2026 REGIONAL SUMMITS

SPONSORSHIP PROPOSAL

INTERTRIBAL AGRICULTURE COUNCIL
2026 REGIONAL SUMMITS

Each year, the Intertribal Agriculture Council's (IAC) Technical Assistance Network hosts regional summits that offer Tribes and producers accessible resources to strengthen agricultural conservation, development, and food systems in Indian Country. Open to anyone interested in Tribal agriculture, the summits cover topics such as agricultural trends, financing, natural resources, youth programs, and USDA program access.

Sponsorships help offset event costs—including venues, meals, travel, and registration—making these summits possible. We are grateful for the support of sponsors like you.

IAC is a 501(c)(3) nonprofit established in 1987 by federally recognized Tribes to advance land-based agriculture vital to the well-being of Native American and Alaska Native peoples. Guided by its member Tribes, IAC supports agricultural priorities across more than 56 million acres of Tribal land through technical assistance, natural resources work, market development, agribusiness support, finance tools, youth programs, and professional development.

With a deep understanding of the needs of all 574 federally recognized Tribes, IAC remains committed to strengthening Tribal agriculture and growing resilient Tribal economies. Learn more att **indianag.org**.

SPECIAL SPONSORSHIP OPPORTUNITIES

There are special opportunities to sponsor a meal, coffee break between sessions, youth tracks in specific regions, or for an in-kind donation sponsorship, such as providing free venue space in return for sponsor recognition. To speak with someone about these special opportunities, please contact Amy Bethel at amy@indianag.org.

Your sponsorship directly supports Native producers. By helping cover travel costs to attend and engage in this event. Consider increasing your sponsorship in $500 increments to expand opportunities for participation. Every additional $500 goes toward a travel stipend, ensuring that more voices from Indian Country are heard and represented.

Increments of $500 provide direct travel support for one additional attendee. The more you give, the more regional participation we can support at the event.

Help us ensure greater access, engagement, and representation by increasing your sponsorship today!

Please note that we may not be able to accommodate all sponsorship requests due to a range of logistical and programmatic considerations. For more information on other exclusive IAC sponsorship opportunities, please contact Amy Bethel, Corporate Relations Officer, at *amy@indianag.org*
