Harmony Seating System Specification Guide

Standard Features

Harmony is an extensive seating platform which allows you to design your own product. You can easily personalize pieces to create different looks within a space.

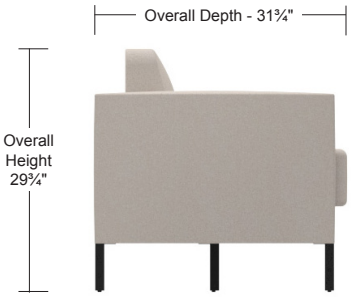

Customization is made easy by following a simple menu of options including: style, scale, cushion type, cushion stitching options, fabric application and leg design. The collection of chairs, sofas, benches and modular units are available in three distinctive styles - Classic, Tuxedo and Luxe, and two scales - Standard and Grande. Two cushion types are offered, along with five unique stitching details and twenty-five leg choices. A standalone compact chair is also offered in classic and tuxedo styles.

All necessary ganging brackets are included and pre-installed. When ordering multi-item configurations, provide the total COM yardage from the same dye lot in a continuous roll(s).

Harmony's 11,176 options present endless design possibilities.

Harmony is SCS Indoor Advantage™ Gold and LEVEL® 2 certified. See terms and conditions for additional environmental information.

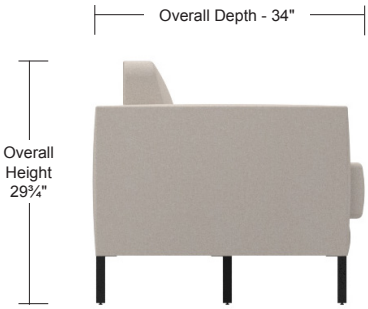

Please visit Bernhardtdesign.com for a complete library of 2D, 3D, and Revit models. You may also contact your local sales representative or the Bernhardt Design Corporate office for specification assistance.
