1920 x 1080	60	–	SDR/HDR*	SDR/HDR*

\* HDR: Support for HDR10 and HLG. For more information, visit [epson.com/hdrcompatibility](http://epson.com/hdrcompatibility)

1 Color brightness (color light output) and white brightness (white light output) will vary depending on usage conditions. Color light output measured in accordance with IDMS 15.4; white light output measured in accordance with ISO 21118. | 2 Some apps and/or content may not be available in your region. | 3 To access Google TV and its features, a Google® account and an Internet connection of 5 Mbps or faster for HD or 25 Mbps or faster for 4K is required. Third-party app compatibility subject to change without notice. | 4 Compatible device and Internet connection required for both download and use with the projector. Data usage fees may apply. | 5 LED light source life of 20,000 hours. Approximate time until brightness decreases 50% from first usage. Based on the IESNA approved LM-80 standard for measuring lumens of LED light sources. Time varies depending on usage conditions and environment. | 6 HDR performance available with select third-party devices. For more information, visit [epson.com/hdrcompatibility](http://epson.com/hdrcompatibility) | 7 For convenient and reasonable recycling options, visit [epson.com/recycle](http://epson.com/recycle) | 8 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
