

Walk the Path and Measure the Space

Prior to your purchase and delivery, please utilize this guide to verify clearance measurements of doors, stairways, fixtures, hallways, and/or elevators.

- ✓ Will your hallway size allow the furniture to move through?
- ✓ Is your room ready for the product?
- ✓ Will the furniture fit through all doorways?
- ✓ Will the furniture fit up your stairway?

- 1 Exterior/front doorway height
- 2 Exterior/front doorway width and clearance to opposite wall
- 3 Stairwell overhang/ceiling height
- 4 Staircase corner width and clearance to opposite wall upstairs if your stairs curve
- 5 Staircase width
- 6 Low hanging light fixtures
- 7 Interior doorway width and clearance to opposite wall
- 8 Interior doorway height

YOUR MEASUREMENTS

ex: Front Door 38" W x 80" H

For apartment buildings or homes with elevators, it is important to measure the elevator opening, and opposite wall distance.

PREPARING FOR YOUR FURNITURE ARRIVAL

Before purchasing your new furniture, note all important measurements and obstructions to ensure a successful delivery. Prepare your home by doing the following:

- | | |
|--|---|
| ☐ Secure low hanging light fixtures | ☐ Place pets in another room |
| ☐ Remove doors if necessary | ☐ Set rugs in place |
| ☐ Remove pictures or art | ☐ Move other furniture |

Please Note: the delivery team is unable to hoist furniture, remove windows, or make other preparations for you.
