† Black print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit epson.com/printspeed | **1** Part of the ink from the included bottle is used for initial setup; yields are lower than those of replacement ink bottles. Replacement ink bottle yields based on the ISO/IEC 19752 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Ink is used for printing and printer maintenance, and the ink must be available for printing. For more information, visit epson.com/inkinfo | **2** 12 months of standard limited warranty or 50,000 plain paper sheets (whichever happens first). For an additional 12 month extended service plan (total of 24 months or 50,000 plain paper sheets, whichever happens first), register your product and use Epson genuine ink bottles. See Limited Warranty for details. | **3** Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit epson.com/connect | **4** Wi-Fi CERTIFIED®; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | **5** Voice-activated printing is not available with the Expression® EcoTank ET-2500 and ET-2550 printers, and Epson printers that are 5 or more years old. See epson.com/voice for device compatibility. Epson Connect account and voice-activated account registration required. | **6** Requires Easy Photo Scan software (included). Mac version may require software download. | **7** Only printing is supported under Windows Server OS. | **8** Some applications and/or functions may not be supported under Mac OS X. | **9** Internet access is required to install OS X drivers and software. | **10** For convenient and reasonable recycling options, visit epson.com/recycle | **11** SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
