

## LIVE Padlock

# Smart Outdoor Security Powered by Mobile Access

Take control of your outdoor spaces with the LIVE Padlock—an NFC-enabled smart lock built to withstand the elements. Grant mobile access to employees, customers, or vendors with no keys, no codes, and no hassle. Every unlock is tracked, giving you complete visibility into who accessed what, when, and where.

### MOBILE ACCESS MADE EASY

Unlock gates and storage areas with a smartphone or handheld device—no keys or codes required.

### OUTDOOR-READY DURABILITY

IP68-rated and built to last, even in extreme weather, with a 10-year battery life.

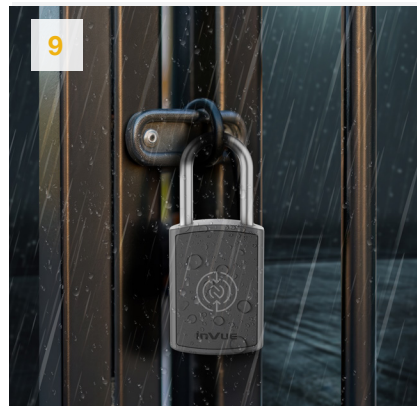

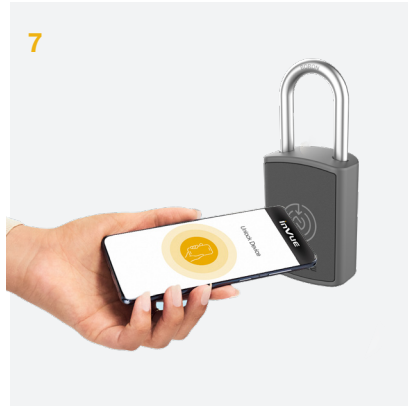

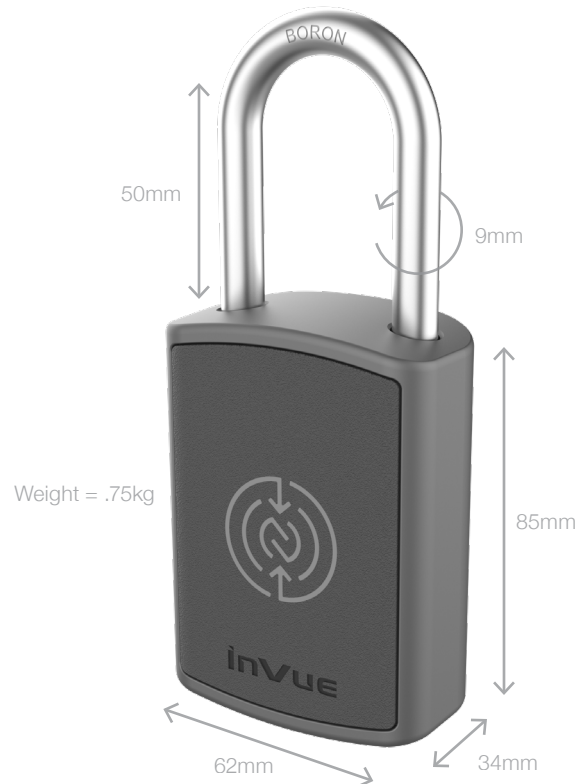

### ACCESS YOU CAN TRACK

Every interaction is logged, providing full access history to boost accountability and reduce loss.

## Features and Benefits

The LIVE Padlock brings the power of the LIVE Lock system to outdoor spaces—fully compatible with the rest of the platform, yet effective on its own.

- 1 Assign access to specific users and track every unlock through a secure, reliable audit trail.
- 2 Get up to 50,000 unlocks per battery, with the option to replace when needed—perfect for high-traffic environments..
- 3 Choose auto-lock or manual relock to fit your operations.
- 4 Works seamlessly with or without network connectivity.
- 5 Send single-use digital keys to vendors, customers, or contractors—no physical handoffs.
- 6 Tested to military-grade 810 standards for shock and vibration.
- 7 Use NFC on your smartphone to unlock
- 8 Reliable in extreme heat or cold, from -40°C to 60°C.
- 9 IP 68 rated—designed to withstand outdoor elements with confidence.
