PROPERTY SUBJECT TO THIS DECLARATION

Section 1. Legal Description. The real property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in the County, and is the property described in **Exhibit "A"**, and such additions as may hereafter be brought within the jurisdiction of the Association and subject to the terms of this Declaration, less the portions thereof dedicated and/or conveyed to other entities.

Section 2. Application of Declaration. The Property shall be held, transferred, sold, conveyed and occupied subject to the terms and conditions of this Declaration, and any and all supplements and lawful amendments hereto and any and all supplements and lawful amendments thereto. By receipt of delivery and acceptance of a deed to any of the Property or other instrument evidencing ownership, whether or not it shall be so expressed in any such deed or other conveyance or adjudication, each Owner hereby agrees to abide by and accept title to such portion of the Property and all terms and provisions of this Declaration. The filing of this Declaration and subjecting the Property to the covenants, conditions, restrictions, reservations, easements, liens and charges contained herein shall not be construed in any way as inhibiting or prohibiting the Declarant from conveying the Lots or improvements within the Property to third parties free and clear of any covenants, conditions, restrictions, reservations, easements, liens and charges, except for those specifically provided for in this Declaration. Lots so conveyed by the Declarant to third parties shall be used and held by said third parties in accordance with this Declaration.

Section 3. Additional Property. Additional property may become subject to this Declaration or be withdrawn from the terms of this Declaration in the following manner:

(a) Annexation Without Approval of Class "A" Membership. As the owner *thereof, or if not the owner, with the consent of the owner thereof, Declarant shall have the* unilateral right, privilege and option, from time to time at any time to annex, subject to the provisions of this Declaration and the jurisdiction of the Association, all or any portion of the real property described in a Supplemental Declaration. Such Supplemental Declaration shall not require the consent of the Members. Any such annexation shall be effective upon the filing of record of such Supplemental Declaration unless otherwise provided therein. Declarant shall have the unilateral right to transfer to any other person said right, privilege and option to annex additional property which is herein reserved to Declarant, provided that such transfer or assignment is memorialized in a written, recorded instrument executed by Declarant. Notwithstanding the foregoing, nothing herein shall be construed as an obligation of Declarant to annex in additional Property to the Community or construct the Community pursuant to the plan of development approved on the date of this Declaration, which may be modified by the Declarant in the future.

(b) Annexation With Approval of Class "A" Membership. Subject to the consent of the owner thereof, after the expiration of the Class B Membership the Association may annex additional real property to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote of not less than sixty-seven (67%) percent of the Class "A" Members of the Association. Annexation shall be accomplished by filing of record in the public records of the County, a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by an authorized officer of the Association, and by the owner of the property being annexed, and any such annexation shall be effective upon filing unless otherwise provided therein. The relevant provisions of the Bylaws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section and to ascertain the presence of a quorum at such meeting.

(c) Acquisition of Additional Common Area. The Declarant may convey to the Association additional real property, or any interest therein, improved or unimproved, and upon conveyance or dedication to the Association the same shall be accepted by the Association and thereafter shall be maintained by the Association at its expense as a Common Area for the benefit of all of its Members. Annexation of additional property or future development phases of the Community, if annexed herein, may result in additional Common Areas being owned and maintained by the Association and conveyance of Common Areas therein shall not require the *consent of any other Owner or Builder.*

(d) Withdrawal of Property. Declarant shall be entitled to withdraw portions of the Property owned by Declarant from the terms and conditions of this Declaration, subject to the terms and conditions of this Section. For purposes of this Declaration, the portion of the Property withdrawn from the terms hereof shall be referred to as the "Withdrawn Property". In order to withdraw such portion of the Property from the terms of this Declaration, Declarant shall record in the Public Records of the County an instrument executed with the formalities of a Deed, which instrument shall make reference to this Declaration, state that the purpose of the instrument is to withdraw the Withdrawn Property from the terms and conditions of this Declaration, and contain a legal description of the Withdrawn Property. Declarant shall have the right to withdraw portions of the Property from the terms and conditions of this Declaration without the joinder, ratification or approval of the Association, any Owner, or any lienholder, provided that Declarant is the fee simple owner of the Withdrawn Property, and provided that the withdrawal of the Withdrawn Property shall not result in a material change to the scheme of development of the Community. Upon the withdrawal of the Withdrawn Property from the terms and conditions of this Declaration, the Withdrawn Property shall no longer be subject to the terms of this Declaration, including all exhibits hereto, or any other covenants, restrictions and/or regulations provided herein or adopted hereunder, except for those easements, rights-of-way, or other portions hereof which, by their terms, specifically survive the termination of this Declaration, which shall include the withdrawal of such lands from the terms and conditions of this Declaration. Notwithstanding the provisions of this section, Lots which are the subject of a Lot Purchase Agreement between the Declarant and D.R. Horton or another Builder may not be withdrawn from terms and conditions of the Declaration, unless the Lot Purchase Agreement has been terminated or unless D.R. Horton or other Builder consent in writing to withdrawal of the Lot(s).

(e) Amendment. This Article II, Section 3 shall not be amended without the prior written consent of Declarant during the Development Period or so long as the Declarant holds Lots for sale in the ordinary course of business.

ARTICLE III

Every person or entity who is a record Owner of a fee or undivided fee interest in any Lot which is subject to the covenants, conditions, restrictions, reservations, easements, liens and charges, of this Declaration, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities that hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership for each Lot owned. Membership shall be appurtenant to a Lot and may not be separated from ownership of the Lot. Ownership of a Lot shall be the sole qualification for membership. The Owner of record of each Lot shall be subject to assessment by the Association, as hereinafter provided, and shall be subject to enforcement by the Association in accordance with the terms and provisions of this Declaration.

ARTICLE IV

VOTING RIGHTS

The Association shall have two (2) classes of voting membership:

Class A. Class A Members shall be those Owners defined in Article III with the exception of the Declarant until the expiration of the Class B Membership. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership by Article III. When more than one (1) person or entity holds such interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised in accordance with the Bylaws.

Class B. The Class B Member shall be the Declarant, its successors and assigns. The Class B member shall be entitled to five (5) votes for each Class A Member vote, provided that the Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earlier, unless or as otherwise required by Florida law:

- (a) Three months after ninety (90%) percent of the Lots have been conveyed to third-party purchasers, other than Builders. This event shall not be deemed to have occurred based on Lots conveyed to a person or entity who becomes a successor Declarant by assignment; or
- (b) Thirty (30) days after Declarant elects to terminate the Class B Membership; or
- (c) As otherwise required by Florida law.

Upon the conversion of the Class B membership to Class A membership, the Declarant shall be entitled to one vote for each Lot they own in the same manner as all other Class A Members.

ARTICLE V

The Declarant shall be the sole judge of the composition of any Common Area improvements constructed by the Declarant. The Declarant shall have the right to use and access Common Areas without interference from any Owner or any other person or entity whatsoever. Owners shall have no right in or to any Common Areas referred to in this Declaration unless and until the same are actually constructed, completed, and conveyed or dedicated to the Association. Prior to the expiration of the Development Period, the Declarant reserves the absolute right, on behalf of itself and its assigns and designees, to add to, delete from, or modify any of the Common Areas referred to herein at its sole discretion without notice. The Declarant is not obligated to and has not represented that it will, construct any Common Area improvements.

Section 2. Paramount Right of Declarant. Notwithstanding anything to the contrary herein, prior to completion of the Development Period, the Declarant shall have the paramount right to dedicate, transfer, and/or convey (by absolute conveyance, easement, or otherwise) portions of the Property for various public purposes or for the provision of telecommunication systems, or to make any portions of the Property part of the Common Areas, or to create and implement a special taxing district which may include all or any portion of the Property. SALES BROCHURES, SITE PLANS, AND MARKETING MATERIALS ARE CURRENT CONCEPTUAL REPRESENTATIONS AS TO WHAT IMPROVEMENTS, IF ANY, WILL BE INCLUDED WITHIN THE COMMON AREAS. THE DECLARANT SPECIFICALLY RESERVES THE RIGHT TO CHANGE THE LAYOUT, COMPOSITION, AND DESIGN OF ANY AND ALL COMMON AREAS, AT ANY TIME, WITHOUT NOTICE AND AT ITS SOLE DISCRETION. The Declarant is the sole judge of the Common Area improvements constructed by the Declarant, including the plans, specifications, design, location, completion schedule, materials, size, and contents of the facilities, improvements, appurtenances, personal property, color, textures, finishes or changes or modifications to any of them.

Section 3. Use of Common Areas by Declarant. Until completion of the Development Period, the Declarant shall have the right to use any portion of the Common Areas, without charge, for any purpose deemed appropriate by the Declarant.

Section 4. Membership Easements of Enjoyment. Every Member shall have a right and easement of enjoyment in and to the non-exclusive use of Common Area, and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) The right of the Association, in accordance with its Articles of Incorporation and Bylaws, to borrow money for the purpose of improving the Common Area, and in aid thereof, to mortgage said Common Area, provided, the rights of such mortgagee in said Common Area shall be subordinate to the rights of the Owners hereunder. The right to mortgage the Common Area provided herein shall not become effective until a Home has been constructed upon each

Lot within the Property and each Lot has been conveyed from the Declarant to a purchaser. No such rights to mortgage shall be effective unless approved by a vote of two-thirds (2/3) of the Members at a duly noticed meeting for the purpose of approving such mortgage;

(b) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes, and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless approved by a vote of two-thirds (2/3) of the Members at a duly noticed meeting and the vote of the Class B membership, if any, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Member not less than thirty (30) days nor more than sixty (60) days in advance of the duly called meeting at which the vote on such dedication or transfer is held;

Thus, to obtain access to certain Common Area for which access cannot be obtained from the Owner's or Member's Lot, other Common Area or publicly dedicated streets or properties, the Owner or Member shall need to obtain the permission of a Lot Owner whose Lot is contiguous to said Common Area. The fact that a Member or Owner shall not have access to certain Common Area from his or her Lot, Common Area or publicly dedicated streets or properties does not allow an Owner to avoid liability for assessments provided for in Article VI of this Declaration; and

(i) The other provisions of this Declaration, the Articles and Bylaws.

Section 2. Common Area.

(a) Ownership. The Declarant hereby represents that the fee simple title to the Common Area has been or will be conveyed to the Association and the Association shall maintain the Common Area. In addition, any easement granted in favor of the Association shall be maintained by the Association in accordance with the terms of any such grant or dedication as if such easements were Common Areas; provided, however, the use and enjoyment of such easements shall be limited to the purpose for which they were intended. The Association shall be obligated to accept conveyance of any Common Areas or grants of easements from the Declarant or third parties as deemed necessary or advisable by the Declarant. The Association shall have the right to promulgate rules and regulations for the use of Common Areas and such restrictions shall be enforceable against all Owners and their guests, tenants and invitees.

(b) Maintenance. The Association shall be responsible for the maintenance of the Common Areas in a continuous and satisfactory manner in good order, condition, and repair. The Association shall be authorized, *but not required, to provide other services and to make emergency repairs and* perform other work on Lots reasonably necessary for the proper maintenance and operation of the Community and shall have easement rights necessary to perform same. All work pursuant to this Section and all expenses hereunder shall be paid for by the Association through Assessments as provided in this Declaration; provided, however, that the cost of any maintenance, repair or replacement caused by the negligent conduct of an Owner or its guest, tenants or other invitees or by the failure of an Owner to comply with the lawfully adopted rules and regulations of the Association shall be levied as an Individual Assessment against such Owner individually. No Owner may waive or otherwise escape liability for the assessments for such maintenance by non-use of the Common Areas or abandonment of his right to use the Common Areas.

(c) Optional Services. The Association shall be authorized, but not required, to provide other services, such as installation and maintenance of entry features, the employment of stationary or patrolling guards within the Community, party wall or other services for maintenance or repair of the townhome structures, and performing emergency repairs and other work on Lots reasonably necessary for the proper maintenance and operation of the Community, including, but not limited to party wall repairs, and shall have easement rights necessary to perform same. All work pursuant to this Section and all expenses hereunder shall be paid for by the Association through Assessments as provided in this Declaration; provided, however, that the cost of any maintenance, repair or replacement caused by the negligent conduct of an Owner or its guest, tenants or other invitees or by the *failure of an Owner to comply with the lawfully adopted rules and regulations of the* Association shall be levied as an Individual Assessment against such Owner individually. No Owner may waive or otherwise escape liability for the Assessments for such maintenance by non-use of the Common Areas or abandonment of his right to use the Common Areas.

(d) Rules and Regulations. The Association, through its Board of Directors, may make and enforce reasonable Rules governing the Common Areas, which rules and regulations shall be consistent with the rights and duties established by this Declaration. The Board of Directors shall, in addition, have the power to seek relief in any court for violations or to abate nuisances, for which the prevailing party is to be awarded prevailing party attorneys' fees. Imposition of sanctions shall be as provided herein and in the Bylaws of the Association.

Section 3. Declarant's Reserved Rights. Notwithstanding any provision herein to the contrary, the property rights under this Article V shall be subject to:

(a) The right of Declarant, and Developer as applicable, to execute all documents and take such actions and do such acts affecting the Property or the Common Area which, in the Declarant's sole discretion, are desirable or necessary to facilitate the Declarant's development, construction, sales and marketing of the Property. However, nothing contained herein shall authorize Declarant to take any action that will diminish the rights of any lienholder or the holder of any mortgage on any Lot or on the Common Area; take any action that will affect title to any of the Lots after conveyance to third parties; or unilaterally change the Declaration, Articles, Bylaws and Rules in violation of the HOA Act, after the Class B Membership has terminated;

(b) Easements of record on the date hereof and any easements which may hereafter be granted by Declarant to any public or private utilities or governmental bodies for the installation and maintenance of cable television, electrical and telephone conduit and lines, sewers or water pipes, or any other utilities or services to any Lots within the Property or any portion of the Common Area or such easements as Declarant may determine are necessary or beneficial for the maintenance or preservation of the Property;

(c) The Declarant and Developer shall have full rights of ingress and egress to and through, and over and about the Property, including all Common Areas, during the Development Period and such additional period of time as Declarant and Developer are engaged in any development, construction or improvement work, sales, leasing or marketing of the Community on or within the Property, and the Declarant and Developer shall further have an easement thereon for the purpose of storage of materials, vehicles, tools, equipment, etc., which are being utilized in such development or construction and for the use and maintenance of signs, banners, and the like being used in connection with the sale or promotion of the Property, or any portion thereof. The Declarant shall further have the right to operate and maintain models, sales centers and leasing offices and to operate and open gates and access to the Community to facilitate sales and marketing of the Community in Declarant's sole and absolute discretion during the Development Period and such additional period of time as Declarant is engaged in any construction or improvement work, sales, leasing or marketing of the Community or within the Property. No Owner, his guests, employees, servants, agents and invitees shall in any way interfere or hamper Declarant or Developer, their agents, servants, employees, invitees, successors or assigns, or Builders, its agents, employees, or invitees in connection with such construction, development, promotion or sales activity;

(d) The Declarant shall have full right to assign any or all of its right, title and interest in the Property, both as Declarant and as a Member of the Association, to another party by the execution and recording of a proper instrument in the Public Records of the County. This provision shall not, however, be construed to allow Declarant to assign a membership in the Association in a transaction separate from ownership of a Lot. Notwithstanding the foregoing, the Declarant, in its sole discretion, shall also have the right to grant a Builder certain rights reserved hereunder to the Declarant for the purpose of constructing Homes in the Community and conducting construction, sales and marketing thereof by executing a partial, non-exclusive assignment of rights in favor of the Builder to be kept in the official records of the Association; and

(e) Notwithstanding anything contained herein to the contrary, neither the Declarant, Developer, nor the Builders, nor the Association make any representation whatsoever as to the commencement, completion or construction of any optional or recreational facilities within or upon the Common Areas. Title to any portion of the Common Areas owned by Declarant may be transferred to the Association at any time, provided that title to all portions of the Common Areas owned by Declarant shall be transferred to the Association no later than the expiration of the Development Period. The transfer of title to any portion of the Common Areas to the Association shall be subject to: (i) all rights of Declarant and other persons set forth in this Declaration; and (ii) any restrictions or limitations contained in the instrument conveying such portion to the Association.

Section 4. No Dedication to Public Use. Nothing contained in this Declaration shall be construed or be deemed to constitute a dedication, express or implied, of any part of the Common Area for use by the public, except for access to and from and throughout the property described in the Plat or any additions thereto for emergency access, law enforcement and persons providing essential services to the Community and its Members.

Section 5. Incorporation of Easements by Reference. Reference in the respective deeds of conveyance, or any mortgage or trust deeds or other evidence of obligation, to the easements and covenants herein described shall be sufficient to create and reserve such easements and covenants to the respective grantees, mortgagees or trustees of said parcels as fully and completely as though said easements and covenants were fully recited and set forth in their entirety in such documents.

Section 6. Surface Water Management. It is acknowledged that the Property is located *within the boundaries of the WMD and that an easement is hereby created over the entire Property* for the surface water drainage and storage, and for the installation and maintenance of the Surface Water and Stormwater Management System for the Property in accordance with the Permit; provided, however that such easement shall be subject to improvements constructed within the Property as permitted by controlling governmental authorities from time to time. The Surface Water and Stormwater Management System shall be operated and maintained by the Association or its agents, in compliance with all approvals, codes and regulations of governmental authorities and the WMD. Such operation and maintenance shall specifically include all utility costs and equipment related to the obligations hereunder. Maintenance of the Surface Water and Stormwater Management System shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the WMD and shall specifically include, but not be limited to, maintenance of aquatic vegetation, lake beds, lake banks, littoral planting and lake maintenance

easements which, pursuant to the terms of this Declaration, are not the responsibility of others, as well as water quality and wetland monitoring or testing. COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments to be Paid to the Association. Except as otherwise provided herein, each Owner of any Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance (including any purchaser at a judicial sale), is deemed to covenant, which covenant shall run with the land and be binding on every such Owner, and agrees to pay to the Association: (1) any regular assessments or charges for the payment of Operating Expenses of the Association (including payment of property taxes which may be assessed against Common Area or any personal property which may in the future be owned by the Association) ("Regular Assessments" or "Annual Assessments"); and (2) any special assessments for improvements, or to fund any deficits between the amount collected for regular assessments in accordance with the annual budget and the amount determined necessary by the Association for the proper management and maintenance of the Common Area, together with other costs and/or expenses of the Association or property of the Association ("Special Assessments"); and (3) any individual assessments or charges incurred by the Association on behalf of one or more Lots but not all Lots ("Individual Assessments"). All such Regular Assessments, Special Assessments and Individual Assessments, collectively referred to as Assessments, shall be fixed, established and collected from time to time as hereinafter provided. The Assessments, together with such interest thereon and costs of collection thereof, including attorney's fees, as hereinafter provided and any applicable late fee imposed by the Board of Directors of the Association, shall be a charge on the Property and shall be a *continuing lien* relating back to the date of recordation of the Declaration upon any Lot against which each such assessment is made, and said lien may be enforced in the same manner in which mortgages are enforced. Each such assessment, together with interest, costs (including applicable late fees), and reasonable attorneys' fees for its collection, including attorneys' fees involved at all appellate levels and whether or not suit is instituted, shall also be the personal obligation of the person or entity who was the Owner of the Lot at the time when the assessment becomes due. Each Owner shall be jointly and severally responsible with the previous Owner for all Assessments due to the Association prior to the transfer of title, without prejudice to any right the present Owner may have to recover any amounts paid by the present Owner from the previous Owner.

Section 2. Purpose of Assessments. The Assessments to be levied by the Association shall be used for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Property and shall specifically include, but not be limited to: payment of all water or utility charges for the Lots and/or Common Area billed through the master meter (if any) or to the Association; any fees due under a bulk service agreement entered into on behalf of the Owners by the Association or Declarant; the maintenance of the Common Area and any improvements or equipment maintained by the Association; the payment of taxes, if any, for the Common Area; insurance for the Common Area and as required under the HOA Act or pursuant to the Governing Documents for the Association; payment for the improvement and maintenance of the Common Area; and services and

facilities related to the administration of the association and the use and enjoyment of the Common Area. Special Assessments shall be used to fund capital improvements, deficits in the collection of Regular Assessments to cover operating expenses of the Association, and other purposes deemed necessary by a majority vote of Owners of the Association as set forth in Section 5 hereof. Individual Assessments shall be for the costs incurred by the Association which by nature are applicable only to one or more Lots, but less than all Lots. By way of example and not limitation, in the event an Owner fails to maintain their Lot in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents, shall be an Individual Assessment charged against the Lot.

Section 3. Basis of Annual Assessments. For the initial year of operation of the Association, the monthly Assessment shall be the amount as set forth in the estimated operating budget of the Association for the initial year of operation. From and after January of the next operating year, the Annual Assessment shall be determined in accordance with the Articles of Incorporation and Bylaws of the Association taking into account current maintenance costs and future needs of the Association. Each Owner acknowledges the Association is responsible for the repair and maintenance of capital improvements that may result in a Special Assessment due to reserves not being collected. Reserve accounts are not initially provided for herein by the Declarant; however, the Members of the Association may elect to collect reserves after the expiration of the Class B Membership upon the affirmative approval of a majority of the total voting interests of the Association obtained by a vote of the Members at a duly called meeting of the membership or by the written consent of a majority of the total voting interests of the Association. The approval action of the membership must state that reserve accounts shall be provided for in the budget and must designate the components for which the reserve accounts are to be established. Upon approval by the membership, the Board of Directors shall include the required reserve accounts in the budget in the next fiscal year following the approval and each year thereafter. Once reserves are established as provided in this subsection, the reserve accounts must be maintained with the collection of the Annual Assessments or have their funding waived in the manner provided by the HOA Act. Notwithstanding the same, Builders are exempt from reserve funding obligations for each Lot owned by the Builder during the period of time prior to sale of the Lot to a third-party who is not a Builder or Declarant, and the Declarant is exempt from reserve funding obligations for the Lots Declarant owns so long as Declarant is funding any deficits in operating costs pursuant to Section 12 herein.

Section 4. Uniform Rate of Assessment. Unless otherwise provided for herein, both Annual and Special Assessments must be fixed at a uniform rate for all Lots with a Home and may be collected on an annual, quarterly or monthly basis or at any other interval as determined by the Board of Directors. Payments of all Assessments will be made directly to the Association or its designated management company and in no instance shall any mortgagees have the obligation to collect Assessments.

Section 5. Special Assessment for Capital Improvements. In addition to the Annual Assessment authorized above, the Association may levy in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the

cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, or to cover deficits in the collection of Regular Assessments to cover Operating Expenses of the Association; PROVIDED that any such Special Assessments shall have the assent of a majority of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than 15 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting.

Section 6. Quorum for Any Action Authorized Under Section 5. At each meeting called, as provided in Section 5 hereof, the presence at the meeting of Members or of proxies entitled to cast thirty percent (30%) of the total voting interests shall constitute a quorum. If the required quorum is not forthcoming at any meeting, one additional meeting may be called, subject to the notice requirements set forth in Section 5 and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The Annual Assessments provided for herein shall commence as to each Lot on the conveyance of the Lot improved with a Home by the Declarant or a Builder to a third-party purchaser. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the Annual Assessment against each Home at least thirty (30) days in advance of each Annual Assessment period. Written notice of the Annual Assessment shall be sent to every Owner subject thereto together with the due date of such Assessments established by the Board of Directors. The Board of Directors may institute late payment fees and interest in accordance with the HOA Act for delinquent payment of Assessments. The Association shall upon demand and as required by the HOA Act furnish an estoppel certificate in writing signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A reasonable charge may be made by the Board or its agent for the issuance of these certificates.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any Assessments which are not paid when due shall be delinquent. If the Assessment is not paid within ten (10) days (or such other period of time established by the Board of Directors) after the due date, an administrative late fee of the greater of Twenty-Five and no/100 Dollars (\$25.00) or 5% of the amount of the installment that is past due, together with interest in an amount equal to the maximum rate per annum allowable by law beginning from the due date until paid in full may be levied. The Association, acting through its Board of Directors, may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot to which the Assessment is levied, and interest, costs and reasonable attorneys' fees, including at all appellate levels and whether or not suit is instituted, in collection or enforcement shall be added to the amount of such Assessment. Additionally, the Board of Directors of the Association may at its discretion accelerate the Assessments then due from a delinquent Owner for the next twelve (12) months. The Association may also notify any mortgagees or lenders of Owner, any co-borrowers and/or guarantor(s) without recourse to Declarant and/or the Association of delinquencies in the payment of Assessments. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his or her Lot. All payments on accounts

shall be first applied to fines levied in accordance with the terms of the Declaration, interest accrued by the Association, then to any administrative late fees, then to collection costs and attorney fees, and then to the delinquent Assessments. The allocation of payments described herein shall apply notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment. Additionally, if a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. So long as the Owner remains delinquent, future rent payments due to the Owner may be collected by the Association and shall be credited to the monetary obligations of the Owner to the Association. If within fourteen (14) days from written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive credit for the prepaid rent for the applicable period of such prepaid rent.

Section 9. Individual Assessment Against a Particular Owner of Lot. In the event an Owner of any Lot in the Property shall fail to maintain the premises and the improvements situated thereon in accordance with the terms and conditions of the Governing Documents and any promulgated Rules in a manner satisfactory to the Board of Directors to a minimum standard of consistency with the general appearance of the Property as initially constructed and improved by the Declarant (taking into account normal wear and tear and exposure to normal exterior conditions, but not to the point of unsightliness), the Association, after approval by a majority of the Board of Directors, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot, and the exterior of the buildings and any other improvements erected thereon. The costs of such exterior maintenance performed on behalf of the Lot Owner by the Association may be assessed to the Lot as an Individual Assessment; and said Individual Assessment shall be enforced in the same manner as provided for in Section 8. In addition, in the event any Owner, its guests, tenants or invitees cause any damage to the Common Areas, including recreation facilities, landscaping, irrigation, sidewalks, or Surface or Storm Water Management Systems such Owner shall be responsible for the cost of any repairs required to correct such damage and the cost thereof may be assessed to the Lot Owner as an Individual Assessment.

Section 10. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be superior to all other liens except tax liens and the liens of any bona fide Institutional First Mortgage to an Institutional First Mortgagee recorded prior to any lien for Assessments by the Association; provided, however, that said mortgage liens are first liens against the property encumbered thereby, subject only to tax liens, and secure indebtednesses payable in monthly, quarterly or annual payments over a period of not less than ten (10) years.

Section 11. Exempt Property. The following Property subject to this Declaration shall be exempt from the Assessments created herein: (a) any portion of the Property dedicated to and accepted by a local public authority; (b) the Common Area; (c) any portion of the Property which is designated and/or reserved for easements; and (d) any portion of the Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Florida; however, no land or improvements devoted to dwelling use shall be exempt from said Assessments. In addition, Lots owned by the Declarant may be exempt from payment of Assessments during any period of time that Declarant is funding deficits in operating expenses in accordance with Section 12 hereof and Lots owned by Builders prior

to conveyance of the Lots to third-parties are exempt from an obligation to pay Annual, Special or Individual Assessments.

Section 12. Declarant's Right to Fund Deficits in Operating Expenses. Notwithstanding any provision that may be contained to the contrary in this Declaration, for as long as Declarant is in control of the Association, the Declarant shall not be liable for Assessments against such Lots owned by the Declarant, provided that the Declarant funds any deficit in operating expenses exclusive of reserves, cost of capital improvements, and non-budgeted repairs or replacement, as specified in Section 720.308(1)(b), Florida Statutes. For the purposes hereof, a deficit shall be computed by subtraction from said Operating Expenses (exclusive of the items described in the foregoing sentence) all Assessments, contributions, income and other sums and income received or receivable by the Association during the deficit funding period. The deficit, if any, to be paid by Declarant pursuant to this Section shall be determined by looking at the period of deficit funding as a whole, without regard to quarterly, annual or any other accounting or fiscal periods and without regard to intraperiod allocations. The Declarant may at any time commence to pay Assessments on the Lots that it owns and thereby automatically terminate its obligations to fund a deficit in the Operating Expenses of the Association, or any time or from time to time elect again to fund deficits as aforesaid. When all Lots within the Property are sold and conveyed to purchasers, the Declarant shall have no further liability of any kind to the Association for the payment of Assessments or deficits other than those that arose to prior to such time. Should Declarant, in its sole discretion, elect to fund cash shortfalls caused by delinquencies or other matters which would not otherwise require deficit funds from the Declarant, such funds shall be considered a loan to the Association to be paid back to the Declarant by the Association upon turnover. *The Declarant's rights under this Section 12 shall not be construed as a guarantee of Assessments under Section 720.308(2), Florida Statutes.*

13. Surface Water and Stormwater Management System. The Association will be responsible for assessing and collecting fees for the operation, maintenance, and, if necessary, replacement of the Surface Water and Stormwater Management System which is part of the Common Area or owned and operated by the Association. Fees shall be assessed and collected through Assessments or Lot tax bills. In the event the Community contains on-site wetland mitigation requiring monitoring and maintenance, the Association should budget and collect sufficient funds for the monitoring and maintenance of the mitigation areas in accordance with the Permit.

ARTICLE VII

WORKING FUND CONTRIBUTION

Section 1. Working Fund Contribution on Sale by Declarant. At the time of a conveyance of a Lot and Home by the Declarant or a Builder to a third-party purchaser, other than a Builder and other than to a subsidiary or affiliate of Declarant or Builder, each third-party purchaser, excepting Builders, shall pay to the Association the amount of \$200.00 as a contribution to working capital. These monies (hereinafter called "**Working Fund Contribution**") shall be the Association's property and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and Bylaws. The

Working Fund Contribution shall be deemed ordinary Association income, may be applied to offset Operating Expenses both during and after the deficit funding period, and need not be separated from or held or applied differently than Assessments. No refund of a Working Fund Contribution will be made on re-sale. Notwithstanding the foregoing, the Declarant may elect, in its sole discretion to waive the Working Fund Contribution on the initial sale of a Lot.

Section 2. Working Fund Contribution on Sale by Owner Other Than Declarant. At the time of a conveyance of a Lot pursuant to a sale by an Owner other than Declarant or Builder and other than to a subsidiary or affiliate of Declarant or Builder each purchaser shall pay to the Association the amount of \$200.00 at the time of the conveyance as a Working Fund Contribution. The amount of the resale Working Fund Contribution shall be subject to change from time to time by the Board of the Association. These monies shall be the Association's property and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and Bylaws. The Working Fund Contribution shall be deemed ordinary Association income, may be applied to offset Operating Expenses both during and after the deficit funding period, and need not be separated from or held or applied differently than Assessments. No refund of a Working Fund Contribution will be made on re-sale.

ARTICLE VIII

ARCHITECTURAL CONTROL

Section 1. Review of Proposed Construction. Subject to Section 2 below and requirements of the Declaration, no improvement or alteration of any kind, including, but not limited to, a fence, wall or other addition, structure, or equipment (including exterior paint, roofing, landscaping, antennas, awnings, and shutters) shall be installed, painted, erected, removed or maintained within the Property, until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to, and approved in writing by, a majority of the Board of Directors of the Association and, if required, the ARC (hereafter defined) of the Association. The Board of Directors of the Association shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of the Property and that the appearance of any improvement or other structure affected thereby will be in harmony with surrounding structures and improvements (or the surrounding area contemplated by Declarant, if within the Development Period) and it otherwise desirable. The Board of Directors of the Association may condition its approval of proposals and plans and specifications as it deems appropriate and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Board of Directors of the Association may also issue rules or guidelines setting forth procedures for the submission of plans for approval. The Board of Directors of the Association may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Until receipt by the Board of Directors of the Association of any required plans and specifications, the Board of Directors of the Association may postpone review of any plans submitted for approval. The Board of Directors of the Association shall have forty-five (45) days after delivery of all required materials to approve or reject any such plans. If an Owner's plans are not approved within such 45-day period, said plans shall be deemed not approved; provided,

however, if the Owner resubmits the plans and the Owner's plan are still not approved 45 days thereafter, the plans shall be deemed approved. All changes and alterations shall be subject independently to all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees. Any alteration or modification to the location and/or placement of exterior walls of any Home shall be further conditioned on compliance with the County ordinances and the obtaining of applicable governmental approvals, if any.

Section 2. No Waiver of Future Approvals. The approval of the Board of Directors of the Association of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Board of Directors of the Association, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whether subsequently or additionally submitted for approval or consent.

Section 3. Liability of the Board of Directors of the Association. No member of the Board of Directors of the Association (or ARC Members or Declarant) shall be liable to any Owner or other person by reason of mistake in judgment, failure to point out deficiencies in plans, or any other act or omission in connection with the approval of any plans. Any Owner submitting plans hereunder by the submitting of same, agrees (i) not to seek any damages or make any claim arising out of approval or non-approval of plans hereunder, and (ii) to indemnify and hold the Board of Directors of the Association, the Association, ARC Members and Declarant harmless from any cost, claim, damage, expense or liability whatsoever, including attorneys' fees and costs at all tribunal and appellate levels (and whether or not suit is instituted), arising out of the approval or non-approval of any plans regardless of the negligence of the committee members, their representatives, or appointing entity.

Section 4. Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon the completion of any work for which approved plans are required hereunder the applicant for such approval ("Applicant") shall give written notice of completion to the Board of Directors of the Association.

(b) Within thirty (30) days thereafter, the Board of Directors of the Association (or its duly authorized representative) may inspect such completed work. If the Board of Directors of the Association finds that such work was not affected in substantial compliance with the approved plans, it shall notify the Applicant in writing of such noncompliance within such thirty (30) day period, specifying the particulars of noncompliance, and shall require the Applicant to remedy the same.

(c) If an Applicant is notified of any noncompliance, the Applicant shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board of Directors' ruling. If Applicant does not comply with the Board of Directors of the Association ruling within such period, the Board of Directors, at its option, may either remove the noncomplying improvement or remedy the noncompliance (an easement therefore being hereby created), and Applicant shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. This amount, together with interest thereon at the rate of eighteen (18%) percent per annum from the date the noncompliance was to have been

remedied or removed, the maximum late fee allowed under Florida Statutes for each month that a violation exists if payment is not made within thirty (30) days after announcement, and all costs and reasonable attorneys' fees incurred by the Association in collection, enforcement or abatement, as appropriate (including attorneys' fees incurred at all appellate levels and whether or not suit is instituted) shall be a personal obligation of Owner and shall not pass to the successors in title of Owner unless expressly assumed by such successors. Such amount (including interest, costs, late fees and attorneys' fees as provided above) shall also be a *continuing lien* and run with the land on the Owner's Property if not paid within thirty (30) days after notice enforceable in the same manner in which mortgages are enforced by foreclosure, or by bringing an action at law or equity against the Owner.

(d) If for any reason the Board of Directors of the Association fails to notify the Applicant of any noncompliance within forty-five (45) days after receipt of written notice of completion from the Applicant, the improvement shall be deemed to have been made in accordance with the approved plans.

Section 5. Variances. The Board of Directors of the Association may authorize variances from compliance with any of the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Such variance must be evidenced in writing and must be signed by at least two (2) members of the Board of Directors of the Association. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the Lot and Home, including, but not limited to, zoning ordinances and lot setback lines or requirements imposed by any governmental or municipal authority.

Section 6. Architectural Review Committee. The Board of Directors of the Association may assign all of its responsibilities under Article VIII to an Architectural Review Committee to be appointed by the Board of Directors of the Association (the "ARC"). ARC shall include approval by the Board where an ARC has not been established or where the Board has not assigned such approval authority to the ARC.

Section 7. Declarant's Exemption. Notwithstanding anything to the contrary, this Article does not apply to the Declarant. Notwithstanding anything to contrary, the Declarant shall have the right to approve any of the foregoing for any Builder in lieu of the Association. The Declarant's review and approval of any Builder plans shall be deemed approval of the ARC and the Association and such approval may not be revoked or modified and any modifications of such approved plans shall only require approval of the Declarant. The foregoing shall not act as an exemption to any requirements that apply to the Declarant under the Declaration.

ARTICLE IX

USE RESTRICTIONS

Section 1. Residential Purposes. No Lot shall be used for any purpose except for residential purposes. The occupancy of each Home shall be limited to the maximum number of persons allowable in accordance with Federal Regulations and local ordinances based on the size and configuration of the Home. No building shall be erected, altered, placed or permitted to remain on any Lot other than a Home, related appurtenances, and other structures originally constructed by the Declarant or in accordance with ARC approval.

Section 2. Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, barn, shed or other out-building shall be used on any Lot at any time as a residence or appendage to such residence, either temporary or permanent, except for temporary construction trailers of Declarant.

Section 3. Offensive Activity. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the Community, or any matter which affects the health, safety or welfare of the owners or occupants of the Property, in the Association's reasonable discretion.

Section 4. Animals. No animals of any kind, including but not limited to livestock, swine, poultry, reptiles or insects, shall be kept, maintained, or bred on any Lot or elsewhere within the Property, except for fish in an aquarium and birds in cages maintained in the interior of the Home and not more than a total of four (4) domestic dogs (other than dogs which in the reasonable determination of the Board of Directors or under applicable codes or regulations are determined to be a threat to the safety of the occupants of the Property which shall not be allowed under any circumstances in the Property) or four (4) domestic cats shall be permitted to be kept in a Home or Lot, provided such animals are not kept, bred or raised for commercial purposes. Notwithstanding the foregoing, animals permitted by this Section 4 may be kept in a Home only so long as such pets or animals do not constitute a nuisance. The Board of Directors shall specifically have the power to require the removal and relocation of an animal that is a nuisance, or which has harmed, or presents a threat of harm, to residents and others in the Community. Each person bringing or keeping an animal/ pet within the Property shall be absolutely liable to the Association, other Owners and their invitees for any damage to persons or property caused by any pet brought upon or kept upon the Property and it shall be the duty and responsibility of each such Owner to clean up after such animals which have deposited droppings or otherwise used any portion of the Property or public street abutting or visible from the Property. Animals belonging to Owners or invitees of any Owner must be kept within an enclosure or, on a leash held by a person capable of controlling the animal. No pets shall be "tied out" in a yard or on a porch or patio and left unattended for any extended period of time. Outdoor kennels, cages and dog runs are not permitted on any Lot. In addition, all animal/pet owners shall be required to maintain at all times adequate homeowners' insurance coverage for any and all liabilities related to the pet(s) owned and kept on the Lot, which insurance shall name the Association as an additional insured to the extent such endorsement is available. Proof of such insurance coverage shall be provided by the Owner to the Association upon reasonable request not more than one time per calendar year. If

such coverage is not provided as required herein, the Association shall have the right to require the pet to be removed from the Lot until the appropriate insurance coverage is obtained. Notwithstanding anything to the contrary contained herein, all restrictions in this Section 4 are subject to the Americans with Disabilities Act and the Federal Fair Housing Act.

Section 5. Signs. During the Development Period, no sign of any kind shall be displayed to the public view on any Lot, except one sign, subject to prior approval by the Board as to materials and aesthetic features, which sign is not larger than 24" x 24", placed in the ground on the front of the Lot advertising the property for sale or for rent. Once the Declarant, or successor Declarant, has conveyed all Lots it owns within the Property, then the size of the signs can be modified as authorized by the Board. The location of signs, as well as the color, materials, and other aesthetic features of such may be set forth in the ACC guidelines or Rules by the Board or ACC. A sign provided by a contractor for security services, to the extent permitted by the HOA Act, and signs used by the Declarant or Builders to advertise the Property during the Development Period, are specifically excluded from the terms of this Section. .

Trash, garbage or other waste shall be kept in sanitary, covered containers. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. In no event shall such equipment and/or containers be visible from the Common Area streets, from neighboring Property or within property contained in the Plat, except for a reasonable time immediately prior to and after scheduled trash collection, and in all events in compliance with the County Code.

Section 7. Outdoor Property. No garments, rugs, towels or blankets or any other materials may be hung, exposed or dusted from the windows or from the front facade of any Home. Further, unless otherwise specifically prohibited by applicable local, State or Federal law, no outside clotheslines or other facilities for drying or airing clothes shall be erected in the front yard, side yard or back yard of any Home. All personal property of Owners or other occupants shall be stored inside; provided, however, patio furniture or other personal property which is specifically for the use and enjoyment of designated outdoor areas of the Home shall be permitted.

Section 8. Parking. Parking in the Community is limited to designated driveways, garages and guest parking spaces. There shall be no parking on the grass, the street, or any portion of any sidewalk which is not part of a designated driveway. An Owner may park in the Home's garage or in the driveway on the Lot. Car covers are prohibited and license tags on all vehicles must be current. No vehicle which cannot operate on its own power shall remain in the Community for more than forty-eight (48) hours, except in the garage of a Home. No repair or maintenance, except for emergency repairs of vehicles shall be made unless in the garage of a Home. No vehicles shall be stored on blocks. No tarpaulin covers on vehicles shall be permitted anywhere within the public view. Any trailer, commercial vehicle, recreational vehicle, boat, rowboat, canoe, jet ski or boat trailer shall not be permitted to be parked outside of an enclosed garage. This restriction shall not be deemed to limit service vehicles whose purpose is to perform maintenance and delivery service to the Lot Owners or the Association during normal working hours or for work performed for the Declarant or the Association which are necessary in the development, maintenance or management of the Association. The term "commercial vehicle" includes trucks and

vehicular equipment or other vehicles which are used or which are ordinarily intended to be used for commercial purposes or which contain materials regularly used in trade or business. No vehicles displaying commercial advertising shall be parked within the public view. Automobiles issued by the County or other governmental entity (i.e., police cars), such automobile shall not be deemed to be a commercial vehicle and may be parked in the garage or driveway of the Lot. No vehicle shall be used as a domicile or residence either temporarily or permanently. No all-terrain vehicles (ATVs) or mini motorcycles are permitted at any time on any paved surfaces forming a part of the Common Areas. Notwithstanding any other provision in this Declaration to the contrary, the foregoing restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by Declarant, Builders or their agents. Subject to applicable laws and ordinances, any vehicle parked in violation of these or other restrictions contained herein, the Association is authorized to order the towing of any vehicle (at said vehicle owner's expense) for a violation of this Section if a vehicle remains in violation of this Section for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle or if such a vehicle was cited for such violation within the preceding fourteen (14) day period. Each Owner by acceptance of title to a Home irrevocably grants the Association and its designated towing agent the right to enter a Lot or Common Area and tow vehicles parked in violation of this Declaration. Neither the Association nor the towing company shall be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing or removal and once the notice is posted, neither its removal, nor failure of *the owner to receive it for any other reason, shall be grounds for relief of any kind.* An affidavit of the person posting the foresaid notice stating that it was properly posted shall be conclusive evidence of proper posting.

(a) Owners and operators of low-speed vehicles in the Community, as defined by §316.01(41), Florida Statutes, shall comply with §316.2122, Florida Statutes and any other applicable governmental regulation as well as these covenants and Association Rules. Upon application by a Lot Owner and issuance of a permit and sticker from the Association, compliant low-speed vehicles may be temporarily parked in Common Area parking locations during amenity use and as may be further regulated by the Board of Directors. Low-speed vehicles are not permitted on any sidewalk, grassed, or unpaved area within the Community. Operators of low-speed vehicles shall obey all traffic signs and laws, yield to pedestrians and move to the far right side of the road when approached from behind by a motor vehicle, to allow its safe passage. Low-speed vehicles must be in good working order and equipped with headlamps, stop lamps, turn signal lamps, taillamps, reflex reflectors, parking brakes, rearview mirrors, windshields, seat belts, and vehicle identification numbers. Under no circumstances may anything be pulled or towed behind a low-speed vehicle when in use, and the number of passengers is restricted to the specifications of the vehicle manufacturer. If blanket all-risk coverage is not available at commercially reasonable rates, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. Insurance that *shall be carried on the Common Areas and the Association Property, to the extent provided in this Article XV*, shall be governed by the following provisions:

All insurance policies upon the Common Areas and the Association Property shall be purchased by the Association and shall be placed in a single agency or company, if possible, licensed by the State of Florida. (e) Liability Insurance. If the policy does not include "severability of interest" in its terms, a specific endorsement must be obtained to preclude the insurer's denial of an Owner's claim because of negligent acts of the Association or of other Owners.

(f) Public Liability Insurance. The Association shall obtain public liability and property damage insurance covering all of the Common Areas and the Association Property and insuring the Association and the Members as their interests appear in such amounts and providing such coverage as the Board of Directors of the Association may determine from time to time. The cost of insurance premiums and other incidental expenses incurred by the Association in administering and carrying out any of the provisions of this Section shall be assessed against and collected from Members as part of the Annual Assessments.

attorney's fees) actually and reasonably incurred by him/her in connection therewith.

Section 4. Miscellaneous. The indemnification provided by this Article XIV shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of Members, or otherwise, and shall continue as to a person who has ceased to be a Director, Officer, or Committee Member and shall inure to the benefit of the heirs and personal representatives of such person.

As the permittee and/or operation and maintenance entity, it is your responsibility to ensure that adverse off-site impacts do not occur either during or after the construction. Any additional construction or alterations not authorized by this permit may result in flood control or water quality problems both on and off site and will be a violation of District rule.

You and any other substantially affected persons are entitled to request an administrative hearing or mediation. Please refer to the enclosed notice of rights.

1. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with rule 62-330.315, F.A.C. Any deviations that are not so authorized may subject the permittee to enforcement action and revocation of the permit under chapter 373, F.S.
2. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the District staff. 3. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation June 2007), and the Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008), which are both incorporated by reference in paragraph 62-330.050(9)(b)5., F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.

A copy of this form may be obtained from the Agency, as described in subsection 62-330.010(5), F.A.C., and shall be submitted electronically or by mail to the Agency. However, for activities involving more than one acre of construction that also require a NPDES stormwater construction general permit, submittal of the Notice of Intent to Use Generic Permit for Stormwater Discharge from Large and Small Construction Activities, DEP Form 62-621.300(4)(b), shall also serve as notice of commencement of construction under this chapter and, in such a case, submittal of Form 62-330.350(1) is not required.

Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with rule 62-330.340, F.A.C. This does not apply to the sale of lots or units in residential or commercial subdivisions or condominiums where the stormwater management system has been completed and converted to the operation phase.
13. Upon reasonable notice to the permittee, District staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.
14. If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, stone tools, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the vicinity of the discovery. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section (DHR), at (850)245-6333, as well as the appropriate permitting agency office. Project activities shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and the proper authorities notified in accordance with section 872.05, F.S. For project activities subject to prior consultation with the DHR and as an alternative to the above requirements, the permittee may follow procedures for unanticipated discoveries as set forth within a cultural resources assessment survey determined complete and sufficient by DHR and included as a specific permit condition herein.
15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under rule 62-330.201, F.A.C., provides otherwise.
16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials shall be disposed of in a landfill or other uplands in a manner that does not require a permit under chapter 62-330, F.A.C., or cause violations of state water quality standards.

17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the District will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.
18. A Recorded Notice of Environmental Resource Permit may be recorded in the county *public records in accordance with section 62-330.090(7), F.A.C.* Such notice is not an encumbrance upon the property.
19. This permit does not authorize the permittee to cause any adverse impact to or "take" of state listed species and other regulated species of fish and wildlife. Compliance with state laws regulating the take of fish and wildlife is the responsibility of the owner or applicant associated with this project. Please refer to Chapter 68A-27 of the Florida Administrative Code for definitions of "take" and a list of fish and wildlife species. If listed species are observed onsite, FWC staff are available to provide decision support information or assist in obtaining the appropriate FWC permits. Most marine endangered and threatened species are statutorily protected and a "take" permit cannot be issued. Requests for further information or review can be sent to FWCConservationPlanningServices@MyFWC.com.

WITHIN 30 DAYS AFTER COMPLETION OF THE PROJECT, THE PERMITTEE SHALL NOTIFY THE DISTRICT, IN WRITING, THAT THE FACILITIES ARE COMPLETE.

NOTICING INFORMATION

Dear Permittee:

Please be advised that the Suwannee River Water Management District (District) has not published a notice in the newspaper advising the public that it has issued a permit for this project.

Newspaper publication, using the District's form, notifies members of the public of their right to challenge the issuance of the permit. If proper notice is given by newspaper publication, then there is a 21-day time limit to file a petition challenging the issuance of the permit.

To close the point of entry for filing a petition, you may publish (at your own expense) a onetime notice of the District's decision in a newspaper of general circulation within the affected area as defined in Section 50.011 of the Florida Statutes. If you do not publish a newspaper notice, the time to challenge the issuance of your permit will not expire.

A copy of the notice and a partial list of newspapers of general circulation are attached for your convenience. However, you are not limited to those listed newspapers. If you choose to close the point of entry and the notice is published, the newspaper will return to you an affidavit as proof of publication. In accordance with 40B-1.1010(4), F.A.C., a copy of the affidavit shall be provided to the District within 14 days of publication. A scanned copy of the affidavit may be forwarded to Tilda Musgrove by email at tjm@srwmd.org (preferred method) or send the original affidavit of publication to:
