END OF LIFE NOTICE: PAX D190

To our Valued Customers and Partners,

PAX Technology, Inc. is proud to provide the market with the most innovative and secure payment technology solutions available. As part of this focus, we must discontinue production and support of older products as necessary.

We have made the decision to officially announce the End-of-Life of our **D190**.

This includes the following part numbers:

- **D190-OAW-R75-01LA**
 - **D190-OBW-R75-01LA**
 - **D190-OAW-R75-02LA**
 - **D190-OBW-R75-02LA**
 - **FINAL ORDER DATE: March 31, 2025** will be the last date by which we will be taking any further orders. Current orders have or will be fulfilled as inventory allows.
 - **FINAL SHIP DATE:** All orders placed by **March 31, 2025** will be shipped on or before **September 30, 2025**.
 - **END-OF-DEVELOPMENT DATE:** As of this notice, we will not be taking any new enhancement requests, and we will work on prioritization of current requests. The final software release date for the D190 will be no later than **September 30, 2025**.
- PAX will continue to issue bug fixes for critical issues for one year, or until **March 31, 2026**.
- **END-OF-SERVICE DATE:** On **March 31, 2027**, Service and Repair for the D190 will be discontinued. We will endeavor to do repairs up until this date, as component availability permits.

END OF LIFE NOTICE: PAX D190

PAX offers a new and innovative alternative to the D190 – the **D195**. This cutting-edge device, powered by Nexiums, is a portable MiniPOS solution that meets today's most stringent PCI security standards. It is ideal for retail, food and beverage, transportation, and more. Get additional information [here](#).

We encourage and recommend that all our valued partners and customers initiate plans to migrate your end-of-life products and applications to a new PAX product.

Please feel free to contact your local salesperson, or email ask@pax.us for additional information.

Thank you,

Matthew Halawa
Vice President, Marketing
