MagStand

Device security with seamless magnetic charging.

Designed for Real-World Experiences

Combining sleek design with enhanced security, this stand ensures your devices stay powered while providing a secure, interactive customer experience without the need for bulky security mechanisms.

EASY TO USE

Magnetic technology enhances both charging and placement, offering an intuitive experience for customers and associates alike.

ALARMING SECURITY

The integrated alarm system secures your device, delivering peace of mind with the ease of the OneKEY ecosystem.

AUTHENTIC EXPERIENCE

A minimalist design combines form, function, security, and magnetic charging into one elegant solution.

Proven Performance in Every Detail

Handhelds

Wearables

Familiarity:
Magnetic charger enables intuitive mounting and fast charging, mirroring real-world use.

Simplicity:
Coiled cable with small sensor footprint so that displays stay clean, organized, and inviting to interact with.

Scalability:
Integrated with the OneKEY ecosystem—extend the same smart access used for cabinets to your open-display.

Security:
LED + Alarm security indicators allow quick, intuitive recognition of device status.

Convenience:
Allows quick, hassle-free nightly removal for streamlined store closing routines.
