

Yardline Installation Terms and Conditions

Selecting a site:

- Select a site that is level and free of rocks, stumps and other protrusions
- ASTM guidelines recommend a 6ft safety zone around your entire play set as well as overhead. Refer to the owner's manual for additional safety guidelines.
- Select a site with good drainage and no standing water.

Installation Terms and Conditions:

- Installation is offered in select markets only. Refer to the zip code locator link on the product page to verify that installation is available in your area.
- A Yardline representative will contact you within 3 business days of receiving your play set order from Costco to verify your order and schedule an installation date. Allow 3-4 weeks from order date to installation.
- Yardline play sets designed for residential use only and are intended for use by children 3-11 years of age.
- Your installation site must be cleared and prepared to within 3 inches of level. Any site out of level by more than 3 inches could result in delays or additional charges payable at the time of installation.
