

OnePOD Max

Authentic Experience. Maximum Security.

Give customers the freedom to engage—without compromising security.

OnePOD Max empowers customers to explore freely with secure, quick-release brackets while your team benefits from streamlined operations—all with InVue's most secure display solution yet.

SIMPLIFY OPERATIONS

Reset displays in seconds with quick, tool-free adjustments that keep your team focused on customers.

ENGAGE TO SELL

Enable secure, hands-on demos that let customers hold devices untethered to make confident buying decisions.

REDEFINE SECURITY

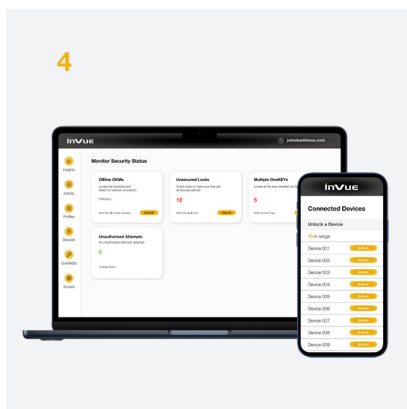

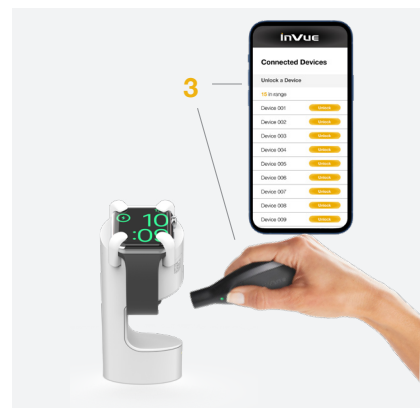

Protect high-value devices with our strongest display yet—complete with access control and tracking.

OnePOD Max solves retail's toughest challenge—delivering top-tier customer experiences without compromising security.

FEATURES AND BENEFITS

- 1 Compatible with phones—including flip and folds—tablets, and wearables to showcase a fully branded ecosystem.
- 2 Mounts to tables or walls utilizing front or reverse display to showcase top features like high-end cameras and finishes.
- 3 Open with the InVue OneKEY app or with our OneKEY for quick, secure access.
- 4 Monitor device status, track events, manage user roles, and access reporting—all in one platform for better oversight and control.
- 5 Low-profile charge connectors and no external security for wearables create a sleek, touchable experience shoppers love.
- 6 Brackets automatically lock when a device is detected—no extra steps.
