SPONSORSHIP PROPOSAL

INTERTRIBAL AGRICULTURE COUNCIL

2026 ANNUAL CONFERENCE

Across Indian Country, agricultural production combines culture and community to build prosperous food systems. Since 1987, the Intertribal Agriculture Council (IAC) has partnered with Tribes and Tribal producers to expand resource access, support sustainable practices, increase market access, preserve knowledge for future generations, and strengthen economic opportunities for Tribal communities.

This year, supporting Indian agriculture is more important than ever. Join us in hosting an event that advances Tribal agriculture by exploring emerging trends, financial tools, natural resource management strategies, youth and young professional engagement, and access to USDA programs. By sponsoring the 2026 IAC Annual Conference, you are investing in Tribal economies, intergenerational learning, and the future of Indian agriculture nationwide.

The Intertribal Agriculture Council (IAC) is a 501(c)3 with a general membership composed of federally recognized Tribes. Since its founding in 1987, the IAC has been guided by its member Tribes, advocating for the agricultural interests of Indian Country and advancing agricultural priorities across more than 56 million acres of land under Tribal jurisdiction in the United States.

To learn more about IAC initiatives, visit indianag.org.
