2.2 Delegation of Use. Any Owner may delegate, in accordance with the Governing Documents, such Owner’s right or enjoyment to the Common Area and facilities to family members or tenants who reside on such Owner’s Lot, but not otherwise.

2.3 Utility Easements. There are hereby created, declared, granted to and reserved for the benefit of Developer, the City, the County, the Association, all Owners, all Lots, and all public or private providers of utility services to the Property and their respective successors and assigns a non-exclusive perpetual easement for utility purposes over, under, upon and within the Property (including under or attached to Residences) for the purposes of constructing, installing, inspecting, operating, maintaining, repairing, and replacing, from time to time, any and all utility and service lines, mains, systems, meters, equipment, and facilities from time to time located therein or thereon. The utilities contemplated to be served by such utility easements may include, without limitation, those providing reuse and potable water, sewer, drainage, irrigation systems, telephone, security systems, electricity, gas, cable television

or other communication lines and services; provided, the exercise of this easement shall not unreasonably interfere with the use of any Residence located upon the Property.

2.4 Emergency Drainage Easement. There is hereby created, declared and granted to and for the benefit of the City, the County and District, a non-exclusive perpetual easement over, under, upon and within the Streets and all drainage easements and drainage easement areas comprising and appurtenant to the Surface Water Management System for the purpose of undertaking emergency maintenance and repairs to the Surface Water Management System in the event that inadequate maintenance or repair of the Surface Water Management System by the Association shall create a hazard to the public health, safety or general welfare. To the extent that the City, the County and/or the District shall, in fact, undertake any such emergency maintenance and repairs to the Surface Water Management System because of the inadequate maintenance and repair thereof by the Association, the City, the County and/or the District as the case may be, shall have a lien upon the Common Area comprising the Surface Water Management System as security for the payment by the Association of those costs and expenses reasonably so incurred by the City, the County and/or the District in connection therewith. It is expressly provided, however, that the creation, declaration, grant and reservation of such Emergency Drainage Easement shall not be deemed to impose upon the City, the County and/or the District any obligation, burden, responsibility or liability to enter upon the Property or any portion thereof to take any action to maintain or to repair the Surface Water Management System or any portion or portions thereof for any reason or reasons whatsoever.

2.5 Easement for Access and Drainage. The Association shall have a perpetual non-exclusive easement over all areas of the Surface Water Management System for access to operate, maintain or repair the Surface Water Management System. By this easement, the Association shall have the right to enter upon any portion of any Lot which is a part of the Surface Water Management System, at a reasonable time and in a reasonable manner, to operate, maintain or repair the Surface Water Management System as required by the Permit. Additionally, the Association shall have a perpetual non-exclusive easement for drainage over the entire Surface Water Management System. No Person shall alter the drainage flow of the Surface Water Management System, including buffer areas or swales, without the prior written approval of the District.

2.6 Swale Maintenance. Developer may construct a drainage swale upon the Lots for the purpose of managing and containing the flow of excess surface water, if any, found upon such Lot(s) from time to time. Each Owner shall be responsible for the maintenance, operation and repair of the swales on their Lot. Maintenance, operation and repair shall mean the exercise of practices, such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the District. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the swales is prohibited. No alteration of the drainage swales shall be authorized and any damage to any drainage swale, whether caused by natural or human-induced phenomena, shall be repaired and the drainage swale returned to its former condition as soon as possible by the Owner of the Lot upon which the drainage swale is located.

2.7 Construction and Sales Easement. There is hereby created, declared, granted and reserved for the benefit of Developer and Builder and each of their affiliates, successors, nominees and assigns

(together with the right to grant, assign, and transfer the same to their respective sales agents and/or sales representatives as well as to builders or building contractors approved by Developer or Builder for the construction of Residences within the Property) an easement for construction activities upon Lots and an easement for sales, marketing and promotional activities, including the installation and maintenance of signs on Lots and for the construction and maintenance on Lots from time to time of a sales and administrative center in which and from which Developer and Builder and each of their respective affiliates, successors, nominees, assigns, sales agents, sales representatives and approved builders and building contractors, may engage in marketing, sales and promotional activities and related or supportive administrative activities of a commercial nature. The easements created by this Section, and the rights reserved herein in favor of Developer and Builder, shall be construed as broadly as possible and supplement the rights of Developer and Builder set forth in this Declaration. At no time shall Developer or Builder incur any expense whatsoever in connection with their use and enjoyment of such rights and easements.

2.8 Public Easements. Fire, police, health and sanitation, and other public service personnel and vehicles shall have a permanent and perpetual easement for ingress and egress over and across the Property for the purpose of providing public services to the Owners.

2.9 Association's Access Easement. The Association's duly authorized representatives or agents shall, at all reasonable times have and possess a reasonable right of entry and inspection upon the Property for the purpose of fully and faithfully discharging the duties of the Association. Non-exclusive easements are hereby granted in favor of the Association throughout the Property as may reasonably be necessary for the Association to perform its services required and authorized hereunder, so long as none shall unreasonably interfere with the use of any Lot. Furthermore, a non-exclusive easement is hereby created over all utility easements and drainage easements located on any Lot, whether now existing or hereafter created, including, but not limited to, all utility easements and drainage easements contained on the Plat, which easement is in favor of the Association, including its agents and designees, in perpetuity, to utilize for all proper purposes of the Association, as determined by the Board.

2.10 Lot Line Encroachment. Certain Residences and other improvements constructed by Developer or Builder on Lots, may be situated so that a portion thereof, including, but not limited to, any exterior wall of such Residence, roof overhangs, air conditioning units, or concrete pads may be located upon, immediately adjacent to, overhang, or encroach upon the boundary line between the Lot upon which said Residence is located and either an adjoining Lot or a portion of the Common Area. In all such cases, said adjoining Lot or portion of the Common Area shall be subject to an easement and appurtenant rights, including the right of ingress and egress, in favor of the encroaching Lot and its respective Owner, which easement and appurtenant rights shall be for the purpose of (i) permitting the existence of the encroachment, and (ii) allowing ingress and egress for the performance of proper and normal maintenance to the encroaching improvement, including meter reading. All of such improvements which have been constructed by Developer or Builder and approved by applicable building authorities are deemed to have been reasonably constructed, notwithstanding any such encroachment. In no instance shall the exercise of any such easement and appurtenant rights created pursuant to this Section unreasonably interfere with the use of the Lot subject to same.

2.11 Access. Developer reserves unto itself, including its designees from time to time, and hereby grants to the Association and all Owners, including their respective tenants, guests and invitees, perpetual, non-exclusive easements of ingress and egress over and across those portions of the Common Area lying adjacent to and between the boundary line(s) of their Lot(s) to and from dedicated rights of way.

2.12 Future Easements. There is hereby reserved to Developer and its successors and assigns, together with the right to grant and transfer the same, the right, power and privilege to, at any time hereafter, grant to itself, the Association, the City, the County, the District or any other parties such other further and additional easements as may be reasonably necessary or desirable, in the sole opinion and within the sole and absolute discretion of Developer, for the future orderly development of the Property in accordance with the objectives and purposes set forth in this Declaration. It is expressly provided, however, that no such further or additional easements shall be granted or created over and upon the Lots pursuant to the provisions of this Section if any such easement shall unreasonably interfere with the presently contemplated or future use and development of a particular Lot as a residential home site. Further, no such additional easements shall be granted or created over and upon Lots owned by a Builder without such Builder's prior written consent. The easements contemplated by this Section may include, without limitation, such easements as may be required for utility, drainage, road right-of-way or other purposes reasonably related to the orderly development of the Property in accordance with the objectives and purposes specified in this Declaration. Such further or additional easements may be hereafter created, granted, or reserved by Developer without the necessity for the consent or joinder of the owner of the particular portion of the Property over which any such further or additional easement is granted or required.

2.13 Survival. Any and all easements, licenses, or other rights granted or reserved pursuant to this Article shall survive any termination of this Declaration.

ARTICLE III **MEMBERSHIP AND VOTING RIGHTS**

3.1 Membership Appurtenant. Every Owner of a Lot shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

3.2 Voting Rights. The Association shall have two classes of voting membership:

3.2.1 Class A. The "**Class A Members**" shall be all Owners, with the exception of Developer prior to Turnover, and shall be entitled to one (1) vote for each Lot owned. When more than one Person holds an interest in any Lot, all such Persons shall be Members. The vote for such Lot shall be exercised by a majority of all such Members as they determine, but in no event shall more than one (1) vote be cast with respect to such a Lot.

3.2.2 Class B. The “**Class B Member**” shall be Developer and its specifically designated (in writing) successor(s) or assign(s). The Class B Member shall be entitled to the total number of votes of all Class A Members from time to time plus one (1) vote; provided, however, that the Class B Membership shall cease and convert to Class A Membership on the happening of any of the following events, whichever shall first occur:

3.2.2.1 Three (3) months after ninety percent (90%) of the Lots in all phases of the community that will ultimately be operated by the Association have been conveyed to Class A Members; or

3.2.2.2 Developer, in its sole and absolute discretion, elects to terminate its Class B membership by written notice of such election delivered to the Association (whereupon the Class A Members shall be obligated to elect the Board and assume control of the Association).

Notwithstanding that there shall be two (2) classes of voting membership in the Association, voting shall be based upon the votes cast by the Members as a whole; not on votes cast by or within each class of voting membership.

3.3 Turnover of Control of Association. Within ninety (90) days following the cessation and termination of Class B Membership in the Association as hereinabove provided, Developer shall deliver to the Class A Members, at Developer’s expense, those documents and other materials described in Section 720.307(4) Florida Statutes and relinquish control and turnover the management and operation of the Association to the Class A Members as provided in Section 720.307 Florida Statutes.

ARTICLE IV **PROPERTY SUBJECT TO THIS DECLARATION** **AND ADDITIONS TO THE PROPERTY**

4.1 Property Subject to Declaration. The Property is, and shall be, held, transferred, sold, conveyed, and occupied subject to this Declaration.

4.2 Additions to the Property. Developer and the Association each reserve the right to add, or cause to be added, other real property not now included within the Property to the Property, without the consent or joinder of any party, upon the recording of an amendment or supplement to this Declaration in the public records of the County. Thereafter, such real property described therein shall be committed to the covenants contained in this Declaration and shall be considered “Property” as fully as though originally designated herein as Property.

4.3 Annexation of Property. Real property may be annexed to the Property upon the affirmative vote (in person or by proxy) or written consent, or any combination thereof, of Owners holding not less than a majority of the total votes of the Association. Such annexation shall become effective upon the recording of an amendment or supplement to this Declaration in the public records of the

County. Thereafter, such real property described therein shall be committed to the covenants contained in this Declaration and shall be considered "Property" as fully as though originally designated herein as Property. Notwithstanding anything herein to the contrary, as long as the Class B Membership exists the annexation of property must first be approved in writing by the Developer.

4.4 Development Approvals. Prior to Turnover, Developer reserves the right to seek and obtain approval from the City, the County or any other governmental authority to modify or amend the preliminary subdivision plans, development plans or orders for the Property approved by the City, the County or other governmental authority from time to time, without the joinder, ratification or approval of the Association, any Owner or any lienholder.

4.5 Platting. As long as there is a Class B Membership, Developer shall be entitled at any time and from time to time, to plat and/or replat all or any part of the Property and to file subdivision restrictions and amendments thereto with respect to any undeveloped portion or portions of the Property without the consent or approval of any Owner; provided, however, for so long as a Builder is the record title owner of any Lot within the Property, a Builder's prior consent shall be required for any replat of any part of the Property or for any subdivision restrictions or amendments thereto which impact such Builder's Lots.

4.6 Merger. Nothing in this Declaration is intended to limit or restrict in any way the Association's rights or ability to merge or consolidate with any other association as the Board may feel is in the best interests of the Association and its Members. A merger or consolidation of the Association must be approved by the affirmative vote (in person or by proxy) or written consent, or any combination thereof, of Owners holding not less than a majority of the total votes of the Association. Upon a merger or consolidation of the Association with another association, all Common Area, rights, and obligations shall, by operation of law, be transferred to the surviving or consolidated association or, alternatively, the properties, rights, and obligations of another association, by operation of law, may be added to the properties, rights, and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the covenants established by this Declaration within the Property together with the covenants and restrictions established by any supplement upon any other properties as one scheme. Notwithstanding anything herein to the contrary, as long as the Class B Membership exists any merger or consolidation must first be approved in writing by the Developer.

4.7 Withdrawal of Property. Developer shall have the right to withdraw portions of the Property from the terms and conditions of this Declaration, if consented to by the owner of said portion of the Property, without the joinder, ratification or approval of the Association, any Owner or any lienholder (the "**Withdrawn Property**"). In order to withdraw the Withdrawn Property from the terms and conditions of this Declaration, Developer shall record in the public records of the County an instrument signed by Developer and the owner of the Withdrawn Property which shall make reference to this Declaration, state that the purpose of the instrument is to withdraw the Withdrawn Property from the terms and conditions of this Declaration, and contain a legal description of the Withdrawn Property. Upon the withdrawal of the Withdrawn Property from the terms and conditions of this Declaration, the Withdrawn Property shall no longer be subject to the terms of this Declaration.

Developer shall have the right to later convey previously Withdrawn Property to the Association as Common Area. Notwithstanding anything contained herein to the contrary, for so long as Builder is the record title owner of any Lot within the Property, Builder's prior consent shall be required for any withdrawal of land from the Property.

4.8 Minor Adjustments in Use Classifications/Conveyances. Notwithstanding any other provisions of this Declaration or the Plat(s) to the contrary, in order to carry out the overall objectives and purposes of this Declaration, Developer hereby reserves the right, subject to and with the written consent and approval of the Board, to make (as determined by Developer in its reasonable discretion) minor or de minimus adjustments in the use classifications of the Property between residential property (i.e., Lots) and Common Area and to thereafter transfer and convey to the Association or to any Owner or third party, and/or cause the Association to transfer and convey to Developer or to any Owner or third party, those relatively small or de minimus portions of the Property to which such adjustments in use classification are so made. For example, Developer, with the written consent and approval of the Board, may declare that a portion of a particular Common Area tract shall be reclassified as a Lot or Lots, or a portion of an existing Lot, and transferred and conveyed by whichever one of Developer or the Association shall then be the Owner thereof. Also, Developer may reclassify a Lot owned by Developer, or if consented to by the owner of said Lot, as a portion of the Common Area and convey such Lot or portion of such Lot to the Association as Common Area. Any adjustment to the Common Area pursuant to this Section shall not interfere with the ability of the Owners to use the recreational facilities within the Common Area.

4.9 Special Taxing Districts. In the event that a special taxing district or community development district (hereinafter "**Taxing District**") is established to provide any services currently rendered by or which are the responsibility of the Association, these covenants and conditions shall no longer be of any force and effect as to any such services provided by the Taxing District, provided however the covenants and conditions set forth herein shall continue to bind and run with the land as to all of the Property for services not provided by the Taxing District. The Association shall have the right to convey or transfer all or portions of the Common Area to the Taxing District so long as the Members shall have the right to use and enjoy the Common Area. If the Taxing District is terminated for any reason, these covenants and conditions shall thereupon apply in full force and effect as if the Taxing District had never been created. Notwithstanding the above, any transfer of the operation and maintenance permit for the Surface Water Management System must be approved in writing by the District.

ARTICLE V

FUNCTIONS OF THE ASSOCIATION

5.1 Through Board Action. The affairs and decisions of the Association shall be conducted and made by the Board. The Members shall only have such power or rights of approval or consent as is expressly specified herein, or in the Articles or Bylaws. In the absence of a specific requirement of approval by Members, the Board may act on its own through its proper officers.

5.2 Required Services. In addition to those other rights, obligations and responsibilities specified in the Governing Documents, the Association or its management company, if applicable, shall be required to provide the following services as and when deemed necessary or appropriate by the Board and shall have easement rights necessary to perform same:

5.2.1 Maintenance of lawn and landscaping on Lots.

5.2.2 All maintenance of the Common Area and repair and replacement of all improvements thereon as and when deemed appropriate by the Board.

5.2.3 Payment of ad valorem taxes, non-ad valorem assessments and personal property taxes, if applicable, with respect to the Common Area.

5.2.4 Operation of the Common Area in accordance with the rules and other standards adopted by the Board from time to time.

5.2.5 Taking any and all actions necessary to enforce all covenants, restrictions and easements affecting the Property and performing any of the functions or services delegated to the Association in the Governing Documents.

5.2.6 Conducting business of the Association, including arranging for administrative services such as management services, legal, accounting, financial and communication services such as informing Owners of activities, meetings, and other important events.

5.2.7 Purchasing insurance to the extent necessary to insure Association property, liability of the Association, its officers and the Board, and any other insurance to the extent deemed necessary or desirable by the Board.

5.2.8 Acceptance of any instrument of conveyance with respect to the Common Area delivered to the Association, and conveyance, granting rights and easements, selling, dedicating, leasing, transferring or otherwise disposing of real or personal property as set forth in this Declaration.

5.2.9 Operation, maintenance, monitoring and repair of the Surface Water Management System in accordance with the Permit. Maintenance of the Surface Water Management System shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or storm water management capabilities as permitted by the District, the City or the County. Any repair or reconstruction of the Surface Water Management System shall be as permitted or, if modified, as approved in writing by the District, the City or the County, if applicable.

5.2.10 The Association shall maintain any lakes, drainage areas, drainage easements, and control structures, and shall preserve and protect all designated Conservation Areas and littoral zones located within, adjacent, or in near proximity to the Property, in accordance with all

permit requirements and conditions contained in applicable dredge fill, consumptive use, surface water permits, or any other applicable permits issued by the District, the City and the County and all statutes, rules, regulations and requirements pertaining to surface water management, drainage and water quality promulgated by the District and all other local, state and federal authorities having jurisdiction. The Association shall maintain those portions of the Common Area designated by applicable permit as conservation tracts, storm water management tracts, vegetated natural buffers or similar designations, in accordance with all permit requirements, rules and regulations promulgated by all local, state and federal authorities having jurisdiction.

5.2.11 Monitoring and maintenance of wetland mitigation areas, if any, described in the Permit shall be the responsibility of the Association. The Association must successfully complete the mitigation and satisfy Permit conditions.

5.3 Authorized Services. The Association shall be authorized, but not required, to provide the following functions and services and shall have easement rights necessary to perform same:

5.3.1 Such other services as are authorized in the Governing Documents.

5.3.2 Cleanup, landscaping, maintenance, dredging, water treatment or other care of lakes, ponds, canals, roads, or other property (public or private), adjacent to or near the Property, or other property designated Common Maintenance Area by Developer or the Association to the extent such care would be beneficial to the Property and to the extent that the Association has been granted the right to so care for the affected property by the owner thereof or other Person authorized to grant such right, including, but not limited to, any appropriate governmental authority.

5.3.3 Painting and non-structural, cosmetic maintenance of the exterior surface of the walls of any Residence or improvement on any Lot, and structural maintenance, repair or replacement of roofs, all as the Board deems proper, in their sole discretion, provided, however, that such exterior painting, cosmetic maintenance, and structural maintenance, repair or replacement shall be for ordinary wear and tear from time to time and not for damages caused by fire, hazards, or any other perils or any casualty loss. Should the Board determine that such painting, maintenance, repair or replacement is required a result of negligence, damage or abuse by an Owner or its tenants or invitees, charges for said painting, maintenance or repair will be assessed to such Owner. The Association shall not maintain air-conditioning units, doors, door frames, window frames, glass surfaces, locks, garage doors, if any, or any interior surfaces of Residences or improvements located on the Lots.

ARTICLE VI

RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

6.1 Common Area. On or before Turnover, Developer shall convey its interest, if any, in the Common Area to the Association. The Association shall accept title to any interest in real or personal

property transferred to it by Developer. Property interests transferred to the Association by Developer may include fee simple title, easements, leasehold interest and licenses to use. Any fee simple interest in property transferred to the Association by Developer shall be transferred to the Association by quit-claim deed, free and clear of all liens (other than the lien for property taxes and assessments not then due and payable), but shall be subject to the terms of this Declaration and any and all easements, rights-of-way, reservations, covenants, conditions, restrictions, equitable servitudes and other encumbrances of record or reserved by Developer in the instrument of conveyance. The property or interest in property transferred to the Association by Developer may impose special restrictions governing the uses of such property and special obligations on the Association with respect to the maintenance of such property. No title insurance or title opinion shall be provided to the Association by Developer.

THE ASSOCIATION SHALL ACCEPT "AS IS" THE CONVEYANCE OF SUCH PROPERTY WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, IN FACT OR BY LAW WITH RESPECT THERETO, OR WITH RESPECT TO THE IMPROVEMENTS AND REPAIRS TO BE COMPLETED AFTER THE CONVEYANCE, INCLUDING, WITHOUT LIMITATION, REPRESENTATIONS OR WARRANTIES OF MERCHANTABILITY OR FITNESS FOR THE ORDINARY OR ANY PARTICULAR PURPOSE, AND WITHOUT ANY REPRESENTATIONS OR WARRANTIES REGARDING FUTURE REPAIRS OR REGARDING THE CONDITION, CONSTRUCTION, ACCURACY, COMPLETENESS, DESIGN, ADEQUACY OF THE SIZE OR CAPACITY IN RELATION TO THE UTILIZATION, DATE OF COMPLETION OR THE FUTURE ECONOMIC PERFORMANCE OR OPERATIONS OF, OR THE MATERIALS OR FURNITURE WHICH HAS BEEN OR WILL BE USED IN SUCH PROPERTY OR REPAIRS. BY ACCEPTANCE OF AN INTEREST IN ANY SUCH PROPERTY OR THE DEED TO ANY LOT, THE ASSOCIATION AND ALL OWNERS RELEASE DEVELOPER FROM ANY CLAIMS AND WARRANT THAT NO CLAIM SHALL BE MADE BY THE ASSOCIATION OR ANY OWNER RELATING TO THE CONDITION, OR COMPLETENESS OF SUCH PROPERTY OR REPAIRS OR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING THEREFROM.

ARTICLE VII **COMMUNITY WALLS**

7.1 Community Walls. Developer or the Association may construct walls or fences (the "**Community Wall(s)**") in the Common Area, easements, or elsewhere on the Property as a visual barrier, decorative, architectural or safety feature, or retaining wall, or for any other reason at the sole discretion of Developer or the Association, or as a requirement of any municipality or governing authority for the benefit of the Association. Such walls or fences cannot alter the drainage flow of the Surface Water Management System unless prior written approval is received from the District.

7.2 Maintenance of Community Walls. Community Wall maintenance and repair shall be performed by the Association, as determined by the Board. Should the Board determine that maintenance and/or repair is a result of negligence or abuse by an Owner, charges for said

maintenance and/or repair will be assessed to such Owner. Owners shall not remove, alter, improve, paint, repair, maintain or otherwise modify Community Walls without the express written permission of the Board.

7.3 Easement for Community Walls. An easement is hereby created in favor of Developer and the Association for the construction, management, inspection, painting, maintenance and repair of Community Walls. The easement shall extend five (5) feet into each affected Lot from the Community Wall. Entry upon a Lot by Developer, the Association or their agents, as provided herein, shall not be deemed a trespass.

ARTICLE VIII **COVENANT FOR ASSESSMENTS**

8.1 Creation of the Lien and Personal Obligation of Assessments. Developer, for each Lot owned, hereby covenants and each Owner, by acceptance of a deed to their Lot, is deemed to covenant and agree to pay to the Association: Annual Assessments, Commencement Assessments, Special Assessments, Specific Assessments, Transfer Assessments, Utility Assessments and other Assessments for the costs of maintenance and operation of the Surface Water Management System and wetland mitigation areas.

All Assessments, together with late fees, interest, costs and reasonable attorneys' fees for collection thereof shall be a charge on the land and shall be a continuing lien upon the Lot against which each assessment is made. Each assessment, together with interest, costs and reasonable attorneys' fees for collection thereof, shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the assessment fell due until paid.

8.2 Purpose of Assessments. The Assessments levied by the Association shall be used to promote the recreation, health, safety and welfare of the residents in the Property and for the improvement, maintenance and repair of the Common Area, Common Maintenance Area, and Surface Water Management System including but not limited to: work within retention areas, drainage structures and drainage easements, easement areas benefiting the Property, right-of-way areas adjacent to the Property which the Association chooses to maintain, or for any other purpose set forth in this Declaration that the Board deems appropriate.

8.3 Annual Assessments. The Association shall be and is hereby authorized, empowered and directed to establish, levy, make, impose, enforce and collect during each calendar year an Annual Assessment in order to provide funds required for the payment of Common Expenses to be incurred by the Association during such calendar year in the performance of its duties and obligations pursuant to this Declaration. Such Annual Assessments shall be established, made, levied, imposed, enforced, collected and otherwise governed by the provisions contained in this Declaration and in compliance with Florida Statutes, Section 720.303.

8.4 Commencement Assessment. The Association shall levy and impose on each Lot a commencement assessment of Two Hundred Dollars (\$200.00) per Lot (the "**Commencement**

Assessment"). The Commencement Assessment shall be paid directly to the Association by the initial Owner of the Lot (other than Developer and Builder) at the closing of the initial sale, transfer and conveyance of such Lot from Developer or Builder to such initial Owner. The funds derived from the Commencement Assessments are income to the Association and shall be used by the Board exclusively for purposes which provide a direct benefit (as defined in 77 Fed. Reg. 15574 (Mar. 16, 2012)) to the Property, including, without limitation, future and existing capital improvements, Common Expenses, support costs and start-up costs. Notwithstanding anything contained herein to the contrary, no Commencement Assessment shall be due upon the conveyance of a Lot from the Developer to a Builder or from a Builder to or from its affiliates, assigns, designees and/or an entity that will act as a land bank for the benefit of such Builder.

8.5 Transfer Assessments. After a Lot has been initially conveyed by the Developer or a Builder to the initial Owner other than a Builder, the Association shall levy and impose upon every subsequent transfer of an ownership interest in such Lot a transfer assessment of Fifty Dollars (\$50.00) per Lot (the "**Transfer Assessment**"). The Transfer Assessment shall be paid directly to the Association by the purchaser of the Lot (excluding Builder) at the closing of each sale, transfer and conveyance of such Lot. The funds derived from the Transfer Assessments are income to the Association and shall be used by the Board exclusively for purposes which provide a direct benefit (as defined in 77 Fed. Reg. 15574 (Mar. 16, 2012)) to the Property, including, without limitation, future and existing capital improvements, Common Expenses, support costs and start-up costs. Notwithstanding anything contained herein to the contrary, no Transfer Assessment shall be due upon the conveyance of a Lot from the Developer to a Builder or from a Builder to or from its affiliates, assigns, designees and/or an entity that will act as a land bank for the benefit of such Builder.

8.6 Special Assessments. The Association shall be and hereby is authorized and empowered to establish, make, levy, impose, enforce and collect from time to time special Assessments for any purpose directly related to the discharge of its duties and obligations pursuant to this Declaration ("**Special Assessment(s)**"); provided, however, that any such Special Assessment shall have the prior approval of two-thirds (2/3) of the Members voting in person or by proxy at a meeting of the Association of which written notice specifying the nature and amount of the proposed Special Assessment is sent to all Members at least thirty (30) days in advance of such meeting. All sums collected as Special Assessments shall be used only for the purpose for which such Special Assessment is established, made, levied, imposed, enforced and collected and shall be deposited in a separate interest bearing bank account, certificate(s) of deposit or in United States Treasury Bonds of appropriate maturities, not commingled with any other funds of the Association, and held in trust by the Association until used for such purpose.

8.7 Specific Assessments. The Association may levy Assessments or charges against a specific Lot ("**Specific Assessments**") to recover any indebtedness of the Owner of that Lot to the Association arising under any provision of the Governing Documents, including any indemnity, or by contract, express or implied, or because of any act or omission of the Owner or any occupant of such Lot, or arising by reason of Owner's failure to properly maintain their Lot and Residence as herein provided.

8.8 Uniform Rate of Assessment. All Annual Assessments and Special Assessments must be fixed at a uniform rate for all Lots.

8.9 Reserves. The Annual Assessments may include reasonable amounts to be collected and held in reserve accounts for the future maintenance, repair or replacement of all or any portion of the Common Area, including, without limitation, the Surface Water Management System. The reserve accounts shall comply with the requirements of Chapter 720, Florida Statutes, as amended from time to time.

8.10 Date of Commencement of Annual Assessments; Due Dates. The Annual Assessments shall commence as to each Lot upon the conveyance of such Lot, with a Residence constructed thereon, by Developer or Builder to a bona fide third-party purchaser (a "**Third Party Purchaser**") or upon the occupancy of a Residence on the Lot by a Third Party Purchaser, whichever is earlier. At the closing of the sale of each Lot to a Third Party Purchaser, such Third Party Purchaser shall pay to the Association the entire Annual Assessment for the year of such closing, prorated on a per diem basis from the date of such closing (or from the date of occupancy of the Residence on the Lot by the Third Party Purchaser, if earlier) through the end of the year of such closing. Each subsequent Annual Assessment for a Lot shall be imposed for the year beginning January 1 and ending December 31. The Annual Assessments shall be payable in advance in annual, semi-annual, or quarter-annual installments as determined by the Board. Written notice of the Annual Assessments shall be sent to every Owner subject thereto. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of Assessments on a Lot is binding upon the Association as of the date of its issuance.

8.11 Developer's Obligation for Assessments. Notwithstanding anything herein to the contrary, as long as the Class B Membership exists, Developer may elect not to pay Assessments on unoccupied Lots owned by Developer. Should Developer elect not to pay the Assessments, Developer shall pay all costs incurred by the Association in accomplishment of the purposes set forth in Section 8.2 of this Article, in excess of the total amount collected by the Association through all Assessments ("**Deficit Funding**"); provided, however, Developer shall not be obligated to contribute to or pay for funding any reserves for capital expenditures or deferred maintenance, capital improvement fund or Special Assessment. Irrespective of any election on the part of Developer, any Residence located on any Lot owned by Developer which is occupied as a residence shall be subject to one hundred percent (100%) of any and all applicable Assessments. Developer may at any time revoke its Deficit Funding election and place itself in the position of being obligated to pay the full impact of all Assessments for each Lot owned by Developer, at the time said revocation is presented to the Association. Prior to Turnover, Builder may elect not to pay Assessments on unoccupied Lots owned by Builder and participate in the payment of Deficit Funding as described herein on a prorata basis (i.e., Deficit Funding shall be allocated between Developer and Builder based on the number of Lots owned by each of them at the time Deficit Funding is required).

8.12 Effect of Nonpayment of Assessments; Remedies of the Association. Any Assessment not paid within fifteen (15) days after the due date shall bear a late fee of Twenty-Five Dollars (\$25) and

interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Owner's Lot. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of their Lot.

8.13 Assumption of Delinquent Assessments by Successors. The personal component of the obligation for delinquent Assessments shall not pass to an Owner's successors in title unless expressly assumed by them. Irrespective of the assumption of the personal component of the obligation by any successor in title, the lien for delinquent Assessments shall continue to be a lien upon the Lot until such time as it is fully paid.

8.14 Subordination of the Lien to Mortgages. The lien of and for all Assessments on a Lot provided for in this Declaration shall be subordinate to the lien of any bona fide first mortgage held by a mortgagee encumbering such Lot if the mortgage is recorded in the Public Records prior to the claim of lien. The lien for Assessments shall not be affected by any sale or transfer of a Lot except in the event of a sale or transfer pursuant to judicial foreclosure action (or deed in lieu of foreclosure), in which event the Person acquiring title to the Lot pursuant to the foreclosure action (or deed in lieu of foreclosure) and its successors and assigns shall be liable for unpaid Assessments that became due and payable prior to such foreclosure (or deed in lieu of foreclosure) only to the extent allowed under Florida Statute Section 720.3085(2)(c), as amended from time to time. Notwithstanding anything to the contrary set forth herein, if any unpaid Assessments cannot be collected as a lien against a Lot by reason of the provisions of this Section, such unpaid Assessments shall be deemed a Common Expense divided equally among, payable by and a lien against all Lots subject to assessment by the Association, including the Lot as to which the foreclosure (or deed in lieu of foreclosure) took place.

Sale, transfer or conveyance of title to a Lot pursuant to foreclosure action (or deed in lieu of foreclosure) shall not extinguish the personal liability of the Owner of the Lot prior to the foreclosure action (or deed in lieu of foreclosure) as to unpaid Assessments which became due and payable prior to the foreclosure action (or deed in lieu of foreclosure). Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof or the enforcement of collection by means other than foreclosure.

8.15 Developer Advances. Developer may, in its sole discretion, advance and loan monies or other property in lieu of monies to the Association for any purpose including providing working capital. Such advances shall be considered a loan by Developer to the Association and may be evidenced by a promissory note executed by the Association in favor of Developer. The Association, by and through its officers, directors and agents are hereby empowered to, and shall have the authority to, execute such promissory notes in favor of, and on behalf of, the Association and obligate the Association to repay all funds, monies or property so advanced. Even if the advances are not evidenced by promissory notes, the amounts so advanced shall be considered loans which may be due upon demand before or after Turnover.

8.16 Exempt Property. The following Property subject to this Declaration shall be exempted from the Assessments, charges and liens created herein:

8.16.1 All Property deeded to and accepted by the Association, a Taxing District, or a public authority devoted to public use.

8.16.2 All Common Area.

8.16.3 Any Property not designated as a Lot.

8.17 Utility Assessments. The Association may choose to have the subdivision metered for water utilities as a whole. If so, the Association shall purchase water for the Property from a public utility, and the public utility will determine water usage for the Lots and Common Areas by way of master meter. The costs for water utilities shall be a Common Expense, divided amongst the Owners on an equal fractional basis. The Lots will not be sub-metered, and the Owners will not receive an individual water bill or an itemized bill showing the water usage as a separate item, nor will there be any other method for prorating the costs of the water utilities for the Lots.

ARTICLE IX **ARCHITECTURAL CONTROL**

Except for those improvements constructed by Developer or Builder, no building, garage, shed, fence, wall, statue, yard ornament, mailbox, newspaper box, dock, or other structure shall be commenced, erected, or maintained upon the Property, nor shall any exterior addition to, change, alteration or repair (other than repairing or restoring the exterior of any building located upon the Property to its original appearance and color) therein be made until the plans and specifications showing the nature, kind, shape, height, color, materials and location of the same shall have been submitted to and approved in writing by the Board or by an architectural committee appointed by the Board or by Developer. Maintenance of any improvement or architectural change approved by the Board or Developer in favor of an Owner shall become that Owner's responsibility.

The Board may promulgate design and development guidelines, application and review procedures, and building criteria (collectively, the "**Guidelines**"). The Guidelines, if any, shall be promulgated on behalf of the Association and shall be binding upon all Owners, builders and contractors, except for Developer. The Board shall have sole and full authority to prepare and to amend, from time to time, the Guidelines. Further notwithstanding any other provision herein to the contrary, no Guidelines shall materially adversely affect the rights of a Builder or property owned by them, unless such Guidelines receive the prior written consent of such Builder, which consent may be withheld for any reason whatsoever.

Notwithstanding anything to the contrary contained in the Governing Documents, including, without limitation, the Guidelines, any improvements of any nature made or to be made by Developer or its agents, assigns and contractors, including, without limitation, improvements made or to be made to the Common Areas, or any Lot or Residence, shall not be subject to the Guidelines and/or review and approval by any architectural committee or the Board.

ARTICLE X

USE RESTRICTIONS

The Property shall be subject to the following restrictions, reservations and conditions, which shall be binding upon Developer and upon each Owner who shall acquire hereafter a Lot or any portion of the Property, and shall be binding upon their respective heirs, personal representatives, successors and assigns.

10.1 **Residential Lots.** Except as specifically provided in this Declaration, and except for marketing, sales and development activities by Developer or a Builder, no use shall be made of Lots other than for residential purposes.

10.2 **Mining or Drilling.** There shall be no mining, quarrying, or drilling for minerals, oil, gas, or otherwise undertaken within any portion of the Property. Excepted from the foregoing shall be activities of Developer or the Association, or any assignee of Developer or the Association, in dredging lakes, ponds or other water areas, creating land areas from lakes, ponds or other water areas, or creating, excavating, or maintaining drainage or other facilities or easements, or the installation of wells or pumps in compliance with applicable governmental requirements, or for irrigation systems for any portions of the Property.

10.3 **Antennas, Aerials, Satellite Dishes and Flagpoles.** No Owner shall install or permit to be installed any antenna aerial or satellite dish ("**Antenna**") on a Lot if the size of the Antenna is one meter (39.37 inches) or greater in diameter. Any Owner installing an Antenna less than one meter in diameter shall install such Antenna in a place where it is not visible from the street, giving primary consideration to installation on the rear of the house or the back yard of the Lot. Under no circumstances may an Antenna be mounted on a mast such that the mast height exceeds the top of the roof line of the house on the Lot by more than twelve (12) feet. In the event that any applicable law currently enacted or enacted in the future precludes the enforcement of this provision, this provision shall be preempted only to the minimum extent required to comply with such applicable law. The American flag, together with such other flags specified by Florida Statutes Section 720.304(2)(a), as amended from time to time, and a flagpole for display of such flag shall be permitted if displayed in a respectful way.

10.4 **Rooftop Structures.** Subject to the provisions of all applicable Florida Statutes, to the extent applicable, no discs, dishes, appliances, equipment (including air conditioning equipment), skylights, hot water flues or other rooftop installation or structure of any type shall be placed, located, erected, constructed, installed or maintained upon the exterior roof of any Residence without prior written approval of the Board, except for such items installed by Developer or a Builder as approved by Developer.

10.5 **Shutters and Window and Door Coverings.** No exterior windows or doors of any building or other improvements on a Lot shall be covered by any shutters (including hurricane or storm shutters), boards, or similar type window coverings; except such as may be required for protection from severe storms and only then during the actual period of any such severe storm and the period within seventy-

two (72) hours before and seventy-two (72) hours after an anticipated severe tropical storm or hurricane; nor shall any such windows or doors be covered by or coated with any foil or other reflecting or mirrored materials. The foregoing restriction shall not be construed as a prohibition against decorative exterior shutters located to the side of or over window or door openings; provided the same have been approved in writing by the Board, except for such items installed by Developer or a Builder as approved by Developer.

10.6 Holiday and Outside Lighting. Holiday lighting and decorations shall be permitted to be placed upon the exterior portions of Residences and upon Lots in the manner permitted hereunder, commencing on November 15th and shall be removed not later than January 15th of the following year. In addition, as to federal or state holidays occurring outside of the time period set forth above, holiday decorations (including lighting or other reasonable holiday decorative accessories) are permitted to be placed upon the exterior portions of the Residence and upon the Lot in the manner permitted hereunder commencing fourteen (14) days before any such holiday, and such decorations must be removed within seven (7) days after such holiday, as applicable. With regard to those portions of a Lot maintained by the Association (if any), no lighting or any facilities or electrical cords related thereto or any decorations shall be permitted to be placed upon or across any grass area maintained by the Association, and the Association and its agents shall be permitted, but shall not be required, to remove any such items which serve as impediments to the mowing of the grass, and the Owner, by placement of any lighting or decorations, hereby assumes the risk that such lighting and decorations may be inadvertently damaged or destroyed. An Owner shall be permitted to place holiday lighting and decorations on and within the shrubs located in the front yard of the Lot, provided that (i) the Association shall not be required to maintain such shrubs for such period of time as the decorations, lighting and cords are contained within the shrubs, and (ii) such placement shall not otherwise interfere with the mowing of the grass on the Lot by the Association (if any).

Except for the foregoing seasonal holiday lights, and any exterior lighting initially installed by Developer or the Association, no spotlights, flood lights or similar high intensity lighting shall be placed or utilized upon any Lot which in any way will allow light to be reflected on any other Residence or upon the Common Area or any part thereof.

10.7 Landscaping. Subject to the provisions of all applicable Florida Statutes, to the extent applicable, no Owner (other than Developer) shall construct or install improvements, landscaping, artificial vegetation, exterior sculptures, fountains, rocks, or similar items upon any portion of a Lot, nor shall any Owner alter or make additions to improvements or landscaping installed by Developer, Builder or the Association, without the prior written approval of the Board or Developer. All landscaped and grassed open areas on the front and side yards of a Lot shall be irrigated by means of an automatic underground irrigation or sprinkling system capable of regularly and sufficiently irrigating all lawns and plantings within such areas, including open areas, if any, existing between the platted street or road right-of-way contiguous to the Lot. Such irrigation or sprinkling system shall be installed prior to or simultaneously with the installation of landscaping on the Lot.

10.8 Trees. Trees shall not be cut or removed without prior written approval by Developer or the Board.

10.9 Walls and Fences. Except for walls or fences constructed by Developer or the Association, no walls, fences, hedge, or similar structures, dog runs or animal pens of any kind shall be placed or erected on the Property without prior written approval of the Board or Developer.

10.10 Subdivision or Partition. No portion of the Property shall be subdivided except with the prior written consent of the Board and Developer.

10.11 Casualty Destruction to Improvements. In the event an improvement is damaged or destroyed by casualty, hazard, or other loss, then, within a reasonable period of time after such incident, as determined by the Board, the Owner thereof shall either commence to rebuild or repair the damaged improvement and diligently continue such rebuilding or repairing activities to completion or clear the damaged improvement and grass over and landscape such Lot. A destroyed improvement shall only be replaced with an improvement of a similar size, type, construction, and elevation as that destroyed unless the prior written consent of the Board is obtained.

10.12 Insurance. Nothing shall be done or kept on the Common Area or the Property which shall increase the insurance rates of the Association without the prior written consent of the Board.

10.13 Surface Water Management System.

10.13.1 No construction activities may be conducted relative to any portion of the Surface Water Management System facilities. Prohibited construction activities include, but are not limited to: digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the Surface Water Management System facilities. If the Surface Water Management System includes a wetland mitigation area, or a wet detention pond, no vegetation in these areas shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from the District. Construction and maintenance activities that are consistent with the design and permit conditions approved by the District in the Permit may be conducted without specific written approval from the District.

10.13.2 No Owner may construct or maintain any building, Residence or structure of any kind, or undertake or perform any activity in the Surface Water Management System, wetlands, wetland mitigation areas, buffer areas, upland conservation areas and drainage easements described in the Permit and Plat unless prior approval is received from the Board and the District.

10.13.3 No Owner shall in any way change, alter, impede, revise or otherwise interfere with the flow and the volume of water in any portion of any drainage areas or the Surface Water Management System, nor shall any grading, alteration, or other modifications to these areas be made without the prior written permission of the Board and the District.

10.13.4 No Owner shall remove native vegetation that becomes established within the Surface Water Management System without prior written approval from the District and the Board. Removal includes dredging, the application of herbicide, cutting and the introduction of grass carp. Owners should address any questions regarding authorized activities within the Surface Water Management System to the District Permitting Department.

10.13.5 No Owner shall in any way deny or prevent ingress and egress by Developer, the Association, the City, the County, or the District to any drainage areas or the Surface Water Management System for maintenance or landscape or enforcement purposes. The right of ingress and egress, and easements therefor are hereby specifically reserved and created in favor of Developer, the Association, the District, the City, the County, or any appropriate governmental or quasi-governmental agency that may reasonably require such ingress and egress.

10.13.6 No Lot shall be increased in size by filling in any drainage areas or other portion of the Surface Water Management System. No Owner shall dig, excavate, fill, dike, rip-rap, block, divert, or change the established drainage areas or the Surface Water Management System without the prior written consent of the Board, the City and the District.

10.13.7 No sidewalk, driveway, impervious surface, paving, patio, deck, pool, air-conditioner, structure, utility shed, pole, fence, wall, irrigation system, tree, shrub, hedge, planting, landscaping plants other than grass, or other improvement shall be placed by an Owner within a drainage area, drainage easement, or the Surface Water Management System, except for landscaping of storm water detention and retention ponds as required by governmental land development code.

10.13.8 In addition to the Association, the District, the City, and the County shall each have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the Surface Water Management System and the enforcement of the restrictions stated in this Section 10.13.

10.13.9 Developer shall convey its interest in the Surface Water Management System to the Association (excluding that portion of the Surface Water Management System located on Lots). After said conveyance, the Association shall, subject to the terms and provisions of this Declaration, have sole and exclusive jurisdiction over and responsibility for the administration, monitoring, management, regulation, care, maintenance, repair, restoration, replacement, improvement, preservation and protection of the Surface Water Management System and all costs incurred by the Association towards the fulfillment of such responsibility shall be Common Expenses. Accordingly, each Owner, by acceptance of a deed to their Lot, shall be deemed to have agreed that neither Developer, the City, the County, nor any other governmental agency shall have any liability or responsibility whatsoever (whether financial or otherwise) with respect to the Surface Water Management System and each Owner shall be deemed to have agreed to look solely and exclusively to the Association with respect to any such liability or responsibility.

10.13.10 Copies of the Permit and any future Permit actions of the District shall be maintained by the Association's Registered Agent for benefit of the Association at the office of the Association. The Permit shall be owned by the Association and the Association has the obligation to assure that all terms and conditions thereof are enforced. If the Permit is issued in Developer's name, then on or before Turnover, Developer shall transfer to the Association and the Association shall accept and assume all rights and obligations of Developer under the Permit.

10.13.11 Each Owner shall use and maintain the portion of their Lot located in the Surface Water Management System or within drainage easements, if any, in compliance with the Permit, City and/or County approvals, and all other applicable rules and regulations. Owner, at its sole expense, shall immediately correct or abate all violations of or non-compliance with the Permit, City and/or County approvals, and all other applicable rules and regulations.

10.13.12 Each Owner, at the time of construction of a Residence, building or structure, shall comply with the construction plans for the Surface Water Management System approved by and on file with the District.

10.13.13 Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency or to any non-profit corporation, association, or other organization to be used for purposes similar to those for which this Association was created. In the event of termination, dissolution, or final liquidation of the Association, the responsibility for the operation and maintenance of the Surface Water Management System must be transferred to and accepted by an appropriate governmental unit or public utility or a non-profit corporation similar to the Association approved in writing by the District prior to such termination, dissolution or liquidation.

10.14 Pets, Livestock and Poultry. No livestock (including, without limitation, horses, ponies, cattle, goats, pigs and the like), poultry, reptiles or animals of any kind, nature or description shall be kept, bred or raised upon a Lot, except for dogs, cats, birds and other usual and customary types of household pets, which may be reasonably kept, raised and maintained upon a Lot; provided, however, that the same are not kept, raised, or maintained thereon for breeding or other business or commercial purposes, or in numbers deemed unreasonable by Developer or the Association, in the exercise of their reasonable discretion. Notwithstanding the foregoing provisions of this Section permitting dogs, cats, birds and other usual and customary types of household pets, no animals, birds or other pets may be kept, raised or maintained on a Lot under circumstances which, in the good faith judgment of Developer or the Association, shall constitute an unreasonable annoyance, nuisance or safety hazard to Owners and their respective guests and invitees, or an unreasonable interference with the comfortable and quiet use, occupancy and enjoyment of other Lots or Common Area. In furtherance of the foregoing, no household pet shall be permitted to make an unreasonable amount of noise, disturb the peace or otherwise become an annoyance or nuisance. No animals shall be allowed outside

a Lot except on a leash. All owners of animals are responsible for timely clean-up of animal waste and the Board may elect to promulgate rules and regulations to enforce the same.

10.15 Signs. No sign of any kind shall be displayed to the public view from any Lot or improvement thereon, except any sign used by Developer or Builder to advertise Developer's or Builder's company, project, sales or other matters during the Developer's or Builder's construction and sales of Residences on the Property. Developer and each Builder are specifically exempt from the provisions of this Section and as such shall be entitled to erect such signs, flags, banners and other marketing materials as deemed necessary or desirable in each of their sole discretion from time to time. No amendment or modification to this Declaration pertaining to signs or other marketing materials shall be effective without the prior written consent of Developer and each Builder for so long as Developer and such Builder own any portion of the Property. No sign of any kind shall be permitted to be placed inside a Residence or on the outside walls of a Residence so as to be visible from the exterior of such Residence, nor on any Common Area, Streets, or within any vehicles within the Property, except such as are placed by Developer or Builder; provided, however, a Builder must obtain Developer's prior approval of the location for such Builder's signs to be placed on any Common Area or Streets and a Builder may not place signs or other marketing materials on a Lot owned by a different Builder.. Notwithstanding the foregoing, an Owner may display upon the Owner's Lot a sign of reasonable size provided by a contractor for security services provided that said sign is located within ten (10) feet of any entrance to the Residence located on such Lot. Developer or the Association may enter upon any Lot and remove and destroy any sign which violates this Section.

10.16 Mailboxes. Mail kiosks approved by Developer and in compliance with U.S. Postal Service regulations will be provided on the Property. Owners will be provided with a mailbox number and key. No other mailboxes shall be permitted on the Property without the prior written approval of the Board.

10.17 Garbage Containers, Oil and Gas Tanks, Outdoor Equipment. All garbage and trash containers must be placed inside the garage portion of each Residence or in landscaped areas so that they are not visible from any adjoining Lot or any Street. Trash containers may be brought to the curb after 8:00 p.m., on the evening prior to a garbage collection day designated by the agency responsible for collecting garbage and trash for the Property. Trash containers must be removed from the curb within twelve (12) hours of garbage pick-up. Other than one (1) portable propane tank for use with an outdoor barbeque grill, no oil tanks or bottled gas tanks shall be allowed on any Lot without the express written consent of the Board and such tanks shall be located so they cannot be seen from other Lots, Common Area or Streets. No Lot shall be used or maintained as a dumping ground for rubbish, trash, or other waste. There shall be no burning of trash or other waste material. Trash or other waste shall be kept only in closed containers and all equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. This Section shall not apply to construction debris and refuse during the course of construction of a Residence or other improvements by the Developer or Builder.

10.18 Garbage Collection Service. Developer until Turnover and, thereafter, the Association may coordinate and establish exclusive agreements with one or more garbage collection service companies

for the provision of garbage collection services to the Association and all Lots. If such agreement is established, Developer may deem the fees for the garbage collection service payable to the service company to be a Common Expense payable by the Association, and Developer shall include the fees within the annual budget for which the Assessments are levied each year, or Developer may direct a garbage collection service company to bill the fees for the garbage collection services directly to Owners. If Developer determines the fees for the garbage collection service shall be a Common Expense, no Owner may avoid or escape liability for any portion of the Assessments by electing not to utilize the garbage collection service.

10.19 Vehicles and Recreational Equipment. No Truck or Commercial Vehicle (each as defined below), limousine, mobile home, motor home, house trailer, utility trailer, camper, personal water craft, boat, boat trailer, all-terrain vehicle, dirt bike motorcycle, or other recreational vehicle or equipment, horse trailer, bus, passenger vehicle without current registration or valid license plates, or the like shall be permitted to be parked or stored on any portion of the Property unless they are parked within a garage. For the purposes of this rule the following definitions shall apply:

10.19.1 “**Truck**” means a vehicle with any sort of weight capacity (except pick-up trucks, vans or sport utility vehicles with a cargo capacity of one ton or less) which has a compartment or bed for carrying cargo, as opposed to passengers, regardless if such vehicle has a cover or topper for the cargo-carrying area.

10.19.2 “**Commercial Vehicle**” means any vehicle (except pick-up trucks, vans or sport utility vehicles with a cargo capacity of one ton or less) which from viewing the exterior of the vehicle or any portion thereof, shows any commercial markings, signs, logos, displays, tool racks, saddle racks, or other elements of a commercial nature or otherwise indicates a commercial use.

This prohibition of parking shall not apply to temporary parking of Trucks and Commercial Vehicles used for pickup, delivery, and repair and maintenance of a Lot.

Notwithstanding any other provision in this Declaration to the contrary, the restrictions in this Section 10.19 shall not apply to Trucks, Commercial Vehicles or other vehicles utilized in connection with construction, improvement, installation, repair or sales activities by the Developer, the Association or Builder, or their subcontractors, suppliers, employees, customers, consultants or agents.

Inoperable vehicles (e.g., missing major components such as engines and/or transmissions, one or more flat tires, etc.), or derelict vehicles (e.g., broken glass, severely damaged body panels, unpainted body panels, etc.) must be fully enclosed within a closed garage at all times, and in any case may not be parked in plain view.

Owners shall park their vehicles within the garage portion or driveway of Owner's Residence or in other parking areas on the Property designated by Developer or the Association. Vehicles shall not in any event be parked on the lawn portion of any Lot after construction of a Residence, the grass portion of any rights-of-way, or the grass portion of any Common Areas. All parking within the

Property shall be in accordance with the rules and regulations adopted from time to time by the Board. Each Owner is specifically cautioned that they and the occupants of their Residence may be limited or restricted as to the number of vehicles they may park or store on the Property. Any vehicle parked in violation of this Section is subject to being towed away at the owner's expense without further warning. No on-street parking will be permitted except for special events approved in writing by Developer or the Association.

10.20 Towing. Subject to applicable laws and ordinances, any vehicle parked in violation of these or other restrictions contained herein or in the rules and regulations adopted by the Board may be towed by the Association at the sole expense of the owner of such vehicle if such vehicle remains in violation for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle or if such a vehicle was cited for such violation within the preceding fourteen (14) day period. Each Owner by acceptance of title to a Lot irrevocably grants the Association and its designated towing service the right to enter the Owner's Lot and tow vehicles in violation of this Declaration. Neither the Association nor the towing company shall be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing or removal and once the notice is posted, neither its removal, nor failure of the owner to receive it for any other reason, shall be grounds for relief of any kind. For purposes of this paragraph, "vehicle" shall also mean campers, mobile homes, trailers, or other similar recreational equipment. By accepting title to a Lot, the Owner provides to the Association the irrevocable right to tow or remove vehicles parked on the Owner's Lot, Common Areas, or other areas of the Property that are in violation of this Declaration. An affidavit of the person posting the foresaid notice stating it was properly posted shall be conclusive evidence of proper posting.

10.21 Garages. Garage doors shall be closed except when reasonably necessary for use of the garage and shall not be permanently enclosed or screened. No garage may be converted for use as living space, office or for any purpose other than as a garage.

10.22 Garage Sales or Yard Sales. No "Garage Sales" or "Yard Sales" or similar sales, by whatever name given or ascribed to the same, shall be conducted or permitted on or within the Lots without prior written approval by the Board.

10.23 Repairs. No maintenance or repairs shall be performed on any vehicles upon any portion of the Property for longer than a six (6) hour period except in an emergency situation. Notwithstanding the foregoing, all repairs to disabled vehicles within the Property must be completed within twelve (12) hours from its immobilization or the vehicle must be removed.

10.24 Prohibited Structures. No trailers, tents, shacks, sheds, barns, tree-houses, garages, tool sheds, guest quarters, carports, storage buildings or other outbuildings, other than separate construction and sales trailers to be used by Developer or Builder, shall be placed upon any portion of the Property either temporarily or permanently. No trailer, motor home or recreational vehicle shall be: (i) used as a residence, either temporarily or permanently, or (ii) parked upon the Property. Developer and Builder shall have the right to place, erect or construct portable, temporary accessory buildings or structures within the Property they own for sales, construction storage or other purposes.

10.25 Nuisances. No obnoxious, unpleasant, unsightly or offensive activity shall be carried on, nor may anything be done, which can be reasonably construed to constitute a nuisance, public or private in nature. Any questions with regard to the interpretation of this Section shall be decided by the Board, whose decision shall be final. This Section shall not apply to sales, marketing, construction and development activities by the Developer and Builder.

10.26 Window Treatment. No reflective foil, sheets, newspapers or other similar material shall be permitted on any window or glass door. Drapes, blinds, verticals, and other window coverings visible from outside a Residence shall have a white, beige or similar light coloring. No security bar system may be installed on any window or door of any Residence.

10.27 Air Conditioners. Wall or window air conditioning units or heating units are not permitted.

10.28 Games and Play Structures. All game and play structures and other recreational equipment and structures shall not be permitted on a Lot unless located at the rear of the Residence on the Lot so they cannot be seen from any Street. All bicycles, toys, temporary roll-out basketball hoops and backboards, and other outdoor recreational equipment must be taken inside the Residence when not in use. No tree houses, trampolines, permanent basketball standards, hoops, backboards or similar structures may be placed on any Lot.

10.29 Swimming Pools. Swimming pools shall not be permitted on the Lots.

10.30 Weapons. The use and discharge of weapons within the Property is prohibited. The term "weapons" includes bows and arrows, slingshots, "B-B" guns, pellet guns, and other firearms of all types, regardless of size.

10.31 Common Area. Other than improvements and landscaping constructed or installed by Developer, no improvements or landscaping shall be constructed or installed upon any portion of the Common Area nor shall any alterations or additions be made to said improvements or landscaping without the approval of the Board. The following shall apply to the Common Area:

10.31.1 No activities constituting a nuisance shall be conducted upon the Common Area provided however, in no event shall the construction, sales, marketing and development activities of Developer and Builder constitute a nuisance.

10.31.2 No rubbish, trash, garbage or other discarded items shall be placed or allowed to remain upon the Common Area.

10.31.3 The Association may from time to time adopt reasonable rules and regulations concerning use of the Common Area which shall be binding upon all Owners other than Developer. Further notwithstanding any other provision herein to the contrary, no rule or regulation shall materially adversely affect the rights of a Builder or Lots owned by Builder,

unless such rule or regulation receive the prior written consent of such Builder, which consent may be withheld for any reason whatsoever.

10.31.4 Nothing shall be stored, constructed within or removed from the Common Area other than by Developer or the Association, except with the prior written approval of the Board.

10.32 Other Restrictions Established by the Board. The Board shall have the authority from time to time to include other restrictions as it shall deem appropriate. Said restrictions shall be governed in accordance with the residential planning criteria promulgated by the Board. However, once the Board promulgates certain restrictions, same shall become as binding and shall be given the same force and effect as the restrictions set forth herein. For so long as a Builder owns a Lot, the Board shall not adopt or amend any other restrictions which materially adversely affects such Builder or Lots owned by such Builder without such Builder's prior written consent.

10.33 No Implied Waiver. The failure of the Association or Developer to object to an Owner's or other party's failure to comply with this Declaration or any other Governing Documents shall in no event be deemed a waiver by Developer or the Association, or any other Person having an interest therein, of that Owner's or other party's requirement and obligation to abide by this Declaration.

10.34 Imposition of Fines for Violations. To the maximum extent lawful, the Association may suspend, for reasonable periods of time, the rights of an Owner or an Owner's tenants, guests and invitees, or both, to use the Common Areas (except vehicular and pedestrian ingress and egress and necessary utilities) and may levy reasonable fines, not to exceed the maximum amounts permitted by Section 720.305(2) of the Florida Statutes, as amended from time to time, against an Owner, tenant, guest or invitee, for failure to comply with any provision of this Declaration.

10.34.1 A fine or suspension may not be imposed without notice of at least fourteen (14) days to the Person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) persons (the "**Violations Committee**") appointed by the Board who are not officers, directors or employees of the Association, or the spouse, parent, child, brother, sister of an officer, director or employee of the Association. If the Violations Committee does not by a majority vote approve a fine or suspension, the same may not be imposed. The written notice of violation shall be in writing to the Owner, tenant, guest or invitee and detail the infraction or infractions. Included in the notice shall be the date and time of the hearing of the Violations Committee.

10.34.2 The non-compliance shall be presented to the Violations Committee acting as a tribunal, after which the Violations Committee shall hear reasons why a fine should not be imposed. The hearing shall be conducted in accordance with the procedures adopted by the Violations Committee from time to time. A written decision of the Violations Committee shall be submitted to the Owner, tenant, guest or invitee, as applicable, by not later than twenty-one (21) days after the meeting of the Violations Committee. The Owner, tenant, guest or invitee shall have a right to be represented by counsel and to cross-examine witnesses.

10.34.3 The Violations Committee may impose a fine against the Owner in the amount of \$100 (or any greater amount permitted by law from time to time) for each violation. Each day of non-compliance shall be treated as a separate violation and there is no cap on the aggregate amount the Violations Committee or Board may fine an Owner, tenant, guest or invitee. Fines shall be paid not later than five (5) days after notice of the imposition of the fine. All monies received from fines shall be allocated as directed by the Board. Any fine of One Thousand Dollars (\$1,000) or more shall constitute a lien against the applicable Lot, and a fine may further be foreclosed to the extent otherwise permitted under Florida law.

10.35 Compliance with Documents. Each Owner and their family members, guests, invitees, lessees and their family members, guests, and invitees; and their or its tenants, licensees, guests, invitees and sub-tenants shall be bound and abide by this Declaration. The conduct of the foregoing parties shall be considered to be the conduct of the Owner responsible for, or connected in any manner with, such individual's presence within the Property. Such Owner shall be liable to the Association for the cost of any maintenance, repair or replacement of any real or personal property rendered necessary by their act, neglect or carelessness, or by that of any other of the foregoing parties which shall be immediately paid for by the Owner as a Specific Assessment. Failure of an Owner to notify any Person of the existence of the covenants, conditions, restrictions, and other provisions of this Declaration shall not in any way act to limit or divest the right to enforcement of these provisions against the Owner or such other Person.

10.36 Sales, Marketing and Promotional Activities. Notwithstanding anything to the contrary set forth in this Article or elsewhere in this Declaration, Developer and Builder and their respective affiliates, successors, nominees and assigns, may use any portion of the Property, including Lots (other than Lots owned by others), for sales, marketing and promotional activities and related or supportive administrative activities pertaining to and/or in connection with the sale and/or resale of Lots or Residences constructed by Developer or Builder and their respective affiliates, successors, nominees, and assigns, in their sole and absolute discretion, including without limitation, the construction, maintenance and operation of a sales and administrative center and one (1) or more model homes on Lots. The location of such sales and administrative center within the Property may be changed from time to time by Developer or Builder and their respective affiliates, successors, nominees and assigns in their sole and absolute discretion. It is expressly provided, however, that the location and operation of such sales and administrative center on Lots shall be subject to such approvals of the City and/or County as may be required for the same.

10.37 Association Waiver. In the event that a violation of any of these restrictions shall occur, which violation shall not be of such nature to defeat the intent and purpose of these covenants, the Board shall have the right and authority to waive such violation.

ARTICLE XI
PROPERTY MAINTENANCE

11.1 Maintenance by Owner. Each Owner shall keep and maintain their Lot and the Residence and other improvements located thereon in a clean, sanitary, neat, safe and orderly condition at all times. No trash, rubbish, refuse, debris or unsightly objects of any kind shall be permitted or allowed to accumulate on a Lot. The foregoing shall not be deemed to restrict or prohibit normal construction activities and construction debris on a Lot during the construction of a Residence. Each Owner shall be responsible for maintaining, repairing and replacing the Residence and other improvements located on their Lot, including without limitation structural maintenance and repair or replacement of driveways, walls, roofs, gutters, downspouts, skylights, windows, window and patio screens, screened enclosures, doors, framing and casing, locks, garage doors, air-conditioning fixtures or equipment, water-softening fixtures or equipment, and any other equipment, facilities or other items whatsoever installed within or located upon the Owner's Lot and Residence.

11.2 Exterior Painting and Cleaning. Each Owner shall be responsible for exterior painting and pressure cleaning of their Lot and improvements located thereon in accordance with this section and the rules and regulations promulgated by the Board from time to time. It is anticipated that the Association shall require the exterior of all Residences to be painted every five (5) to seven (7) years. In addition, it is anticipated that the Association shall require the roof, exterior walls, sidewalks, patios and driveways on all Lots and Residences to be pressure-washed every one (1) to three (3) years. The Board shall convene a duly noticed meeting to determine when the uniform exterior painting and pressure-washing shall be required for all Residences. Each Owner shall have at least one hundred twenty (120) days to commence the exterior painting and pressure-washing after the Association provides written notice of the required painting or cleaning. Each Owner shall have the right to paint or clean more frequently than required by the Association, provided that the Owner obtains prior written approval of paint color from the Board. If any Owner fails or refuses to paint or pressure-wash their Lot or the Residence or other improvements located thereon as required herein, the Association may perform such exterior painting and pressure-washing and assess the cost of such work to the Owner and their Lot as a Specific Assessment.

11.3 Party Walls. "Party Wall" shall mean and refer to any wall used to support and serve as a division wall between adjoining Residences, which wall is situate or intended to be situate on the property boundary line between adjoining Lots containing such adjoining Residences. The mere fact that a dividing wall between two Residences is found not to be on such boundary line shall not preclude such dividing wall from being deemed a Party Wall. Except as otherwise provided herein, each Owner shall be responsible for maintenance and repair of the unfinished surface of the portion of any Party Wall(s) located within such Owner's Residence. Owners of Residences divided by a Party Wall shall equally share the cost of repair and maintenance of the structural and interior portions of such Party Wall. However, if either Owners' negligence or willful misconduct causes damage to such Party Wall, such Owner shall bear the entire cost of repair. Each Owner shall have the right to enter the adjacent Lot, including the Residence located thereon, where necessary in connection with the repair or maintenance of a Party Wall, upon reasonable prior notice to the affected Owner(s) and at reasonable times, and an easement for same is hereby created. Any repair or reconstruction shall

utilize substantially similar materials, design and location as originally existed. No openings may be cut in any Party Wall or structural changes made thereto unless agreed upon by the Owners of all Residences divided by or supported by such Party Wall. Any fences constructed on the property line between Lots and roofing shared by attached Residences shall be treated in the same manner as a Party Wall. Any Owner that causes, by negligence or willful act, a shared fence or roof to be exposed to elements, infestation or other injurious activity, shall bear the entire cost of furnishing necessary treatments, protections or repairs or replacement resulting from damage.

BY VIRTUE OF ACCEPTING TITLE TO ANY LOT AND RESIDENCE CONSTRUCTED THEREON, EACH OWNER SHALL BE ON NOTICE THAT PUNCTURING ANY PARTY WALL SURFACE WILL IMPAIR THE FIRE-WALL FUNCTION OF SUCH STRUCTURE, AND THAT EACH OWNER IS PROHIBITED FROM PUNCTURING, PIERCING OR PERFORATING PARTY WALLS IN ANY MANNER WHATSOEVER.

11.4 Failure to Maintain. If an Owner shall fail to perform the maintenance, repair, replacement or other obligations described in this Article, the Owner shall be notified and given ten (10) days within which to correct or abate the situation. If the Owner fails to correct or abate the situation as described in the notice within such 10-day period, the Association shall have the right (although it shall not be required to do so) to enter upon the Lot and Residence located thereon for the purpose of repairing, maintaining, and restoring such Lot and Residence and other improvements located thereon at the sole cost of the Owner of the Lot. The cost of such repair, maintenance and restoration, together with reasonable attorneys' fees and costs for collection thereof incurred through all appellate levels, shall be assessed to Owner and their Lot as a Specific Assessment. In addition to the foregoing, if an Owner's failure to maintain, repair or replace their Lot and Residence endangers or will or may endanger the structural integrity of another Lot or Residence, the Association shall have the right (although it shall not be required to do so) to enter upon such Owner's Lot and Residence for the purpose of repairing, maintaining, replacing, restoring or otherwise addressing the subject defect or issue and assess the cost of such work, plus an administrative fee of fifteen percent (15%), to the Owner and their Lot as a Specific Assessment. The Association shall give the Owner not less than ten (10) calendar days' notice prior to entry on the Lot and Residence for such work or, in an emergency, such notice (if any) as is reasonable under the circumstances.

To the fullest extent permitted under Florida Law, the Association and its agents, employees, members, managers, directors, officers, contractors and subcontractors (as applicable), shall have no liability to the Owner or its tenant or invitees for trespass, or damage, or injury to property or person as the result of actions taken pursuant this Article unless caused by gross negligence, intentional misconduct, or intentional wrongdoing.

ARTICLE XII **INSURANCE**

12.1 Requirement to Maintain Insurance. Each Owner (excluding Developer and Builder) shall be required to obtain and maintain homeowner's insurance on that Owner's Residence. All Residences

shall be insured in an amount equal to the maximum insurable replacement value. Such coverage shall afford protection against:

12.1.1 Loss or damage to the Lot and Residence by fire and other hazards covered by a standard extended coverage endorsement;

12.1.2 Any and all risks of loss to the Lot and Residence, the contents thereof, or the personal liability related thereto; and

12.1.3 Such other risks as from time to time shall be customarily covered with respect to personal residences similar in construction, location and use as the Residences, including but not limited to sprinkler leakage, debris removal, cost of demolition, vandalism, malicious mischief, water damage and windstorm.

Upon the request of the Association, each Owner shall be required to supply the Board with evidence of insurance coverage on that Owner's Residence which complies with the provisions of this Section. Without limiting any other provision of this Declaration or the powers of the Association, the Association shall specifically have the right to bring an action to require an Owner to comply with their obligations hereunder.

12.2 Requirement to Reconstruct. In the event that any Residence is damaged or destroyed by fire or other casualty, the Owner of such Residence shall commence reconstruction and/or repair of the Residence (the "**Required Repair**") in conformance with the original plans and specifications of the Residence. Such work must be commenced within thirty (30) days of the Owner's receipt of the insurance proceeds respecting such Residence, or within one hundred twenty (120) days of the loss, whichever is earlier. Such repair and/or reconstruction must be completed in a continuous, diligent and timely manner. The Association shall have the right to inspect the progress of all reconstruction and/or repair work. Without limiting any other provision of this Declaration or the powers of the Association, the Association shall have the right to bring an action against Owner who fails to comply with the foregoing requirements. Each Owner acknowledges that the issuance of a building permit in no way shall be deemed to satisfy the requirements set forth in this Section, which are independent of and in addition to any requirements for completion of work or progress requirements set forth in applicable statutes, zoning codes and/or building codes.

12.3 Additional Rights of the Association. If an Owner fails or refuses, for any reason, to perform the Required Repair as herein provided, then the Association, in its sole and absolute discretion, and through the Board, is hereby authorized by such Owner to perform the Required Repairs. All Required Repairs performed by the Association pursuant to this Section shall be in conformance with the original plans and specifications for the Residence. The Board may levy a Specific Assessment against the Owner in whatever amount sufficient to adequately pay for the Required Repairs performed by the Association. To the fullest extent permitted under Florida Law, the Association and its agents, employees, members, managers, directors, officers, contractors and subcontractors (as applicable), shall have no liability to the Owner or its tenant or invitees for trespass, or damage, or injury to property or person as the result of actions taken pursuant this Section to perform the

Required Repairs unless caused by gross negligence, intentional misconduct, or intentional wrongdoing.

12.4 Association Has No Liability. Notwithstanding anything herein to the contrary, the Association, its officers and Board, shall not be liable to any Owner should an Owner fail for any reason whatsoever to obtain insurance coverage for that Owner's Residence. Further, the Association, its officers and Board, shall not be liable to any Person if the Association does not enforce the rights given to the Association in this Section.

ARTICLE XIII **SHORT TERM RENTALS**

13.1 No Short Term Rentals. Owners shall be allowed to lease their Residences, provided that any such lease shall require the tenant thereunder to comply with the terms and conditions of the Governing Documents, and provided that such lease and tenancy is otherwise in compliance with any rules and regulations promulgated by the Board. Residences shall be leased in their entirety; leasing of individual rooms is prohibited. No lease of a Residence shall be for a term of less than seven (7) months, and any such lease shall be in writing and shall be enforceable by the Association, whether or not so stated in its terms. No Owner may lease their Residence more than twice during any calendar year. Provided, however, if a lessee defaults under its lease and Owner terminates such lease on account of such default, then such Owner may be entitled to replace the defaulted and terminated tenancy with a new lessee under a new lease for a term of at least seven (7) consecutive months, and such tenancy shall not count as an additional lease for the specified calendar year. All leases must be provided to the Association at least fifteen (15) days prior to the commencement of the lease. The Association shall review the lease for compliance with the requirements set forth in this Section, but shall not perform background checks, criminal records search, financial or credit check or any other information search in connection with a review of a lease. During the term of any lease, Owner shall not be relieved of any obligations under the terms of the Governing Documents, and Owner shall be liable for the actions of their tenants which may be in violation of the terms and conditions of the Governing Documents, any rules and regulations promulgated by the Board, and any other documents set forth above, notwithstanding the fact that the tenants are also fully liable for any violation of the Governing Documents and regulations. In the event a tenant, occupant, or Person living with the tenant violates the Governing Documents or the rules and regulations promulgated by the Board, the Association shall have the power to bring an action or suit against the tenant or occupant and the Owner, or any combination of the foregoing, to recover sums due for damages or injunctive relief or for any other remedy available at law or in equity. Developer, the Association, and the individual members, officers, directors, employees or agents of any of them, shall not, jointly or severally, be individually or personally liable or accountable in damages or otherwise to any Owner or other Person or party affected by this Declaration, or to anyone submitting leases for any required consent or approval hereunder, by reason or on account of any decision, approval or disapproval required to be made, given or obtained pursuant to this Declaration, or for any mistake in judgment, negligence or nonfeasance related to or in connection with any such decision, approval or disapproval.

13.2 Time-Share Prohibition. No time sharing plan as the term is defined in Chapter 721, Florida Statutes, as amended, or any similar plan of fragmented or interval ownership of Residences shall be permitted on the Property, and no attempt to create same by lease or otherwise shall be allowed.

13.3 Amendment. This Article shall not be amended without the written consent of Developer, unless Developer no longer owns any land which is subject to this Declaration or subject to annexation to the Declaration.

ARTICLE XIV **ENFORCEMENT OF NON-MONETARY DEFAULTS**

14.1 Non-monetary Defaults. In the event of a violation by any Member or Owner (other than the nonpayment of any Assessments or other monies) of any of the provisions of the Governing Documents or restrictions set forth by the Association, the Association shall notify the Member or Owner of the violation by written notice. If the violation is not cured as soon as practicable, and in any event, no later than seven (7) days after the receipt of the written notice, or if the Member or Owner fails to commence, within said seven (7) day period, and, using their best efforts, diligently proceed to completely cure the violation, the Association may, at its option:

14.1.1 Specific Performance. Commence an action to enforce the performance on the part of the Member or Owner, or for such equitable relief as may be necessary under the circumstances, including injunctive relief; and/or

14.1.2 Damages. Commence an action to recover damages; and/or

14.1.3 Corrective Action. Take any and all action reasonably necessary to correct such violation, which action may include, but is not limited to, removing any building or improvement for which architectural approval has not been obtained, or perform any maintenance required to be performed by this Declaration, including the right to enter upon a Lot to make such corrections or modifications as are necessary, or remove anything in violation of the provisions of the Governing Documents or any restrictions set forth by the Board.

14.2 Expenses. All expenses incurred by the Association in connection with the correction of any violation, or the commencement of any action against any Owner, including administrative fees and costs and reasonable attorneys' fees and disbursements through the appellate level, shall be a Specific Assessment assessed against the applicable Owner, and shall be due upon written demand by the Association.

14.3 Late Fees. Any amount due to Developer or the Association which is not paid within fifteen (15) days after the due date shall bear a late fee of Twenty-Five Dollars (\$25) and interest at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Owner's Lot.

14.4 No Waiver. The failure of the Association to enforce any right, provision, covenant or condition which may be granted by the Governing Documents shall not constitute a waiver of the right of the Association to enforce such right, provisions, covenant or condition in the future.

14.5 Rights Cumulative. All rights, remedies, and privileges granted to the Association pursuant to any terms, provisions, covenants, or conditions of the Governing Documents shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude the Association from executing such additional remedies, rights or privileges as may be granted or as it might have by law.

14.6 Enforcement By or Against the Persons. In addition to the foregoing, this Declaration may be enforced by Developer, the Association, or any Owner by any procedure at law or in equity against any Person violating or attempting to violate any provision herein, to restrain any violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration shall be borne by the Person against whom enforcement is sought, provided such proceeding results in a finding that such Person was in violation of this Declaration. The prevailing party in any such action shall be entitled to recover its reasonable attorney fees and disbursements through the appellate level.

14.7 Certificate as to Default. Upon request by any Owner or mortgagee, holding a mortgage encumbering any Lot, and for a reasonable charge, the Association shall execute and deliver a written certificate as to whether such Owner is in default with respect to compliance with the terms and provisions of this Declaration.

ARTICLE XV **INDEMNIFICATION**

15.1 Indemnification of Officers, Directors or Agents. The Association shall indemnify any Person who was or is a party or is threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that they are or were a director, employee, officer or agent of the Association, against expenses (including attorneys' fees and appellate attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by them in connection with such action, suit or proceeding if they acted in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interest of the Association. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, in and of itself, create a presumption that the Person did not act in good faith and in a manner which they reasonably believed to be in, or not opposed to, the best interest of the Association; and with respect to any criminal action or proceeding, that they had no reasonable cause to believe that their conduct was unlawful.

To the extent that a director, officer, employee or agent of the Association is entitled to indemnification by the Association in accordance with this Article, they shall be indemnified against

expenses (including attorneys' fees and appellate attorneys' fees) actually and reasonably incurred by them in connection therewith.

The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under the laws of the State of Florida, any Bylaw, agreement, vote of Members, or otherwise. As to action taken in an official capacity while holding office, the indemnification provided by this Article shall continue as to a Person who has ceased to be a member of the Board, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a Person.

The Association shall have the power to purchase and maintain insurance on behalf of any Person who is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against them and incurred by them in any such capacity, or arising out of their status as such, whether or not the Association would have the power to indemnify them against such liability under the provisions of this Article.

ARTICLE XVI **AMENDMENTS**

16.1 Amendment by the Association. This Declaration may be amended, changed, or added to, at any time and from time to time, upon the affirmative vote (in person or by proxy) or written consent, or any combination thereof, of Owners holding not less than a majority of the total votes of the Association. Any amendment of this Declaration shall be recorded in the public records of the County. Notwithstanding anything herein to the contrary, as long as the Class B Membership exists any amendment to this Declaration must first be approved in writing by the Developer. Further notwithstanding any other provision herein to the contrary, no amendment to this Declaration or the other Governing Documents shall materially adversely affect the rights of a Builder or Lots owned by Builder, unless such amendment receives the prior written consent of such Builder, which consent may be withheld for any reason whatsoever.

16.2 Amendment to Comply with Governmental Authority. Developer, prior to Turnover, or the Board, after Turnover, specifically reserves the right to amend this Declaration, without the consent or joinder of any party, in order to comply with the requirements of the Department of Housing and Urban Development, Veteran's Administration, the District, Federal National Mortgage Association, the City, the County, or any other governmental agency.

ANY AMENDMENT TO THIS DECLARATION AFFECTING THE SURFACE WATER MANAGEMENT SYSTEM OR THE OPERATION AND MAINTENANCE OF THE SURFACE WATER MANAGEMENT SYSTEM SHALL HAVE THE PRIOR WRITTEN APPROVAL OF THE DISTRICT.

16.3 Amendment by Developer. Except as prohibited by law or as otherwise set forth in this Declaration, prior to Turnover Developer shall have the right to amend this Declaration as it deems appropriate, without the joinder or consent of any Person; provided, however, no such amendment by Developer to this Declaration or the other Governing Documents shall materially adversely affect the rights of a Builder or Lots owned by Builder, unless such amendment receives the prior written consent of such Builder, which consent may be withheld for any reason whatsoever.

16.4 Amendment to Make Non-Material Changes, Correct Scrivener's Errors and Clarify Ambiguities. Developer specifically reserves the right to amend this Declaration, without the consent or joinder of any party, to correct scrivener's errors, to clarify ambiguities determined to exist herein, and to make other non-material amendments which Developer believes are in the best interest of the Owners.

16.5 Limitation on Amendments. Notwithstanding anything to the contrary set forth in this Declaration, the rights of Developer and the Association to change, amend or modify the terms and provisions of and the covenants, conditions, restrictions, easements and reservations set forth in this Declaration shall at all times be subject to the following limitations and restrictions, to wit:

16.5.1 To the extent that particular rights or interests are expressly conferred upon or granted to the City or the County pursuant to this Declaration, the particular terms and provisions of this Declaration pursuant to which any such rights and interests are conferred upon and granted to the City or the County shall not be changed, amended or modified without the prior written consent and joinder of the City or the County, as applicable.

16.5.2 This Declaration may not be changed, amended or modified in such manner as to terminate or eliminate any easements granted or reserved herein to Developer, the Association, the City, the County, the District or utility company, respectively, without the prior written approval of Developer, the Association, the City, the County, the District or utility company, as the case may be, and any attempt to do so shall be void and of no force and effect.

16.5.3 No amendment to this Declaration shall be approved which conflicts with any land use approval or permits granted by the City or the County or which conflicts with the Code of Ordinances or Uniform Land Development Regulations of the City or the County.

16.5.4 No amendment to this Declaration may remove, revoke or modify any right or privilege of Developer or any material right or privilege of Builder without the prior express written consent of Developer or such Builder, as applicable.

ARTICLE XVII **GENERAL PROVISIONS**

17.1 Assignment of Rights and Duties by Developer. Developer may at any time assign and delegate to the Association or any other party all or any portion of Developer's rights, title, interests,

duties or obligations created by this Declaration. It is understood that the Association has been formed as a homeowners' association in order to effectuate the intent of Developer for the proper development, operation and management of the Property. Wherever herein Developer or the Association or both are given the right, duty, or obligation to approve, enforce, waive, collect, sue, demand, give notice, or take any other action or grant any relief or perform any task, such action may be taken by Developer or the Association until such time as Developer or any successor developer is divested of its interest in any portion of the Property or has terminated its interest in the Property, or Developer has assigned its rights, duties, and obligations hereunder to the Association. Thereafter, all rights, duties and obligations of Developer shall be administered solely by the Association in accordance with the procedures set forth herein and the Governing Documents.

17.2 Covenants to Run with the Title to the Land. This Declaration, as amended and supplemented from time to time as herein provided, shall be deemed to run with the title to the Property and shall remain in full force and effect until terminated in accordance with provisions set out herein.

17.3 Enforcement. Developer, the Association, the District or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by Developer, the Association, the District or by any Owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

17.4 Enforcement by the District. The District shall have the right to take enforcement measures, including a civil action for injunction and/or penalties, against any Owner or the Association to compel such Owner or the Association, as applicable, to correct any outstanding problems with the Surface Water Management System.

17.5 Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

17.6 Duration. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded. Thereafter these covenants and restrictions shall be automatically extended for successive periods of ten (10) years, unless termination of the provisions of this Declaration is approved by the affirmative vote (in person or by proxy) or written consent, or any combination thereof, of Owners holding not less than a majority of the total votes of the Association. Any termination of this Declaration shall be recorded in the public records of the County. Unless this Declaration is terminated as provided above, the Association shall re-record this Declaration or other notice of its terms at intervals necessary under Florida law to preserve its effect. In the event of termination, dissolution, or final liquidation of the Association, the responsibility for the operation and maintenance of the Surface Water Management System must be transferred to and accepted by an appropriate governmental unit or public utility or a non-profit corporation similar to the Association approved in writing by the District prior to such termination, dissolution or liquidation.

17.7 Communication. All communication from Owners to Developer, its successors or assigns, the Board, or any officer of the Association shall be in writing.

17.8 Notice. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the Person who appears as Member or Owner on the records of the Association at the time of such mailing.

17.9 Conflict. This Declaration shall take precedence over conflicting provisions in the Articles and Bylaws and the Articles shall take precedence over the Bylaws.

17.10 Usage. Whenever used herein the singular number shall include the plural, and plural shall include the singular, and the use of any gender shall include all genders.

17.11 Governing Law. The construction, validity and enforcement of this Declaration shall be determined according to the laws of the State of Florida. Any action or suit brought in connection with this Declaration shall be in the County.

17.12 Security. Developer and the Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to make them safer than they otherwise might be. Neither Developer nor the Association shall in any way be considered insurers or guarantors of security within the Property, nor shall Developer or the Association be held liable for any loss or damage by reason of failure to provide adequate security or of any effectiveness of security measures undertaken.

17.13 Construction Activities. ALL OWNERS, OCCUPANTS AND USERS OF THE PROPERTY ARE HEREBY PLACED ON NOTICE THAT DEVELOPER, THE ASSOCIATION, BUILDERS AND ANY OF THEIR OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (THE "LISTED PARTIES") WILL BE, FROM TIME TO TIME, CONDUCTING EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO THE PROPERTY. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, OR BY USING ANY PORTION OF THE PROPERTY, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (i) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (ii) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO THE PROPERTY WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (iii) THAT ENTRY GATES (IF ANY) MAY BE OPEN DURING ANY PERIODS OF

CONSTRUCTION AT ANY TIMES OR ALL TIMES IN THE SOLE DISCRETION OF THE DEVELOPER, BUILDERS OR THE ASSOCIATION, (iv) THE LISTED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, (v) ANY PURCHASE OR USE OF ANY PORTION OF THE PROPERTY HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING, AND (vi) THIS ACKNOWLEDGMENT AND AGREEMENT IS A MATERIAL INDUCEMENT TO DEVELOPER AND BUILDERS TO SELL, CONVEY, LEASE AND/OR ALLOW THE USE OF THE APPLICABLE PORTION OF THE PROPERTY.

17.14 Water Bodies and Wildlife. THE SUBDIVISION MAY CONTAIN WATER BODIES SUCH AS LAKES, PONDS, CANALS, CREEKS, STREAMS, PRESERVES OR OTHER BODIES OF WATER AND THERE MAY ALSO BE SUCH WATER BODIES IN THE VICINITY OF THE SUBDIVISION (COLLECTIVELY "**WATER BODIES**"). SUCH WATER BODIES MAY POSE HEALTH AND SAFETY RISKS TO OWNERS, OCCUPANTS AND USERS OF THE PROPERTY IN AND AROUND THE SUBDIVISION, INCLUDING THE RISK OF DANGEROUS WILDLIFE. ALL OWNERS, OCCUPANTS AND USERS OF THE PROPERTY ARE HEREBY PLACED ON NOTICE THAT DEVELOPER, THE ASSOCIATION, BUILDERS AND ANY OF THEIR OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (THE "**LISTED PARTIES**") SHALL NOT BE LIABLE TO OWNERS, OCCUPANTS AND USERS FOR, OR RESPONSIBLE FOR MAINTAINING OR ASSURING, THE WATER QUALITY OR WATER LEVEL OF OR IN ANY WATER BODIES. ALL OWNERS, OCCUPANTS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE WATER BODIES SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF THE DEED TO OR USE OF SUCH PROPERTY, TO HAVE RELEASED THE LISTED PARTIES FROM ALL CLAIMS FOR ANY AND ALL CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH WATER BODIES. AGAINST, ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH WILDLIFE. NO PERSONS SHALL SWIM IN ANY WATER BODIES WITHIN THE PROPERTY NOT SPECIFICALLY DESIGNATED FOR SWIMMING AND NO PERSONS IN THE PROPERTY SHALL FEED ANY WILDLIFE IN OR AROUND THE PROPERTY.

The Association shall have all the powers, rights and privileges which a not-for-profit corporation organized under Chapter 617, Florida Statutes, by law may now or hereafter have or exercise.

In addition to the powers set forth above, the Association shall have all of the powers and duties reasonably necessary to operate the Property pursuant to the Declaration and as more particularly described in the Bylaws, as they may be amended from time to time, including, but not limited to, the following:

1. To perform all the duties and obligations of Association set forth in the Declaration and Bylaws, as herein provided.
2. To enforce, by legal action or otherwise, the provisions of the Declaration and Bylaws and of all rules, regulations, covenants, restrictions and agreements governing or binding Association and the Property.
3. To operate, maintain and manage the common area and surface water management system for the Property in a manner consistent with the Southwest Florida Water Management District (the “District”) Permit(s) requirements and applicable District rules, and shall assist in the enforcement of the covenants and restrictions in the Declaration which relate to the surface water management system.

7. To pay all operating costs, including, but not limited to, all licenses, taxes or governmental charges levied or imposed against the Property.
8. To own, acquire (by gift, purchase or otherwise), annex, hold, improve, build upon, operate, maintain, convey, grant rights and easements, sell, dedicate, lease, transfer or otherwise dispose of real or personal property in connection with the functions of Association except as limited by the Declaration.
9. To borrow money, and to mortgage, pledge or hypothecate any or all of its real or personal property as security for money or debts incurred.
10. To dedicate, grant, license, lease, concession, create easements upon, sell or transfer all or any part of the Association’s property, to any public agency, entity, authority, utility or other person or entity for such purposes and subject to such conditions as it determines and as provided in the Declaration.

13. To have and to exercise any and all powers, rights and privileges which a not-for-profit corporation organized under the Laws of the State of Florida may now, or hereafter, have or exercise, and to take any other action necessary for the purposes for which the Association is organized.

14. To employ personnel and retain independent contractors to contract for management of the Association and the Property as provided in the Declaration and to delegate in such contract all or any part of the powers and duties of the Association.

15. To contract for services to be provided to, or for the benefit of, the Association, members of the Association, and the Property as provided in the Declaration such as, but not limited to, telecommunication services, maintenance, garbage pick-up, and utility services.

16. To establish committees and delegate certain of its functions to those committees.

17. To sue and be sued in the name of the Association.

ARTICLE VII **MEMBERSHIP**

Every person or entity who is a record owner of a fee or undivided fee interest in any lot which is subject to the Declaration, including contract sellers, shall be a member of the Association with the voting rights described herein. The foregoing shall not include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment by the Association.

ARTICLE VIII **VOTING RIGHTS**

The Association shall have two classes of voting membership with the relative rights and preferences as follows:

Class A: "Class A Members" shall be all owners of any lot shown upon any recorded plat of the Property (the "Lot" or "Lots") with the exception of Developer prior to Turnover (each as defined in the Declaration). Each Class A Member shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, each such person shall be members, however, the vote for such Lot shall be exercised as they collectively determine, and in no event shall more than one vote be cast with respect to such a Lot.

Class B: The "Class B Member" shall be the Developer, or its specifically designated (in writing) successor(s) or assign(s). The Class B Member shall be entitled to the total number of votes of all

Class A Members from time to time plus one (1) vote; provided, however, that the Class B Membership shall cease and convert to Class A Membership on the happening of any of the following events, whichever shall first occur:

1. Three (3) months after ninety percent (90%) of the Lots in all phases of the community that will ultimately be operated by the Association have been conveyed to Class A Members; or
2. Developer, in its sole and absolute discretion, elects to terminate its Class B membership by written notice of such election delivered to the Association (whereupon the Class A Members shall be obligated to elect the Board and assume control of the Association).

Notwithstanding that there shall be two (2) classes of voting membership in the Association, voting shall be based upon the votes cast by the membership as a whole; not on votes cast by or within each class of voting membership.

ARTICLE IX **DISSOLUTION**

The Association may be dissolved upon the affirmative vote (in person or by proxy) or written consent or any combination thereof, of members holding not less than a majority of the total votes of the Association. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency or to any non-profit corporation, association, or other organization to be used for purposes similar to those for which this Association was created.

In the event of termination, dissolution, or final liquidation of the Association, the responsibility for the operation and maintenance of the surface water or stormwater management system must be transferred to and accepted by an appropriate governmental unit or public utility or a non-profit corporation similar to the Association approved in writing by the Southwest Florida Water Management District prior to such termination, dissolution or liquidation.

ARTICLE X **COMMENCEMENT AND DURATION OF CORPORATE EXISTENCE**

The Association shall commence corporate existence on the date of filing of these Articles of Incorporation with the Florida Secretary of State. The Association shall exist in perpetuity.

ARTICLE XI **AMENDMENTS**

The Association shall have the right to amend these Articles of Incorporation at any time upon the affirmative vote (in person or by proxy) or written consent or any combination thereof, of members holding not less than a majority of the total votes of the Association. No amendment shall make any changes in the qualifications for membership nor the voting rights of the members, without approval in writing by all members and the joinder of all record owners of mortgages upon the Lots. No amendment shall be made that is in conflict with Florida law or the Declaration unless the latter is amended to conform to the same.

ARTICLE XII
BYLAWS

The Bylaws shall be adopted by the Board at the first meeting of directors, and may be altered, amended or rescinded thereafter in the manner provided in the Bylaws.

ARTICLE XIII
