

Take your business to your customers with a fixed kiosk and mobile tablet solution.

CT80 provides a freestanding tablet display that's ready to use right out of the box. Tablets can easily be rotated to portrait or landscape mode as well as flipped to face the customer. The CT80's versatile design

allows the tablet to easily be removed for mobile use from the base plate providing a second auxiliary stand as well as a convenient handle. CT80 works with all tablets regardless of manufacturer or operating system.

CT80 ingenico Moby M70/M100/M120 dock
