Capitalized terms used above or herein without definition shall have the same meanings given or ascribed to such terms in the Governing Documents. The Association shall have all the powers of a not for profit corporation organized under Chapter 617 of the Florida Statutes, subject, however, only to such limitations upon the exercise of such powers as are expressly set forth in the Governing Documents or the Association Act. The Association shall have the power to do any and all lawful things which may be authorized, assigned, required, or permitted to be done by the Association pursuant to the Governing Documents and/or the Association Act, including, but in no way limited to: (i) ownership, operation, management, administration, maintenance, repair, replacement, and insurance of the Common Areas, including but not limited to the Surface Water Management System and respective Common Area Tracts that shall be owned by the Association; (ii) the levy and collection of Assessments; and (iii) to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association as specified in the Governing Documents and/or under the Association Act, including but not limited to the adoption of Rules and Regulations.

Notwithstanding the foregoing, the Association shall specifically have the power to levy and collect adequate assessments against Members of the Association for the costs of maintenance and operation of the Surface Water Management System in a manner consistent with the requirements of District Permit No. 159499-1 as amended, and any applicable Water Management District rules, which Assessments shall be used for maintenance and repair of the

That portion of the Property

The proceeds of such a sale shall first be used for the payment of any debts or obligations constituting a lien on such property, then for the payment of any obligations incurred by the trustee in the operation, maintenance, repair and upkeep of such property.
