vegware™
packaging made from plants

CATALOG | EDITION 9

Plant-based & compostable | Quality & innovation | Environmental expertise

At Vegware, we envision a world wh renewable materials are the norm

Our smart compostable packaging delivers a great user experience and can minimise waste.

Composting is nature's own recycling where leftover food is an ingredient, not contamination.

Vegware's in-house waste experts have been helping our clients Close the Loop since 2011.

HELLO.

Welcome to our latest catalog, full of innovative packaging for takeaway and delivery. Browse our range of 200+ plant-based catering disposables, all designed for commercial composting with food waste where accepted.

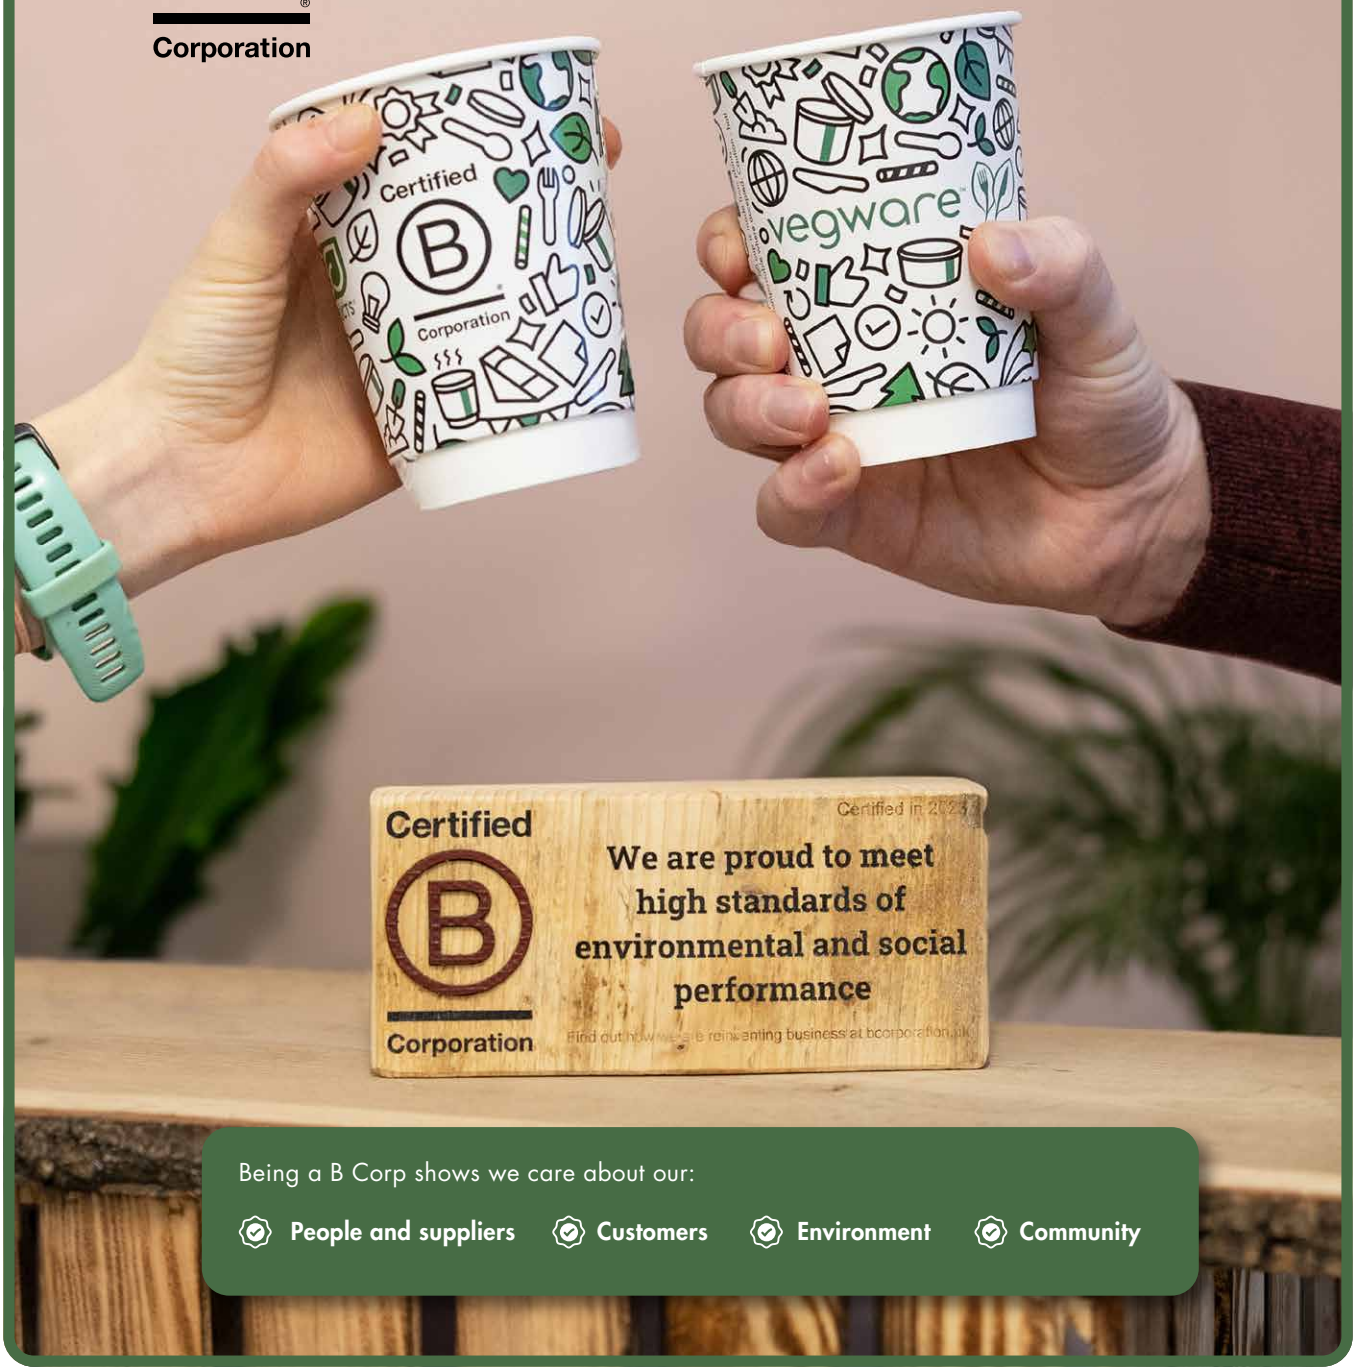
WE'RE A B CORP™

Being a B Corp means being a business that is a force for good.

Vegware is part of a global community of businesses that meet high standards of social and environmental impact.



Being a B Corp shows we care about our:

- **People and suppliers**
- **Customers**
- **Environment**
- **Community**

vegware™

MATERIALS

Our plant-based disposables can break down in under 12 weeks in commercial composting.

Vegware holds the deepest set of compostability certification in the packaging sector. We work with the waste sector to implement composting solutions worldwide.

Vegware.com/composting

PAPER & CARD

Sourced using recycled material where we can.

INKS

Vegetable or water-based, with a great print finish.

PLA & CPLA

Strong & light. Plant-based. Clear PLA for cold use, CPLA for hot.

MOLDED FIBER

Reclaimed natural fiber. Sturdy & practical, for hot and cold use.

WOOD

Renewable birchwood.

WHAT'S NEW?

We develop dozens of new products every year.
Join us at the cutting edge of packaging design.

☆ Look for the stars, highlighting this catalog's new additions.

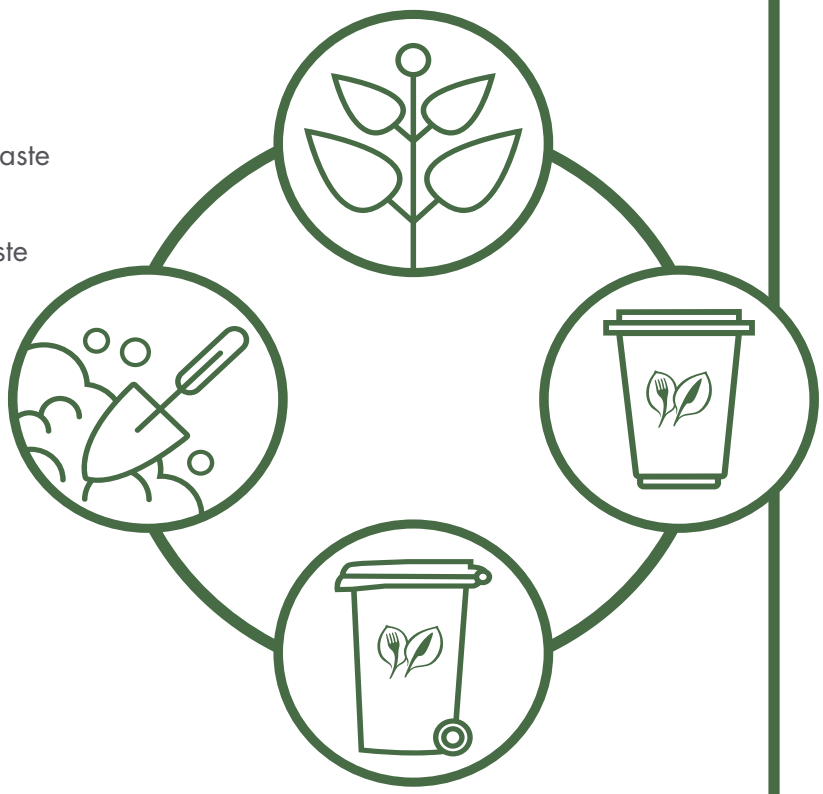
EXPERT ENVIRONMENTAL CONSULTANCY

We go beyond product. Vegware has over a decade of experience delivering food waste recycling solutions.

Our knowledge capital includes:

- localized food and packaging waste collection options
- unrivaled experience in zero waste implementation
- how legislation affects your business



Vegware provides bespoke bin signs, communication materials and on-going support throughout the transition to zero waste.

KEEN TO COMPOST?

BRAND SUPPORT

Partnering with Vegware means more than a transaction - it's a collaboration.

We invest in our team, cultivating a culture of excellence to guarantee our clients the finest products, service and compliance in the industry. Here are just some of the things we offer.

EYE-CATCHING IMAGERY

Clients get access to our online asset library complete with images, videos and marketing material.

WEBSITE & SOCIAL MEDIA

We can provide graphics, images and copy for your website and social channels.

CASE STUDIES

Vegware case studies share our clients' composting success stories.

LEGISLATION

We support customers to comply with incoming packaging legislation.
