

Standard Features

The Curio table is available in maple and walnut with options for 1/2" thick starfire glass insert. Solid surface materials or stone may be used as an insert. However, these materials are considered COM and must be purchased separately thru a local supplier and field installed. COM inserts should be a minimum of 1/2" thick and a maximum of 3/4" thick.

The use of a stone insert is not recommended on the 42" Curio table due to the weight of the material.

The Curio table is shipped assembled. When the glass insert option is specified, the table and top are packed separately in the same carton.

Veneer Selections

When specifying light finishes the natural characteristics of the wood will be visible and color will vary.

MPL Maple

Quarter Cut, Slip Matched

Standard Finish

- 871 860 861
- 837 836 823
- 865 805 866
