

Wicket Door Options

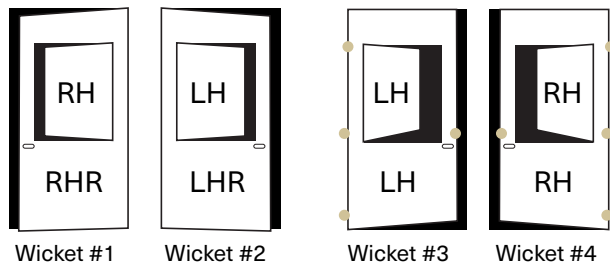

Selection of wicket doors has just been simplified. Now you have common swing combinations to pick from, see the illustrations below and order by Wicket #.

Core: Structural Composite Lumber Core (SCL)

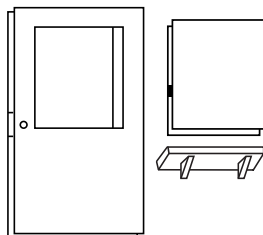

Face: Wood Veneer, PLAM, MDO

Edges: (wicket)-Wood Veneer (veneered), PLAM/Laminate (PLAM, Impact), MDO (hardwood)

Sizes: Standard and Oversized, 1 3/4" thick

Wicket Door Features

EXTRAS TO SPECIFY IF REQUIRED:

- Up to 12" shelf with 4" outside corner radiuses, 1 1/8" thick and 4"x5" brackets
- Shelf and wood brackets are shipped loose, not predrilled

NOTES:

Bevels or rabbets are allowed on the small door, a surfaced mounted astragal is recommended to create a stop for the small door. The knob or lever for the small door can go on either side of the wicket.

Minimum 7" stile dimensions on the larger door.

Multiple hinge options available on smaller door; soss, butt, continuous.

A warranty is not available on wicket doors.
