# Specify Hospitality Doors with Confidence

Order samples at: [forteopenings.com/samples](https://forteopenings.com/samples)

The best hotels feel like a home away from home. Guests expect clean, safe and peaceful environments. Our doors achieve this goal by offering a mix of visual appeal, safety and comfort to create a successful stay — every time. Hospitality environments exceed goals by providing positive guest experiences.

Acoustically sound to ensure quiet guestrooms	Built strong to keep guests safe
Durable surfaces that stand up to high traffic	Beautiful finishes that are hard to forget

## PERFORMANCE SOLUTIONS

- **Fire-Rated** — Meets life safety building codes to protect guests, employees and visitors. Available in 20/45/60/90 minute ratings
- **Acoustic (STC) Rated 30 to 46** — Increases privacy and reduces noise to meet codes and guidelines
- **Factory Finish Paints and Stains** — Clear, Stain or Paint with UV coat for highly durable finish
- **Choice of Laminates** — High Pressure Decorative Laminates (HPDL)
- **Factory Installed Glass and Mirror (surface applied or flush mirror)** — Meets building codes and standards
- **Environmental Attributes** — Contributes towards sustainable building codes and standards
- **Performance Measurement** — ANSI/WDMA/AWI/AWMAC
