FOREST SOIL & WATER FIELD DAY

JULY 25, 2025

Join the Intertribal Agriculture Council, Natural Resources Conservation Service (NRCS), and the Knik Tribe on Friday, July 25, 2025, for a Forest and Water field day to learn about forest soil health and water quality at the Alaska Pacific University (APU) Lake.

Breakfast will be served at 8 am, and the field day will start at 9 am.
