Samples are available through your sales representative and from our website bernhardttextiles.com. Due to slight variations in fibers and dye lots, samples may not match existing inventory.

Additional Finishes

Bernhardt Textiles will, as an accommodation to customers and at the customer's own risk, have special finishes or backing applied to our fabrics at an additional net charge.

Fabrics will shrink when processed so yardage should be increased by 10% to ensure correct and final length. Bernhardt Textiles takes no responsibility for the work of any finisher nor any resultant shrinkage, coloration change or damage to the fabric.

Minimum yardage and upcharges for additional finishes are per pattern/colorway. Fabrics may not be combined to fulfill minimum requirements. Please allow a minimum of two weeks for processing.

Abrasion

Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek and Martindale results above 100,000 double rubs have not been shown to be a reliable indicator of increased fabric lifespan.

Bernhardt Textiles does not warrant or assume any responsibility for flame retardant properties of fabrics or leathers, or issue any certificates regarding flammability. All Bernhardt Textiles contract fabrics meet the standards as set forth in the California Technical Bulletin117-2013.
