RESORTS & GOLF

MAURITIUS

Embark on a journey into the heart of the festive season with Heritage Resorts & Golf and immerse yourself in the exhilarating ALIVE 2025 experience.

Tucked away in the mesmerizing embrace of Bel Ombre in Mauritius, Heritage Resorts & Golf Resorts beckons you to explore an exceptional tapestry of festivities.

This extraordinary lineup promises an enchanting blend of local and international artists, exquisite culinary odysseys, and rejuvenating wellness escapes, all within the lush embrace of nature's backdrop.

A vertical photograph of an outdoor event at dusk. In the foreground, a long, narrow water channel flows from the bottom towards the center, with several small fountains spraying water. The water reflects the ambient light. On either side of the channel are decorative planters with greenery. In the middle ground, a large, illuminated pavilion with a dark, conical roof stands as the focal point. The pavilion is lit from within, and people are visible inside. The area is surrounded by numerous tall palm trees. The sky is a mix of light blue and orange, with many small, glowing yellow and white dots scattered across it, resembling stars or distant lights. The overall atmosphere is serene and celebratory.
