
WTM4000 E-Learning Library

Self-paced online content for Aviat Networks WTM4000 solutions
TRN-WTM4K-LIB-E

Course Specifics

Duration:	Self-paced e-learning
Delivery Format	E-Learning
Materials provided:	NA

Course Description

The **WTM4000 E-Learning Library** is our collection of **E-Learning Modules and videos** that provide students with an overview of the basic features, equipment configuration, and functionality for the Aviat WTM 40000 all outdoor packet radio platform.

Target Audience

This course is intended for individuals requiring knowledge of WTM4000 radio concepts.

Prerequisites

- No technical knowledge prerequisites are needed.
- PC with Internet access, Internet browser software, access and subscription to AviatCare LMS.

Objectives

Upon successfully completing this course, participants will be able to:

- Understand the different network elements which are incorporated in WTM4000 radio platform.
- Understand Installation Best Practices for the WTM4000 radio platform.
- Understand Radio Link Configuration and Monitoring for the WTM4000 radio platform.
- Understand Carrier Ethernet Configuration and Operation for the WTM4000 radio platform.

Learning Path Content *

1. WTM4000: System Overview - eLearning
2. WTM4000: Installation Best Practices - eLearning
3. WTM4000: Basic Access and Management - eLearning
4. WTM4000: VLAN Configuration - eLearning
5. WTM4000: Radio Link Configuration - eLearning
6. WTM4000: Synchronization Configuration - eLearning
7. WTM4000: QOS Implementation - eLearning
8. WTM4000: LACP Configuration - eLearning
9. WTM4500: Installation Best Practices - eLearning
10. WTM4000: L1LA Configuration - eLearning
11. WTM4000: Radio Link Configuration - Video
12. WTM4100: A2C Configuration - Video
13. WTM4000: C-VLAN Configuration - Video
14. WTM4000: Port-Based VLAN QOS Configuration - Video

Learning Path Content may change without prior notice
