Wireless Color All-in-One Printer

Wireless | Print | Copy | Scan | Photo

All-in-One

Photo

Print lab-quality photos and more with this all-in-one solution.

Lab-quality photos and prints — 6-color Claria® Photo HD ink and high print resolution for amazing borderless prints up to 8.5" x 11"

Fast photo printing — delivers 4" x 6" borderless photos with astounding detail and accuracy in as fast as 10 seconds¹

Convenient, easy operation — features flush 4.3" color touchscreen, plus Easy Mode for enhanced visibility and ease of use

Versatile paper handling — separate trays for plain and photo paper, plus a rear feed for specialty paper

Easy wireless printing — print from your laptop, desktop, smartphone or tablet²; use Wi-Fi Direct³ for router-free printing, supports Apple® AirPrint®, Mopria® Print Service and Mopria Scan

Built-in scanner and copier — high-resolution flatbed scanner for crisp, accurate scans and copies

Epson Smart Panel® app⁴ — control your printer from your smart device and enjoy timesaving, smart setup features

Creative Print mobile app⁵ — easily print photos and create custom cards, stationery and more

Easily adjust photos — includes tools for red-eye removal, photo restoration and more

Epson printing system is designed to be used exclusively with Epson Genuine Cartridges*.
Use of non-genuine ink could cause damage not covered under the printer's limited warranty.

 Maintenance Box T366100

*This product uses only genuine Epson-brand ink cartridges. Other brands of ink cartridges and ink supplies are not compatible and, even if described as compatible, may not function properly or at all.
[†] Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit epson.com/printspeed ^{††} Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on factors including system configuration and page complexity. For more information, visit epson.com/copyspeed | ¹ Color photo in Draft Mode on Premium Photo Paper Glossy measured from start of paper feed. Actual print times will vary based on factors including system configuration, software and page complexity. For more information, visit epson.com/printspeed | ² Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit epson.com/connect | ³ Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | ⁴ Requires Epson Smart Panel app download. Data usage fees may apply. | ⁵ Requires Creative Print Mobile App download and a compatible smart device. Data usage fees may apply. For more information, please visit epson.com/support | ⁶ Requires an Internet connection, a free Epson Connect account and a destination email address or cloud storage account. For a list of supported cloud services, visit epson.com/connect | ⁷ Adapter may be required. For a full list of compatible memory cards, visit www.epson.com | ⁸ Replacement cartridge yields are based on ISO/IEC 24711 tests in Default Mode printing continuously. Replacement cartridge photo yields are based on the ISO/IEC 29102 photo yield standard. Cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors have to be installed for printing. For print quality, part of the ink from the included cartridges is used for printer startup and a variable amount of ink remains in the cartridges after the "replace cartridge" signal. For details, see epson.com/inkinfo | ⁹ For convenient and reasonable recycling options, visit epson.com/recycle | ¹⁰ SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
