Plant-based & compostable | Quality & innovation | Environmental expertise

At Vegware, we envision a world where renewable materials are the norm

Our smart compostable packaging delivers a great user experience and can minimise waste.

Composting is nature's own recycling where leftover food is an ingredient, not contamination.

Vegware's in-house waste experts have been helping our clients Close the Loop since 2011.

HELLO.

Welcome to our latest catalogue, full of innovative packaging for takeaway and delivery. Browse our range of 500+ plant-based catering disposables, all designed for commercial composting with food waste where accepted.

A GUIDE TO EDITION 29

Edition 29 of our catalogue has a new look.

As well as a new look and feel, we've added this handy guide to help you select the right products and take your foodservice to the next level. All of our products are designed for industrial composting. These icons indicate additional bonuses.

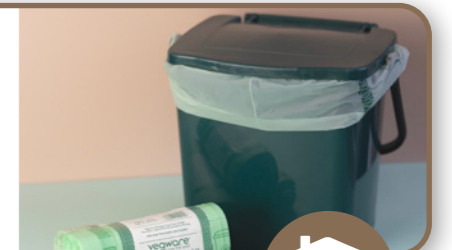

RECYCLABLE (where accepted)

Made from recyclable materials. This icon indicates a Vegware product that has passed a pulpability test replicating how a standard paper mill recycles paper and card. Depending on local infrastructure, may be accepted in recycling – only if dry and clean. Read more at Vegware.com/recycling.

HOME COMPOSTABLE

These products are certified as home compostable.

CUSTOM PRINTABLE

This icon denotes that a product is available for custom print. We can custom print a wide range of our plant-based products. From logos to full artwork, our designers help you showcase your brand. **See page 12 for more.**

WHAT'S NEW?

We develop dozens of new products every year.

VEGWARE CUPS FOR EUROPEAN CLIENTS

In Europe, Northern Ireland, Norway and Iceland

To comply with the EU Single Use Plastics Directive, cups must have the official text in the language where it will be used. Find out more at vegware.com/SUPD or scan here:

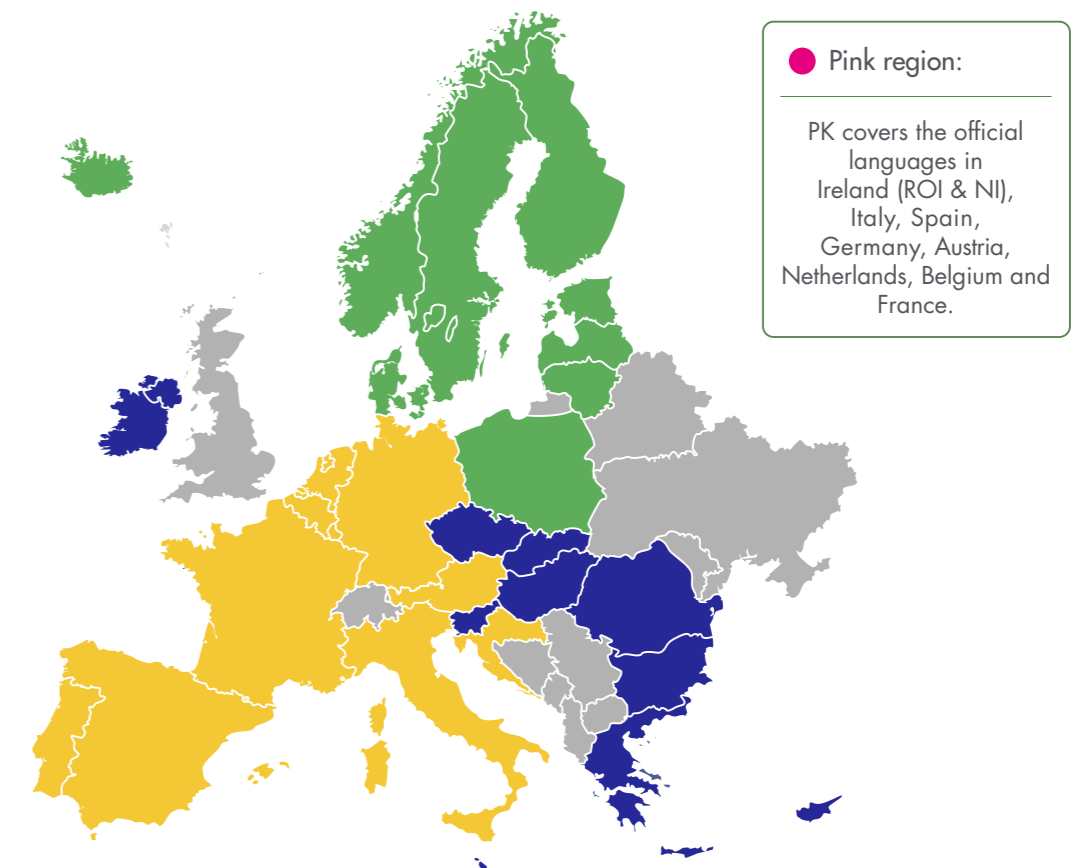

Our European cup designs feature:

- ✓ QR code linking to sustainability info about Vegware's plant-based and compostable products, in all EU languages
- ✓ Compostability certification logo
- ✓ EU-compliant turtle graphic and text

CHOOSING YOUR REGION
