

# Conservation Planning Session

## *NRCS Plant Materials Center Lockeford*

NRCS Plant Materials Center, 21001 Elliott Rd, Lockeford, CA 95237

**September 17, 2026 • 9:00a - 1:00p PT**

The Natural Resources Conservation Service (NRCS), and Intertribal Agriculture Council (IAC), are hosting a 'Conservation Planning Session,' a session focused on the topics of USDA-NRCS programming opportunities that Tribes and Individual Tribal members can utilize for land stewardship, conservation agriculture, and food systems-related projects at the Lockeford Plant Materials Center (PMC). The PMC tour will highlight a culturally significant plant hedgerow and previous cultural burn sites at the PMC with discussions on pre and post-fire conditions.

**Join us for coffee beginning at 8:30am.** We look forward to seeing you there! For any questions, please contact Natalie Solares, [natalie@indianag.org](mailto:natalie@indianag.org)

If you need assistance to attend the in-person meeting, limited travel support is available. Please fill out the application form for consideration. TRAVEL SUPPORT APPLICATION: [bit.ly/SEP17-TravelApplication](https://bit.ly/SEP17-TravelApplication)
