud pioneer in the field of disability services—and we couldn't do this life-changing work without our incredible corporate partners.

There is no shortage of ways for your company to get involved, make a difference and help us uplift the more than 3,000 people we serve annually. Here is an overview of our corporate partnership opportunities to assist in your 2024 philanthropic planning:

Event Sponsorships

Each year, Ability Beyond hosts three major fundraising events for which we seek corporate support. Our events provide an opportunity to broaden your company's brand visibility all the while supporting a worthy cause. Here in this brochure you will find our open opportunities and additional information on how you can support us in this way.

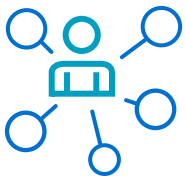

Volunteer Projects

When you volunteer at Ability Beyond, you make a direct and profound impact on someone's life while inspiring others to get involved. We seek helping hands for a variety of projects, such as building wheelchair-accessible ramps, planting and tending to gardens, making special deliveries to group homes or through social activities with the people we serve. Individuals and employee groups are welcome!

In-Kind Donations

We welcome in-kind contributions that will enrich the lives of those we serve through experience, or by offsetting the costs of a program. Examples are training for the people we serve, training for staff and/or product or gift card donations. Additionally, you can collaborate with us by providing top prizes for our special event raffles and auctions.

Workplace Giving

Encouraging employees to make a positive impact through charitable giving is extremely rewarding. Supporting Ability Beyond is simple through the United Way and other employee giving programs. We can provide you with the resources needed for giving campaigns in support of Ability, including custom donation pages and inspiring impact reports and stories.

Employment Opportunities

One of the most direct and meaningful ways to empower someone is by providing them with a dignified opportunity to work. That's what our career development partners do by connecting the people we serve with competitive jobs and hands-on learning experiences that align with their skills and interests. Funding and incentive opportunities may be available for your business.

Disability Solutions

Make a commitment to hiring top talent with disabilities by scheduling time with Disability Solutions, our consulting arm that helps corporations hire talent from the disability community. We'll share our expertise on disability hiring and retention, so you can build the strong, diverse workforce that your team and your customers deserve.

If you have any questions about the many ways we can partner or to register early for any event sponsorship, please contact Director of Development Elita Walker at 203-826-3233 or elita.walker@abilitybeyond.org.

2024 Gala & Beyond

We couldn't be more excited to celebrate with you soon at our **Gala & Beyond: A Night of Reflections** on **Saturday, April 27, 2024** at the Amber Room in Danbury. We look forward to reflecting on the impact we've made together and hear inspirational stories of independence as well as honor a very deserving community leader with the Robert S. Young Humanitarian Award!
