

Enhance customer service and increase sales.

The Cam Lock is designed for swing out doors and pull out drawers. Cam Lock is the most versatile lock capable of being mounted on wood, glass, metal and acrylic. The Cam Lock is easily embedded into furniture providing an aesthetically pleasing design. The operational efficiency, improved customer service and speed to check out makes Smart Lock the perfect locked cabinet solution.

- › Sales associates are empowered to access locked display cabinets, delivering a more timely response to customers
- › Enhanced interaction with customers will result in increased sales
- › Part of the IR Ecosystem, a one key solution to storewide security.

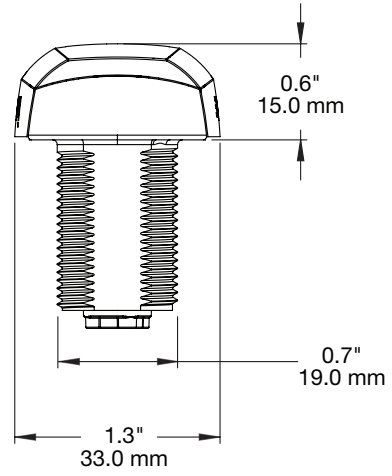

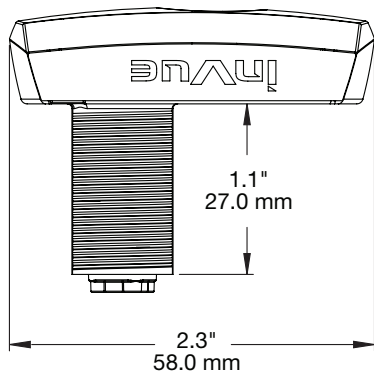

FEATURES AND BENEFITS

- › Designed for swing-out doors and pull-out drawers
- › Simple to retrofit and install – wood, glass or metal doors with 19 mm (0.75”) hole
- › Cam arm and bracket accessories provide installation flexibility
- › Visual indicator provides locked or unlocked status

SPECIFICATIONS
