NURTURING NATURE FOR FUTURE GENERATIONS

At Heritage Awali, our dedication to preserving the beauty of our environment for future generations is paramount. Rooted in responsible practices and a deep commitment to conservation, we embark on a journey of nurturing our surroundings. Through engaging initiatives such as the Yellow Submarine experience, we take young explorers on an educational voyage that uncovers the hidden treasures of the deep waters surrounding Mauritius.

Designed in collaboration with local NGO Reef Conservation, the Yellow Submarine offers an immersive adventure like no other. This captivating experience serves as a portal to a world teeming with marine wonders, allowing children to comprehend the vital importance of seabed preservation. By fostering an understanding of marine ecosystems and species, we empower our young guests to become ambassadors for environmental protection.

The Yellow Submarine isn't just a fascinating encounter; it's a profound lesson in environmental stewardship. As young minds venture through this undersea realm at the Timomo Kids Club, they embark on a journey of discovery and awareness.
