

Content Claims Made Easy

edjuster is your source for property contents insurance services. We provide customizable, end-to-end solutions for all types and sizes of contents claims. Our team spans across the United States, so wherever and whenever you need us, we're there.

Our Fully Digital contents field inventory solution provides:

A winning combination of people empowered by technology

- Employed and trained ground workforce covering the entire North American market
- Specialized expertise in major, high-severity loss and damage content claims

Seamless flow of data to exclaim valuation platform

- Mobile-enabled, voice recognition capability with immediate upload functionality to exclaim. No need for transcription services!

Standardized inventory process

- Greater accuracy, faster and detailed item descriptions for increased Like, Kind and Quality (LKQ) valuation matching. Count on more accurate pricing and increased customer satisfaction.

Highly efficient and cost-effective end-to-end process

- Industry leading dispute-free claims settlement track record
- Time spent onsite is reduced by 20%
