

Standard Features

Gwyn laptop tables are available in two top options: solid ash and laminate top. The solid ash top is offered in all standard wood and paint finishes. The laminate top is available in all standard solid and woodgrain laminates. The stainless steel tubular base is available in three options: polished, matte black powder coat and satin white powder coat. SCS Indoor Advantage™ Gold and LEVEL® 2 certified. See terms and conditions for additional environmental information.

Laminate Selections

A three character sku identifies each laminate selection as well as the standard finish offered. Individual components are priced with standard finish on standard laminate.

Additional colors may be available but are subject to upcharges and extended lead times. The laminate option is available on components where noted as an option in the material specification code.

All laminate tops will have a 3mm matching edge band.
