## Movingstyle M7 - 4K UHD Smart Monitor with Adjustable Rolling Stand

LS32FM701UNXZA

The Samsung AI Smart Monitor M7 moves with you thanks to its adjustable rolling stand, making it easy to roll your Smart Monitor from room to room for next-level entertainment and everyday use. The rolling stand features a sleek, rounded weighted base with hidden urethane wheels for effortless, stable and quiet movement. The 13-foot power cable attached to the back of the monitor extends down through the height-adjustable stand's slim, oval column for a clean setup, while also giving you the flexibility to move around the room without needing to unplug. The monitor pivots, swivels and tilts on its height-adjustable stand, letting you customize the setup to match your preferred viewing angle. The NQM AI Processor delivers an advanced, AI-powered experience and 4K UHD resolution brings content to life with incredible clarity. The processor upscales lower-resolution content to 4K, while the AI Picture Optimizer adapts visuals, letting users view content with optimal quality. Your favorite content can be accessed instantly via built-in Smart TV Apps or streamed through Samsung TV Plus. Gaming Hub enables access to the biggest games from top streaming partners, with no PC or console needed.

### Key features

#### Height-adjustable rolling stand

The Adjustable Rolling Stand moves with you, making it easy to roll your Smart Monitor from room-to-room for next level entertainment and everyday use. The monitor pivots, swivels, and tilts on its height-adjustable stand.

#### Smart TV Apps

Stream content directly from your monitor, or tune into Samsung TV Plus to get live TV channels and on-demand content.

#### AI Picture Optimizer

Experience optimal picture quality adjusted to your needs. AI Picture Optimizer adapts the visuals to help you work on documents with comfort, get fully immersed in games with deep, rich blacks, and watch videos in vibrant colors.

#### SmartThings

See your smart home devices in a 3D Map View and manage them with ease. You can also check the energy usage and cost by device, and help save energy by putting them in energy-saving modes. Simply tap into the all-in-one IoT hub using your mobile phone or voice command — without pausing shows.

#### Knox Security

Help keep your monitor data safe and confidential with Samsung Knox, featuring robust, multi-layered security and controlled access.

# Specifications
