**PRODUCT SPECIFICATIONS**

|                |                            |
|----------------|----------------------------|
| Fiber Content  | 100% EnVisionSD® BCF Nylon |
| Dye Method     | Solution Dyed              |
| Construction   | Tip Shear                  |
| Pattern Repeat | 24" W x 24" L              |
| Gauge          | 1/10                       |
| Pile Height    | .125 / .1875               |
| Ounce Weight   | 32 oz.                     |

**PERFORMANCE**

|               |                                                                                                                                                                                                                             |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Flammability  | Flooring Radiant Panel ASTM E-648 and/or NFPA 253. Greater than 0.45 watts/CM² Class 1.<br>Surface Flammability of Carpets and Rugs (16 CFR Chapter II Subchapter D, Part 1630 CPSC FF 1-70) also referenced as ASTM D-2859 |
| Smoke Density | Passes NBS Smoke Chamber Test-ASTM E-662.                                                                                                                                                                                   |
| Colorfastness | 4.0 or better.                                                                                                                                                                                                              |
| Static Rating | Less than 3.5 kV.                                                                                                                                                                                                           |

**WARRANTY**

- 10 year wear warranty.

Dune meets the standards for the Carpet & Rug Institute's Indoor Air Quality Green Label Carpet Testing Program. Green Label Plus Certification #GLP1678.
