* This product uses only genuine Epson-brand ink cartridges. Other brands of ink cartridges and ink supplies are not compatible and, even if described as compatible, may not function properly or at all.

1 Part of the ink from the first cartridges/packs is used for initializing the printer. Ink usage will vary considerably based on images printed, print settings, paper type, frequency of use, temperature and humidity. Variance may be more pronounced when printing infrequently or predominantly with one ink color. Ink is used for printing and printer maintenance, and all colors must be available for printing. For print quality, a variable amount of ink remains after the "replace ink" indicator comes on. | **2** Internet access required for download. Powered by Adobe Express for Educators—a digital media app for K-12 classrooms. Qualified educators can receive a free account, visit adobe.com/education/express for details. | **3** Product comes with a 1-year limited warranty with the option to purchase extended service plans up to a total of 5 years of continuous coverage. | **4** Print speeds are based on the print engine speed only. Total throughput time for any print depends on various factors including workstation configuration, file size, print resolution, ink coverage and networking. Actual print speeds will vary. | **5** High-volume cutting of canvas and heavy media stocks may require frequent cutter replacement. | **6** Allowed by printer driver for Mac, PC and RIP used. Application, version of application, operating system, and operating system version may limit maximum length. | **7** For the latest drivers, epson.com/support | **8** All features of this system require an active Internet connection and the use of a supported browser. | **9** For convenient and reasonable recycling options, visit epson.com/recycle | **10** SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency. | **11** Geographic limitations may apply. Service request must be received and processed by 1 p.m. Pacific Time, Monday through Friday, excluding holidays. See limited warranty or service plan for details.
