**Preapproval Procedure for Fabric**

**Customer's Own Material (COM)**

Due to aesthetic reasons or application restraints, Bernhardt Design must preapprove COM fabrics for application on the Bernhardt Design. **All COM fabrics must pass ASTM-E84 with documentation in order to be applied to Vendome screens.**

**PREAPPROVAL PROCEDURE**

**Please submit a 12" X 12" sample for testing prior to the actual shipment of COM to Bernhardt Design.**

**SHIPPING ADDRESS FOR SAMPLES:**

**Bernhardt Design  
1839 Morganton Blvd. SW  
Lenoir, NC 28645  
Attn: Customer Service**

**Along with the COM sample, the product number, quantity of products, and contact information must be specified.**

Bernhardt Design reserves the right to reject any covering which in our opinion is unsuitable for upholstery purposes. However, Bernhardt Design shall in no instance be held responsible for tailoring variances that result from the application of a particular textile or leather to a specific frame.

**COM Yardage Specifications**

All yardage requirements shown in the price list are based on 54" plain material. Fabrics with a vertical repeat that must be matched, or that are less than 54" wide, require more yardage. The chart below should be used for determining additional COM yardage requirements.

Please add the indicated percentage to the yardage shown beside the style number in the price list. This guide will accurately cover most COM orders, but there will be instances due to unusual repeats or designs that additional yardages may be required. Bernhardt Design will not be held responsible for the purchase of any additional COM that may be required.

When ordering multi-item modular configurations, the total COM yardage must be provided from the same dye lot in a continuous roll(s).

**All COM's will be cut and applied at the discretion of Bernhardt Design unless special cutting instructions are included in writing with the purchase order.**

**Bernhardt Design will not be held responsible for defective fabrics, as all COM's are accepted as first quality goods.**

Furthermore, Bernhardt Design will not be responsible for additional costs incurred due to aforementioned delays.

Customer orders in production will be shipped as scheduled and will not be held. Bernhardt Design reserves the right to make partial shipments on any order, unless notified otherwise by the customer.

High quality cartoning meeting trucking and railroad specifications is standard at no extra charge. Some items may be blanket wrapped for shipment.

### Freight Damage and Claims

Bernhardt Design is not liable for damages that occur during transit or storage. The carrier assumes all responsibility upon acceptance of product. It is the customer's responsibility to inspect all products upon receipt and file any claims with the carrier. No product should be refused. If products are received damaged, a written exception should be made on the bill of lading and an immediate inspection be requested of the carrier.

### Returns

No merchandise may be returned to Bernhardt Design without written consent in the form of a Return Authorization from our Quality Assurance Department stating why the item is being returned and how the item will be shipped.

Unauthorized returns will be automatically refused by our receiving department as well as returns not in accordance with Bernhardt Design shipping instructions. Liability for defective merchandise shall be limited to the replacement or repair of that merchandise, and Bernhardt Design shall not be liable for other damages or losses.

### Measurements and Weights

All measurements and weights are approximate and subject to change without notice.

### Care and Cleaning

Finished wood surfaces should be cleaned with a soft damp cloth, wiping in the direction of the grain. Furniture should be buffed dry immediately with a soft cloth.

### Wood Finishes

Bernhardt Design tables are available in finishes that are compatible with credenzas and seating finishes. However, finishes on tables may vary slightly from those on seating due to the natural characteristics of the wood. No absolute match is implied or guaranteed.

### Light Finishes

Bernhardt Design offers lighter finishes on certain veneers. When specifying light finishes the natural characteristics of the wood will be visible and color will vary.

Natural characteristics include the natural discolorations of the wood substance and color variations in glued up stock. These natural characteristics are not considered defects by Bernhardt Design, and therefore merchandise will not be replaced.

### Special Finishes

Special finishes, made to customer specifications and subject to factory approval, may be available at a **10% net upcharge with a \$500 net minimum**.

Additional leadtime may be required for special finish items. Special finish orders will not be acknowledged until the special finish sample is approved in writing and received by Bernhardt Design Customer Service. Special finish orders are not subject to revision or cancellation after acknowledgment.

#### **Installation and Maintenance**

All freestanding tables and credenzas are equipped with leveling devices. Local floor conditions vary, and it is always necessary to properly adjust leveling devices. Proper leveling is essential to the alignment and function of doors and drawers. Improperly leveled units result in misaligned doors and drawers and may impair locking mechanisms or other functional hardware.

After the initial installation of credenzas, it may be necessary to readjust and align the units to compensate for settling. This should be expected as a matter of routine maintenance and follow-up to assure proper case function.

Proper installation of Bernhardt Design tables and credenzas is the responsibility of the dealer. Improperly installed units can result in permanent damage to case components. Damage due to improperly installed furniture not covered under product warranty.

#### **Warranty**

Bernhardt Design will repair or replace, at its discretion, any product or part thereof which fails as the result of defects in material and workmanship, under single shift use and normal care for five years. This warranty shall apply only to the original purchaser. This warranty does not cover normal wear and tear, misuse or abuse of product, dramatic temperature changes, exposure to unusual conditions or damages incurred by contact with seating products, tables, desks or other surfaces.

These are circumstances beyond the control of Bernhardt Design and are not warranty issues. Repair or replacement of discontinued product will be at the discretion of Bernhardt Design.

This warranty is the customer's exclusive remedy for product defect and does not apply to damage caused by a freight carrier, dealer, installer, user modification, attachments to a product, or any third party. Bernhardt Design has the exclusive right to make the final determination of product misuse or abuse.

Except as stated above, Bernhardt Design makes no express or implied warranties as to any product, and in particular, makes no warranty of merchant
