

## FURNITURE DISTRESSING REFERENCE GUIDE

The **Chartres Solid Alder Bedroom Collection** features a 8-Step Bourbon Finish without distressing. The above chart demonstrates where this finish falls in the range of distressing treatments typically used for indoor furniture.

Non-distressed furniture appeals to members who appreciate a clean, simple finish and the fresh aesthetic it provides.

**NOTE:** Distressing techniques are hand applied and may vary. When used together with the collection's photography, this guide will provide an accurate presentation of the product and help you choose new furniture that is best for you.
