## Flex Collection & Flex Collection II

### Specifications

|                      |                              |
|----------------------|------------------------------|
| Construction         | Flexible LVP                 |
| Classification       | ASTM F1700 Class III, Type B |
| Total Thickness      | 2.5mm                        |
| Wear Layer Thickness | 20mils (0.5mm)               |
| Wear Layer           | UV-Cured Urethane            |
| Edge Treatment       | Micro Bevel on all 4 sides   |

### Description

|                         |                                                                                                                      |
|-------------------------|----------------------------------------------------------------------------------------------------------------------|
| Flex Collection Size    | 7.25" Wide x 48" Long                                                                                                |
| Packaging               | Per Carton: 17 pcs. / 41.1 ft. <sup>2</sup> / 42.12 lbs. / 55 boxes per pallet / 2,259.4 ft. <sup>2</sup> per pallet |
| Flex Collection II Size | 7" Wide x 48" Long                                                                                                   |
| Packaging               | Per Carton: 18 pcs. / 42 ft. <sup>2</sup> / 37.63 lbs. / 60 boxes per pallet / 2,520.05 ft. <sup>2</sup> per pallet  |
| Installation Method     | Full Spread Adhesive                                                                                                 |

### Testing

|                                      |              |
|--------------------------------------|--------------|
| Critical Radiant Flux (ASTME648)     | Class 1      |
| Surface Flammability (DOC FF 1-70)   | Passed       |
| Coefficient of Friction (ASTM D2047) | Passes > 0.6 |
| Static Load Limit (ASTM F970)        | 1300 lbs.    |
| Impact Insulation Class              | IIC = 65     |
| Sound Transmission Class             | STC = 62     |

### Environmental Data

Assure Certified  
Phthalate Free  
100% Virgin PVC

### Warranty

Lifetime Waterproof  
Lifetime Residential Wear  
25 Year Commercial Wear
