Standard Features

Map is a collection of solid oak occasional and laptop tables ranging in heights of 14” to 25”. Tops are available as square or rectangular with rounded corners and range in widths of 14” to 40”. Map tables are available in all oak and oak select finishes.

SCS Indoor Advantage™ Gold and LEVEL® 2 certified. See terms and conditions for additional environmental information.

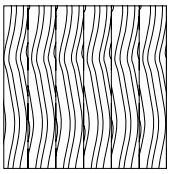

Solid Wood Selections

Solid wood tables feature unique natural characteristics that reveal slight variations in color, texture and grain. Slight variations or movement in wood may occur over time resulting in cracking or other imperfections. These imperfections are an inherent part of the wood curing process and are typical for natural products and are not considered defects.

When specifying light finishes, the natural characteristics of the wood will be more visible and color will vary.
