

Product name 70 litre completely compostable sack, roll 20

Product code VBS-70

Product description

Certified compostable food waste sack - the only way to truly Close the Loop. Breathable film keeps food waste cooler and drier, reducing odour. Proven barrier to bacteria, viruses, spores, and mould. Lines your bin, reducing the need for washing. 70 litre sack ideal for lighter bins containing used Vegware, rather than pure food waste. Made responsibly in Europe from Mater-Bi, a plant material made from vegetable oils and thistle starch. Pale green with Vegware print. Transparent when wet, so waste sector can see contents. Award-winning quality by Vegware, made from plants. Designed for home or industrial [composting](#).
