

Global Forensic Accounting

Expertise for managing any financial risk claim

Global Technical Services

In complex claims situations, financial impact needs to be measured with the utmost accuracy to ensure the most effective route to recovery. For diversified global corporations, it can be especially challenging to find a provider who can put deeply knowledgeable industry experts right where you need them, when you need them.

That is where Crawford Forensic Accounting Services (CFAS) comes in. We bring together a distinguished team of highly certified and qualified forensic accounting experts, backed by the global reach and broad industry expertise of Crawford Global Technical Services (GTS), the complex loss specialists.

Four factors make CFAS the exceptional forensic accounting provider you can trust.

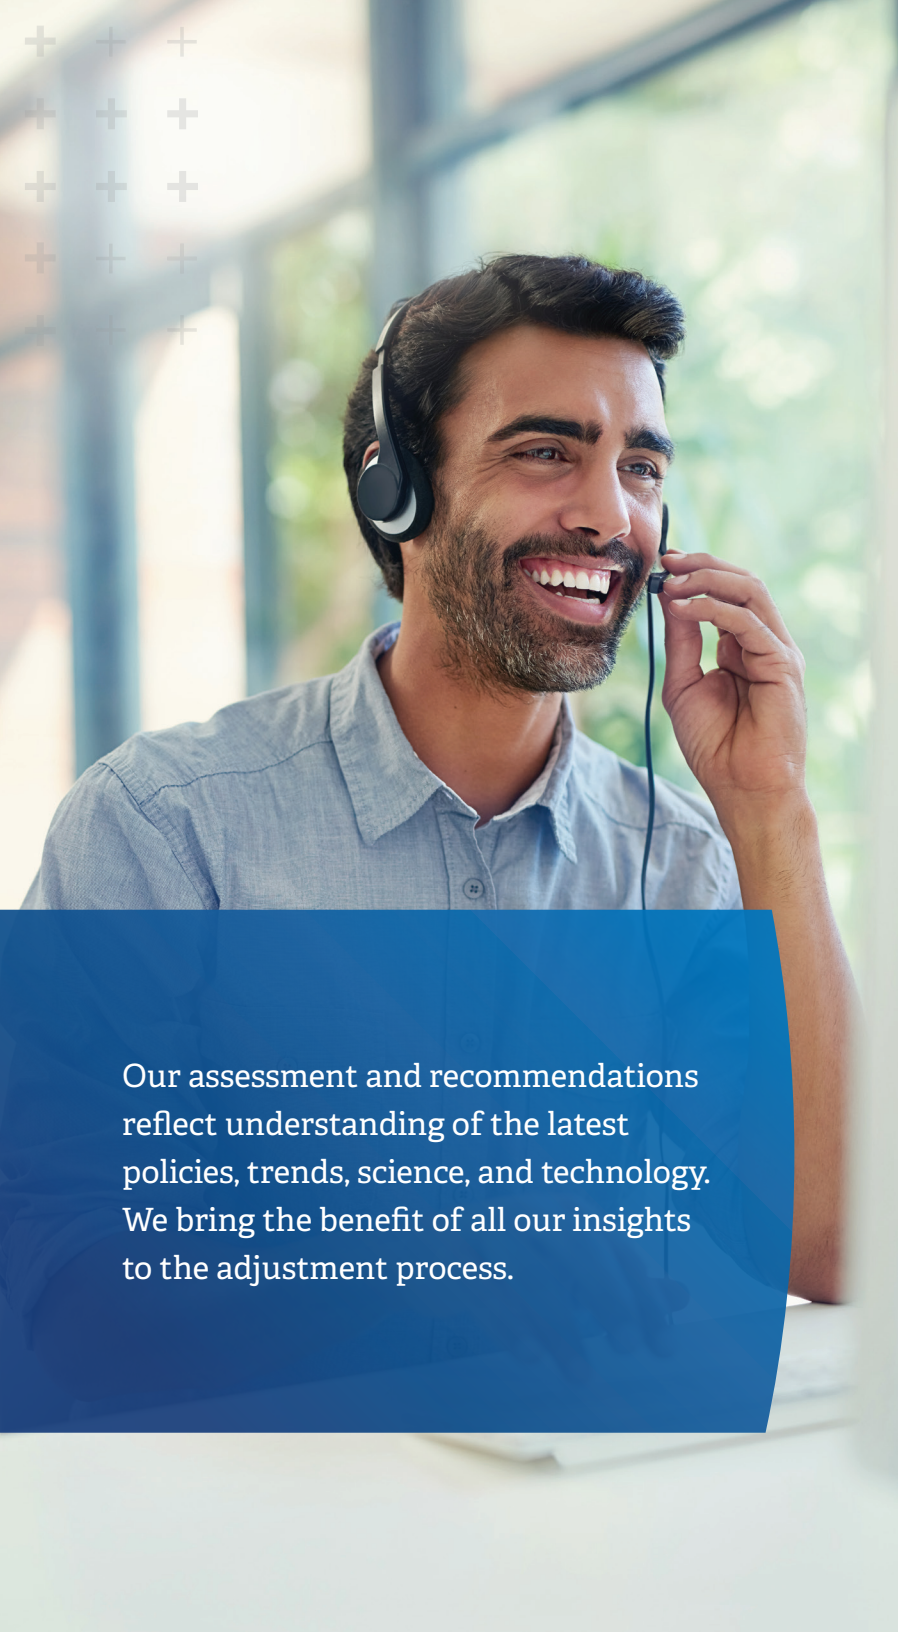

Our accounting bench includes a range of credentials:

- CERTIFIED PUBLIC ACCOUNTANT
- CERTIFIED FINANCIAL FORENSICS
- CERTIFIED FRAUD EXAMINER
- MASTER ANALYST CERTIFICATION
IN FINANCIAL FORENSICS

Insurance Focused

As part of Crawford, CFAS brings insurance industry insider perspective and service via a forensic accounting team with multiple layers of expertise. CFAS consists of professionals with advanced degrees and certifications, allowing us to serve you with the highest level of discipline and professional standards throughout the process.

CFAS consists of deeply tenured insurance-focused professionals experienced at the executive level. We understand the importance of the details and what matters “big picture” to your organization. Our goal is to expedite and advance accuracy in evaluating the factors that contribute to the economic impact of the loss. Together we form a unique and focused business unit, equipped to navigate the forensic complexities of a wide array of insurance claims to provide unparalleled service.

Our assessment and recommendations reflect understanding of the latest policies, trends, science, and technology. We bring the benefit of all our insights to the adjustment process.

Global Reach + Regional Expertise

CFAS has the global footprint and network of Crawford industry experts. You can count on a team that understands the unique traits of loss and recovery, regardless of location or industry.

Industry knowledge

The CFAS team deals with losses in highly specialized areas including:

- BUSINESS INTERRUPTION
- CYBER CLAIMS
- FIDELITY AND FRAUD
- INVENTORY/STOCK
