

**Standard Features**

Ice is a collection of occasional tables created with hand-blown glass bases and cast glass tops. Individually made by artisans outside of Venice, Italy, each table is designed as a standalone piece of art.

Prized for its artistic and handmade nature, traditional hand-blown glass and cast production creates unique details in table tops and bases. It is not uncommon to find naturally formed bubbles, ripples or color variations within hand-blown glass tables. Bubbles and ripples are formed during the blowing and cooling down process as the tables are being formed. Color variations occur as the layers of glass overlap each other and may be seen depending on the angle the table is viewed from. These organic imperfections create our unique and one-of-a-kind glass tables, created by artisans and have a character all their own. Ice tables are available in three gradients: blue, amber, and smoke grey. They range in height from 15½" to 18" and have diameters of 21½", and 28" as well as 13" x 19".

Tables will be shipped wrapped in a cloth protective layer and packaged in custom styrofoam lined boxes. Ice tables have a one (1) year warranty for quality and workmanship. Scratches and breaking are not covered under warranty.

SCS Indoor Advantage Gold certified. See terms and conditions for additional warranty and environmental information.
