

**Miura Table Collection by PLANK**

Miura tables are designed for indoor and outdoor usage and feature folding and fixed table tops in occasional, conference, and bar height tables. The collection offers four top material options: metal, MDF, HPL Fundermax and HPL Fenix in a variety of finishes and powder coat aluminum bases.

To help with organization and mobility, the Miura collection includes mobile stacking carts that accommodate 4 or 5 tables depending on the sku. See the Miura accessory page for ordering information.

Assembly required for Miura tables.
