

**S3100V & WS2/W2000**  
Slot Mount Adapters  
ZW1982 & ZW1983

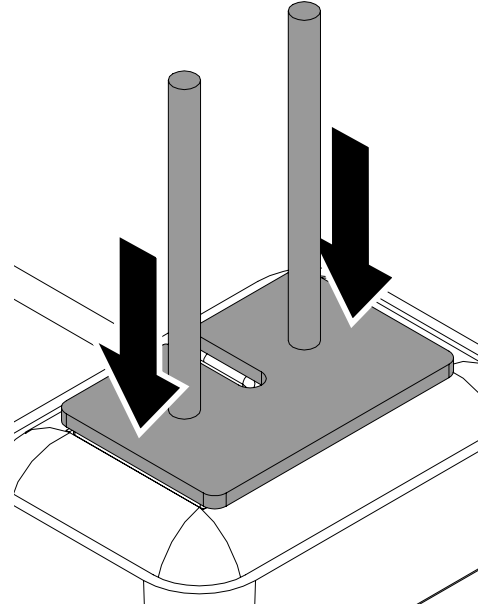

**Note:** See the instructions included with your stand for full installation information.

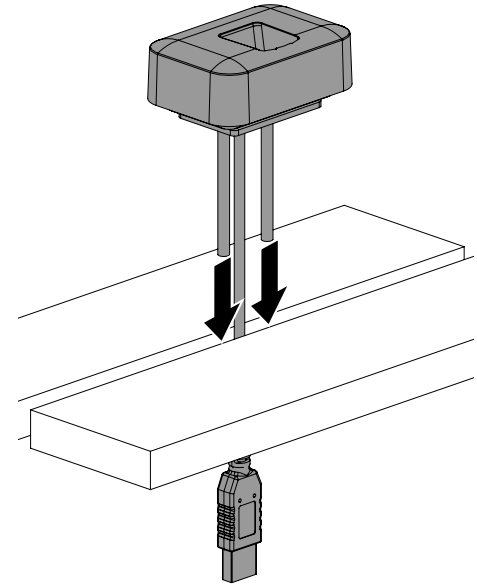

- 1 ZW1982 Installation:**  
Peel the clear film from the 2 adhesives on the bottom of the S3100V stand.

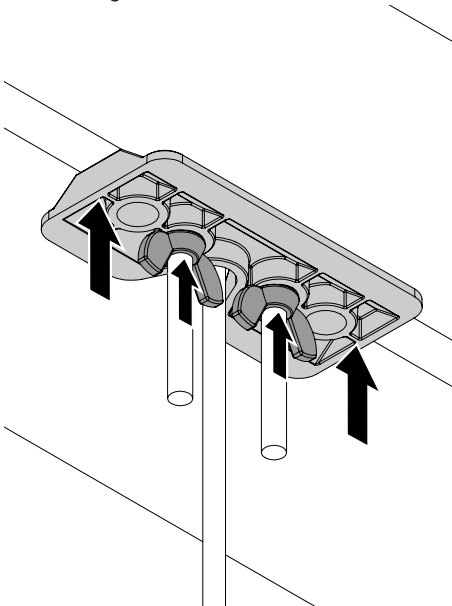

- 2** Place the slot mount adapter onto the bottom of the stand and apply pressure for at least 10 seconds.

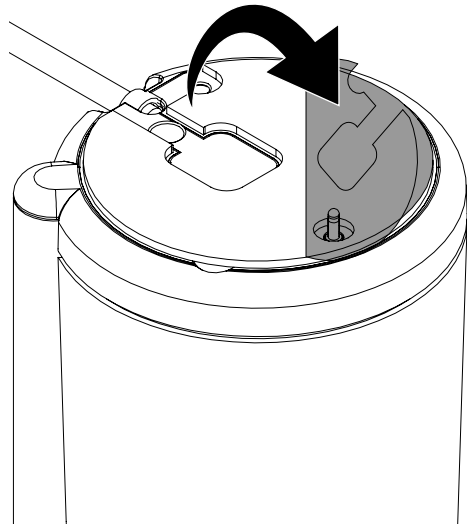

- 3** Place the stand and adapter over the slot in the fixture so that the power cable and studs descend through the slot.

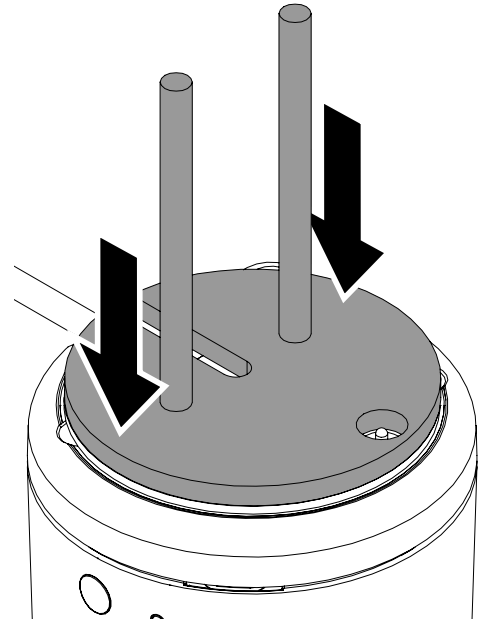

- 4** From beneath the fixture, place the plastic adapter onto the studs and secure in place using the 2 provided wingnuts.

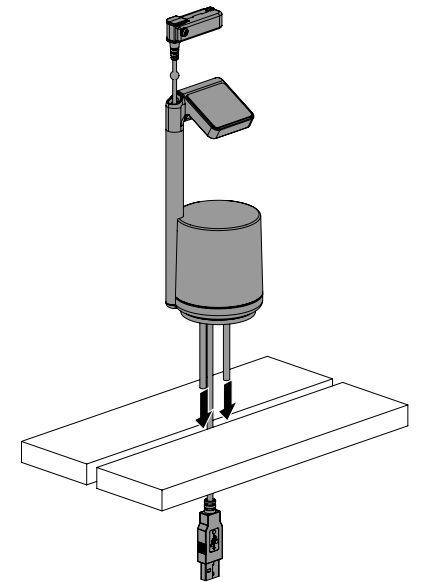

- 1 ZW1983 Installation:**  
Peel the clear film from the adhesive on the bottom of the WS2 or W2000 stand.

- 2** Place the slot mount adapter onto the bottom of the stand and apply pressure for at least 10 seconds.

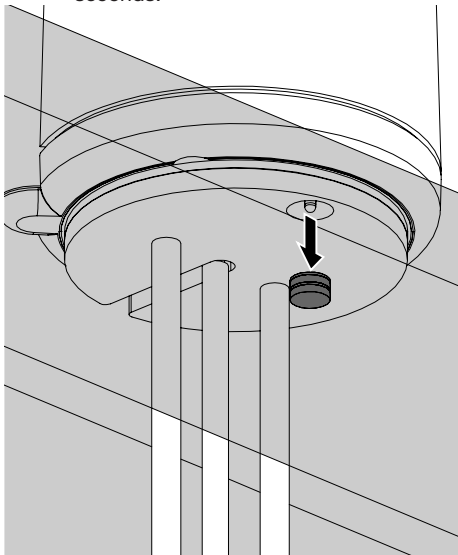

- 3** Place the stand and adapter over the slot in the fixture so that the power cable and studs will descend through the slot.

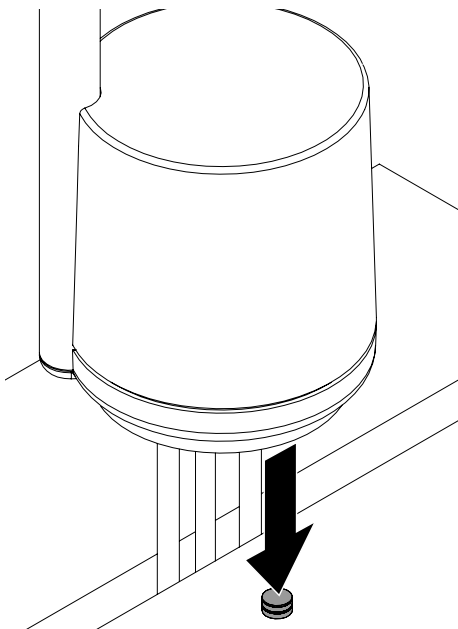

4a

Remove 1 of the small plunger extenders from it's backing and align it with the stand's plunger. Place it onto the fixture, beneath the plunger and apply pressure for at least 10 seconds.

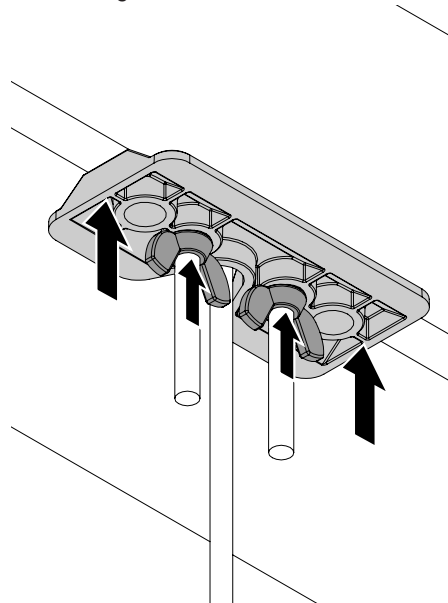

4b

Place the stand down onto the fixture so that the plunger will engage with the plunger extender.

5

From beneath the fixture, place the plastic adapter onto the studs and secure in place using the 2 provided wingnuts.
