

# High School Points Worksheet

This worksheet is designed to help students and families to calculate the number of points that will be used in their GoCPS high school selections process.

## HSAT SCORES

Find your HSAT scores by logging into your GoCPS online portal. Navigate to the Student Dashboard and click "View Grades and Scores"

We will use the percentiles to convert into points. The standard scores are only used in the case of a tie-breaker.

Reading Percentile (%): \_\_\_\_\_

Math Percentile (%): \_\_\_\_\_

Reading Standard Score: \_\_\_\_\_

Math Standard Score: \_\_\_\_\_

## 7th-Grade Grades

Reading Grade    Math Grade    Science Grade    Social Studies Grade

\_\_\_\_\_

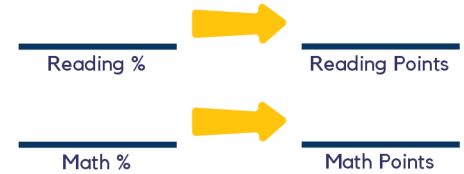

## Calculating the Points

Use the numbers above to plug into the calculations below and calculate the points you have earned for High School Selections.

Math or Reading %	Points	Math or Reading %	Points	Math or Reading %	Points	Math or Reading %	Points	Math or Reading %	Points
99	225	79	180	59	134	39	89	19	43
98	223	78	177	58	132	38	86	18	41
97	220	77	175	57	130	37	84	17	39
96	218	76	173	56	127	36	82	16	36
95	216	75	170	55	125	35	80	15	34
94	214	74	168	54	123	34	77	14	32
93	211	73	166	53	120	33	75	13	30
92	209	72	164	52	118	32	73	12	27
91	207	71	161	51	116	31	70	11	25
90	205	70	159	50	114	30	68	10	23
89	202	69	157	49	111	29	66	9	20
88	200	68	155	48	109	28	64	8	18
87	198	67	152	47	107	27	61	7	16
86	195	66	150	46	105	26	59	6	14
85	193	65	148	45	102	25	57	5	11
84	191	64	145	44	100	24	55	4	9
83	189	63	143	43	98	23	52	3	7
82	186	62	141	42	95	22	50	2	5
81	184	61	139	41	93	21	48	1	2
80	182	60	136	40	91	20	45		

### HSAT Points:

Use the Percentiles from above and the table to convert into points

### Grades Points:

Use the grades from above and the table to convert into points

Grade	Points
A	112.5
B	75
C	38
D	0
F	0

### Final Calculation:
