Surrender value will not be less than the minimum value required by your state. Terminal Illness and Nursing Home waivers may not be available in all states. Apex MYGA® has age eligibility requirements, minimum premium amounts, systematic withdrawal limits, and qualifying requirements for waiver of withdrawal, and surrender charges. For more details, including limitations and exclusions, ask your financial professional or refer to the Apex MYGA® contract.

There is no additional tax benefit to purchasing an annuity within a qualified retirement plan. If you choose to purchase an annuity in a qualified retirement plan, you should do so for reasons other than tax deferral, such as the features and benefits of the annuity.
