Find the Right Solution for Your Store

Stage

An elevated beauty display solution designed for premium brand presentation and flexible merchandising. Available as individual mounts or multiple positions connected by our “Raceway” system to support evolving assortments and changing planograms.

Stage Bar

Available in 9 or 20 tester configurations, Stage Bar creates secure tester access where dedicated space is limited. Mount it directly on top of locked display cases for flexible merchandising, elevated presentation, and optional integrated branding.

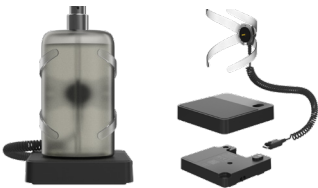

Tile

A low-profile tester display that adheres directly to the fixture for a sleek, seamless presentation. Its adhesive-mounted design is ideal for environments where tester positions remain consistent.

Podium

A free-standing tester display that combines open interaction with alarming security and OneKEY ecosystem integration—keeping products secured while supporting a seamless customer experience.
