

Total Property Solutions

Managing your property claims from start to finish while delivering superior services and unmatched results

Crawford provides a comprehensive, accurate end-to-end property claims solution to handle any claim regardless of the size, volume or complexity. Our licensed adjusters provide industry-leading, innovative approaches to inspections, evaluations and claim settlements, all with exceptional customer service.

Crawford processed over 50,000 commercial property claims with a gross loss value of \$4 billion in 2019.

RESOURCES

Our Professional Team

400+ property experts on staff

Management, adjusters, and support staff with technical experience.
Scalable to meet any-sized client need or CAT event.

5K W2 catastrophe adjusters

Experienced roster of managed W2 employees designated for commercial property loss assignments. Centralized intake, prompt handling, and adherence to client requirements.

5K commercial contractors

Access to trusted full-service commercial contractors nationwide. Strictly credentialed specialists who stand by the quality of the work with a 5-year workmanship guarantee. Reduction in claim cycle time and potential business interruption.

45K+ on-demand resources

From self-service to global resources, our on-demand service is available to capture and collect data and photos of loss whenever, wherever.

Desk Adjusting Capabilities

Our team of desk adjusters is ready to serve you. We can handle claims from FNOL to full resolution or any piece along the way. And depending on your needs, we can designate adjusters to handle your claims or set up a dedicated team of desk adjusters to work solely on your program.

Working with our team provides a variable cost model. You can leverage our team and services as you need us. Should there be a large surge in your property claims, we have trained and licenced adjusters ready, so that we can rapidly scale to handle the increased volume.

No matter the size, scale or complexity of your claim, our goal is to mitigate losses and get your insured back to business as quickly as possible.
