Standard Features

Elevation occasional tables include a series of round and square tables with symmetrical fin legs in bronze metallic or matte black powdercoat. Tops are available in oak, walnut or Corian®. Three different charging solutions are integrated into the tables: round surface power + USB module, corded wireless charging and round surface power + USB/corded wireless charging. Tables ship flat packed and assembly is required. See installation instruction.

Elevation occasional tables are part of the Elevation Modular System. Also included in the collection are benches, ottomans, mid-height tables and drum tables. See Bernhardtdesign.com for additional product information.

SCS Indoor Advantage™ Gold and LEVEL® 2 certified. See terms and conditions for additional environmental information.

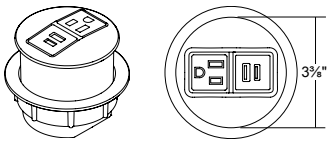
Power Options

The Elevation table collection offers three power options available on tables, depending on the table size ordered: round surface power module + USB, corded wireless power module and round surface power module + USB and corded wireless power module combination.

When specifying power for the Elevation drum table, select the type of power for each table and use the codes below to specify the power option chosen when ordering or use code 000 when no power is needed.

Round Surface Power + USB Module

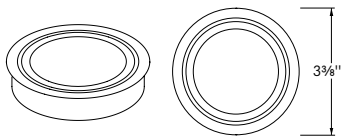


The round surface power + USB module includes (1) 15 amp receptacle, (1) 2 amp USB-A port and (1) 2 amp USB-C port. Options for one or two round surface power + USB modules are available depending on table size. Modules are available in white, chrome and black finishes and are UL approved with spill-proof technology. Each table includes a 15 amp 9' black cord. Power comes installed.

Power Specification: When specifying the round surface power + USB module for power use the following codes:

1SN Nickel Trim/White Outlets (1 module)
1SW White Trim/White Outlets (1 module)
1SB Black Trim/Black Outlets (1 module)
2SN Nickel Trim/White Outlets (2 modules)
2SW White Trim/White Outlets (2 modules)
2SB Black Trim/Black Outlets (2 modules)

Corded Wireless Charging



Elevation offers corded wireless charging options on occasional, drum and multipurpose tables. Wireless power modules are surface mounted and are compatible with all Qi-certified smartphones and devices. Options for one or two corded wireless modules are available depending on table size. Corded wireless chargers are available in a nickel trim with black center and include a 78" USB power cord along with a 3 amp USB power adapter. Power comes installed.

Power Specification: When specifying the round surface power + USB module for power use the following codes:

1WN - Nickel Trim/Black Center (1 module)

Round Surface Power + USB Module/ Corded Wireless Charging

Elevation offers a combination of both round surface power + USB and corded wireless module available installed into one table. This option is available on all elevation drum tables. Power comes installed.

Power Specification: When specifying the round surface power + USB module/ corded wireless module for power use the following codes:

WSN Round Surface Power + UBS – Nickel Trim/White Outlets (1 module)
Corded Wireless Charging – Nickel Trim/Black Center (1 module)

Grommet Placement

The grommet placement codes below correlate with the SKU numbers for Elevation drum tables. Each code represents the table sku, grommet placement, type of power available and number of power modules available.

Illustrations are for grommet placement only. Overall dimensions will vary between round surface power + USB modules and corded wireless charging modules.

See pricing pages for power upcharges.

Standard Features

Elevation drum is a series of round and square tables. The tables are available in various sizes with oak or walnut veneer bases and contrasting tops in oak, walnut, Corian® or stone. When selecting oak or walnut tops, the base must be the same wood species. Three different charging solutions are integrated into the tables: round surface power + USB module, corded wireless charging and round surface power + USB/corded wireless charging.

Elevation drum tables are part of the Elevation Modular System. Also included in the collection are benches, ottomans, occasional tables and mid-height tables. See Bernhardtdesign.com for additional product information.

LEVEL® 2 certified. See terms and conditions for additional environmental information.

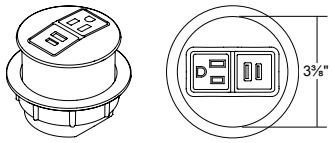
Power Options

The Elevation table collection offers three power options available on tables, depending on the table size ordered: round surface power module + USB, corded wireless power module and round surface power module + USB and corded wireless power module combination.

When specifying power for the Elevation drum table, select the type of power for each table and use the codes below to specify the power option chosen when ordering or use code 000 when no power is needed.

Round Surface Power + USB Module



The round surface power + USB module includes (1) 15 amp receptacle, (1) 2 amp USB-A port and (1) 2 amp USB-C port. Options for one or two round surface power + USB modules are available depending on table size. Modules are available in white, chrome and black finishes and are UL approved with spill-proof technology. Each table includes a 15 amp 9' black cord. Power comes installed.

Power Specification: When specifying the round surface power + USB module for power use the following codes:

1SN Nickel Trim/White Outlets (1 module)
1SW White Trim/White Outlets (1 module)
1SB Black Trim/Black Outlets (1 module)
2SN Nickel Trim/White Outlets (2 modules)
2SW White Trim/White Outlets (2 modules)
2SB Black Trim/Black Outlets (2 modules)

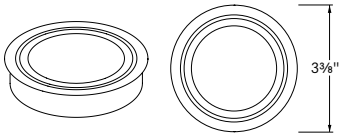
Round Surface Power + USB Module/ Corded Wireless Charging

Elevation offers a combination of both round surface power + USB and corded wireless module available installed into one table. This option is available on all elevation drum tables. Power comes installed.

Power Specification: When specifying the round surface power + USB module/corded wireless module for power use the following codes:

WSN Round Surface Power + UBS – Nickel Trim/White Outlets (1 module)
Corded Wireless Charging – Nickel Trim/Black Center (1 module)

Corded Wireless Charging



Elevation offers corded wireless charging options on occasional, drum and multipurpose tables. Wireless power modules are surface mounted and are compatible with all Qi-certified smartphones and devices. Options for one or two corded wireless modules are available depending on table size. Corded wireless chargers are available in a nickel trim with black center and include a 78" USB power cord along with a 3 amp USB power adapter. Power comes installed.

Power Specification: When specifying the round surface power + USB module for power use the following codes:

1WN - Nickel Trim/Black Center (1 module)

Grommet Placement
