

# MODEL NS430 SPECIALIST® ALL-WEATHER GLOVES

## ALL-WEATHER PROTECTION

### MODEL NS430 SPECIALIST® ALL-WEATHER NEOPRENE SHOOTING/DUTY GLOVES

The Hatch® Model NS430 Specialist® gloves feature an all-weather design for shooting and duty applications, and are ideal for all-day wear in wet or dry conditions. The neoprene construction offers comfort, flexibility and warmth, and the Synsi-feel™ synthetic leather palm provides for an accurate feel and secure weapons manipulation while on duty or at the range. The Extreme-Grip™ patches sewn onto the palm and fingertips provide an enhanced grip. The Specialist gloves have a snug, comfortable fit, making them an ongoing favorite choice among law enforcement professionals.

### FEATURES

- Constructed of neoprene for comfort, flexibility and warmth
- Palm made of Synsi-feel synthetic leather for excellent grip and accurate feel
- Extreme-Grip non-skid material on palm and fingertips provide enhanced grip
- Hook and loop closure keeps gloves snug on wrist
- Sizes XS-2XL
