Supertank All-in-One

Home Office

The ultimate home office printer.

Incredible Value — Epson EcoTank includes enough ink to last up to 3 years¹. And if you run low, you'll save up to 90% with replacement ink bottles vs. ink cartridges²

Worry-Free Printing — Epson EcoTank comes with enough ink to print up to 6,600 pages black/5,500 color³ for fewer out-of-ink frustrations. Each replacement ink bottle set is equivalent to about 80 cartridges⁴

Simple Ink Refilling — Supersized ink tanks and uniquely keyed EcoFit® bottles make refilling ink simple—no mess, no stress and no ink bottle mix-ups

The World's #1 Selling Supertank Printer⁵ — Epson invented EcoTank to revolutionize the way people print; we've sold 100 million EcoTanks worldwide⁶ and this is our 7th generation of cartridge-free printers

Advanced Productivity Features — Fast 18 black/9 color ISO ppm[†] print speeds with zero warmup time, an Auto Document Feeder, fax, a high-capacity 250-sheet paper tray, auto duplex printing, copying and scanning, and a 2.4" color touchscreen for easy navigation

Stunning Print Quality — High 4800 x 1200 dpi print resolution for exceptional photos and text; enjoy amazing image quality on a wide range of media

Wireless Mobile Printing⁷ — Print and scan from the convenience of your smart device with enhanced mobile printing from the Epson Smart Panel® app⁸; supports Apple® AirPrint®, Mopria® Print Service and Mopria Scan

Engineered for Reliability — Epson PrecisionCore® Heat-Free technology delivers a unique permanent printhead designed to last the life of the printer, plus professional-grade reliability with duty cycle twice as robust as its predecessor⁹

Zero Cartridge Waste — Join the club with the millions of EcoTank owners who've already helped to reduce millions of pounds¹⁰ of plastic from going into landfills

Use Genuine Epson Ink — For optimal print quality and performance. Non-genuine ink could cause damage not covered by the printer's limited warranty

† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit epson.com/printspeed | †† Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on factors including system configuration and page complexity. For more information, visit epson.com/copyspeed | 1 Based on average monthly document print volumes of about 150 pages. | 2 Actual savings and costs will vary considerably based on print tasks, print volumes and usage conditions. Savings and cost per ISO page are based on the cost of replacement ink bottles and the cost of enough standard cartridges to achieve the total page yields of the bottles using the MSRP (USD) and yields for Epson standard-capacity ink cartridges for similarly featured Epson consumer inkjet printers as of March 2025. | 3 Part of the ink from the included bottles is used for initial setup; yields are lower than those of replacement ink bottles. Replacement and included ink bottle yields based on the ISO/IEC 24712 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors must be available for printing. For more information, visit epson.com/inkinfo | 4 Individual cartridges estimate based on print yields of a replacement set of black and color ink bottles as compared to Epson standard-capacity ink cartridges for similarly featured printers as of March 2025. | 5 Based on internal cumulative sales data 2010 – 2024. | 6 Worldwide 2011 – 10/2024. | 7 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit epson.com/connect | 8 Requires Epson Smart Panel app download. Data usage fees may apply. | 9 Versus the ET-4850. | 10 Based on product and replacement ink bottle sales in North America 2015 – June 2021. | 11 Epson Connect account and voice-activated account registration required. See epson.com/voice for device compatibility. | 12 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | 13 Internet access is required to install OS X drivers and software. | 14 Only printing and scanning are supported under Windows Server OS. | 15 Monthly duty cycle is the highest duty a user could expect in a month, based on near-constant operation of a device of this kind. It is not recommended that the device be run at this duty. For best device performance, run the device at the recommended monthly page volume. | 16 Internet access is required to install OS drivers and software. | 17 For convenient and reasonable recycling options, visit epson.com/recycle | 18 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
